This is the price we pay for living in a free country and a small price it is 11 seems such a high price at this time of year when it is necessary to file an In-it forget that we have one for the first price at this time of year when it forget that we have one for the first price at this time of year when it forget that we have one for the first price at this time of year when it forget that we have one for the first price at this time of year when it forget that we have one for the first price at this time of year when it forget that we have one for the first price at this time of year when it forget that we have one for the first price at this time of year when it forget that we have one for the first price at the the Canada Pension Plan, Unmployment Insurance, Fam-ily Allowance. Hospitalization, Medical Plans, a good educa-tional system, beautiful high-ways and a country which is free. "Good morning - Figure To the men in the lone boat. "Have you caught any fish at all ?" "None!" say the men. "Cast

street inclulding a new high-way, curbs and sidewalks. We To greet his lone Lord. The

tion will start immediately. With the completion of con-struction on Highway Six the sound ideas presented by the Ist Jarvis Venturers in theur letter of March 18th can be put into effect. The general cleanup of the properues in Jarvis we trust will be under taken by the properus owners themselves. A touch of paint and in some cases, a good scrub brush with lots of water will bring a new sparkle back to many of the buildings. We have heard from a reliable source that tentative plans have been made to use some of the concrete from the old ideawalks to shore up the banks of the creek and to con-
