THE EDITOR'S COLUMN

It seems that last weekend was the time to stage a protest march if you are so inclined. Many people in the Hamilton, Kitchener and Toronto areas, as well as in many areas of the United States, especially Washington, felt that last Saturday and Sunday were the days to stage protest marches. We watched the procession in Toronto as they blocked streets and clogged sidewalks on their pilgrimage from Queen's Park to the City Hall and we could not help but wonder what the majority of the people were doing. There were hippies, housewives, students and professors walking jauntily along with nothing on their minds but what a lovely day it was to go for a walk. Kids were tagging along or else were being carried by their parents in what only can be considered as a wasteful expenditure of energy.

- - - - - - -

The marches that were staged were supposedly in protest against the Vietnam War. However, there are so many variables within that one conflict that it is difficult to determine just what aspect of that war the marchers were protesting. Are they protesting, the bombings? Are they protesting against the spread of Communism in that part of the world? Are they protesting that the United States, New Zealand, Australia and the Cambodian armies should not help in curbing the spread of Communism? What are they protesting? Do they know? These are the questions that cross our mind when we read of the people that storm the Pentagon in Washington or who march from Queen's Park to the City Hall in Toronto.

- - - - - - -

No one likes war. When your hand is forced and the only alternative is to fight back you cannot run and lose the faith of those you have promised to help when the need arises. The United States has found itself in this position along with the Australian and New Zealand governments in Vietnam. Their choice is to permit the North Viet Cong to overrun South Vietnam by pulling their forces from their chores or alternately to subdue the enemy with as little loss of life as possible. Their task is a difficult one for the peasant farmer of Vietnam has little concern whether he is part of a democracy or a dictatorship. This brings us to the point in question as to whether or not an attempt should be made by the free nations of the world to establish a democracy in South Vietnam. Our answer would be an unequivocal yes because we feel that all people of this world should have the basic freedoms of religion, speech and the right to choose those persons who will govern their country.

Getting away from the subject of wars and marches and on to a subject beginning to occupy nearly everyone's Saturday nights, namely Hockey Night in Canada. We bring this subject up to mention the fact that "Red" Kelly, late of the Toronto Maple Leafs, is performing more than a capable task in developing the Los Angeles Kings into a hockey team thus providing some keen competition for the old established teams in the East. We look forward to the game here in Toronto on Wednesday night when Red's team faces his old teeam-mates in what should be a pretty good game. I think a win by Red might take a little of the wind out of Punch Imlach's sails.

WHAT CAN THE CANADA PENSION PLAN DO FOR YOU?

1. If you are now 68 or older and retired, and if you paid into the Plan last year or this year, you are eligible to apply NOW for a Retirement Pension.

2. If you were 70 years old sometime between January, 1966 and the present time, and paid into the Plan last year or this year, you should apply NOW, even though you are still working.

3. If you are now 65 to 69 years old and are still working, you should enquire in the month before you retire about the date of eligibility for payment of your pension. But, if you become 70 while working, the pension is payable immediately.

4. If you are now 65, 66 or 67 years old and retired, you should enquire immediately as to when your pension will commence. Information is available from any of the Canada Pension Plan offices shown below.

The Canada Pension Plan will do more than pay retirement pensions

1. Commencing in February, 1968, at the earliest, it will pay Survivors' Benefits, including a lump sum Death Benefit, a Widow's Pension, and benefits to your dependent children, provided that you contributed in 1966, 1967 and for January in 1968.

2. Commencing in May, 1970 at the earliest, it will pay Disability Pensions and benefits to your dependent children.

Let us take a closer look at these Survivors' Benefits.

1. The death benefit is equivalent to 6 times your monthly retirement pension. If you were under 65 when death occurred, the retirement pension is calculated as though you had reached age 65 when you died. If the retirement pension was found to be $60 a month, the death benefit would be $360. The amount of the death benefit cannot exceed $500.

2. The amount of the widow's pension depends on certain factors.

(a) If she is 45 to 65 years old, or if she is under 45 and has one or more dependent or disabled children, or is herself disabled, her pension will be the full amount. On wages of $5,000 a year or more it will be $64.08 a month. On average wages of $3600 it will be $53.12 a month.

(b) If she is between 35 and 45 and has no dependent or disabled children or is not herself disabled, she will receive a reduced pension. Full pensions are shown in (a) above. The reduction amounts to 10 % for each year her age is below 45.

(c) If she is under 35 with conditions the same as in (b) above, she would not receive any pension until age 65.

