How do people relax when the problems of the day seem to be getting too much for them? Everyone has his own recipe for easing the kinks. Some watch television; some roam the streets, people-watching and window shopping; some sweat it out in a gymnasium; some merely try to sleep it off. My own particular escape is in reading poetry. There are several reasons why poetry offers so pleasant a release. A good poet can reading poetry is in reading poetry. There are several reasons why poetry offers so pleasant a release. HOSTILITY TO ADVERTISING THREAT TO JOBS, WAGES

The current hostility towards advertising, claims Toronto ad man Andrew Kershaw, is a threat to busines.— and that in turn is a threat to jobs, high, er wages and economic well-being. Reported in Marketing, Kershaw, who is chairman and managing director of Ogltyy & Mather (Canada) advertising agency, maintains that a 20 per cent decline in advertising revenue could seriously curtail all but the largest newspapers and either force them to shut down or to cease publishing frequently. "Almost none of the weeklies could survive", says Kershaw.
