The Progressive Conservative Centennial Convention is now history after having elected Robert Lorne Stanfield to succeed to a party that now holds 40 seats in a 46 seat legislature. His manner of speaking excudes confidence and his text bears witness of well thought out opinions. He is a man that does not make rash statements before thinking them out to a logical conclusion. He is a man with a keen intellect but he cannot be said to be a stuff.

Mrs. H Hewitt reported the coffee shop had been painted and arborite has been installed. A decision was made to dispense with the book regarding the donated articles. Cards, paper and ribbon will be provided for customers who may wish purchases gift-wrapped. Authority was given Mrs. Hew itt to have a cigarette case made, thereby having more space available in the show case. The sale of jewellery will continue until the end of the year but with less on display A revised price list will be made for food served in the coffee shop, this also to be left to the discretion of Mrs. Hewitt.