3 Benefits for your dependent children are at a flat rate of $25 a month for each of the first 4 children, and $12.50 for each additional child.

4. There is also a Disabled Widower's Pension, which is payable to your wife's death if she was a contributor, provided you were disabled or wholly or substantially maintained by her would receive benefits as in 3 above

Let us take a quick look at Disability Pensions.

Until 1975, you will qualify if you have contributed for at least 5 years. You must be found to be suffering from a severe and prolonged mental or physical disability. Based on wages of at least $5,000 a year, the pension is $103.13 a month. On average wages of $3600, the pension is $81.25 a month. Benefits for your dependent children are at the same rate as in 3 above.

For further information apply at the Federal Building, Simcoe every Thursday or at the Hamilton Federal Building 150 Main St. West. Hamilton, any week day.

SHOULD WE HELP?

The Royal Canadian Mounted Police the other week, (in their capacity as guardians of the customs laws, seized medical supplies that the Quakers, as an act of mercy, wished to send to North Vietnam via Canada.

Many of the citizens of the United States, besides the 200,000 or so who comprise the Society of Friends, are unhappy over the Vietnam situation. A solution to the problem is not easy to find. Canadians generally also are unhappy over their neighbour's problem but wonder if interference with the Quaker efforts to alleviate suffering will help to end the war or merely be another evidence that "when the U.S. is at war, Canada is at war"—The Gananoque (Ont.) Reporter.

Double your money with Canada Savings Bonds

One of the great things about Canada is Canada Savings Bonds, and this year's Series is the most exciting yet. Interest starts at 5¼% a year—the highest starting rate ever on a Canada Savings Bond—and goes right up to 6%. Over the 13 years to maturity the true average annual yield is 5.48%.

Best of all, Canada Savings Bonds have a wonderful compound interest feature which pays you interest on your interest. Take full advantage of it and you will double your money.

As always, Canada Savings Bonds are instant cash. They may be cashed at any time for their full face value plus accrued interest. They are easy to buy for cash or on instalments. They fit all savings budgets—from $50 up.

And, for the first time ever, Canada's most popular personal investment may now be bought by businesses, churches, charities, clubs, and other organizations. Another first: the limit per holder for this Series has been increased to $50,000.

Backed by all the resources of Canada, Canada Savings Bonds are a great way to save. Buy yours today and double your money.

TO MY MOTHER

- By Mrs. George Hill (Betty) -

From England's soil she came across the ocean
Up the St. Lawrence River
To view in Autumn splendour
Canada's fair shore.
The Maples were in radiant colour dressed,
Birches in gold and oaks in russet brown
And Canada was her's for ever more.
Courage and a brave determination
To meet in any place
Whatever comes of troubles, joy or sorrow,
With calm and smiling face.
Throughout the years her Christian life revealed her
Christian Faith
Heedless of self and joyful serving others.
So that when the day came
For that fair heart to beat no more
The Lord looked out from Heaven
And welcomed her through open door
"She hath done what she could"
He said
"Let her come home and rest for evermore".

Dear God we thank You for giving us our Mother
To love and cherish and enjoy these long years through
And one thing we would ask of You in Heaven.
Let her keep on being busy serving You.

HAGERSVILLE S.S. NOTES

In a series of exhibition games, our team continued to improve in its game against Caledonia last Friday night. In their first meeting with Caledonia the score was 28-6 for ter, Hagersville held them close all the way, and were leading in the first half.

In the first quarter, our boys blocked, tackled and outplayed the opposition to hold the game to a draw.

In the second quarter, Dave Monture caught a pass from Quarterback Bob Esselment and went for a touchdown, giving Hagersville a 6-0 lead. They missed the convert point. Then Wayne Clause received another pass and went for a touchdown, making the score 12-0. But before the end of the second half, Caledonia had returned with a touchdown, and a throw-in convert for two points. A touchdown by Caledonia in the third quarter completed the scoring, and the H.S.S team was down by two points.

Dave Webb and Paul Kett both suffered leg injuries that took them out of the game. Heavy tackling by Gilbert Monture, Allan Sloat, Alber, Moser, Bill Hickey, Frank Salvatore and Fred Bailey held the score down, and the running efforts of Paul Kett, Bruce Whitford and Dave Sayer, all best pass receivers made it an exciting game.

Mr. Cecchini the coach, and Mr Prentice, his assistant, are to be complimented on the capability and enthusiasm they have inspired in the players. Malcolm Powell has also done an excellent job as team manager. Continued improvement next year should rouse genuine football fever in our school and community.

along with those of Dave Monture and Wayne Clause, our
