THE COUNTY OF HALDIMAND REQUIRES A

CARETAKER

THE EDITOR'S

COLUMN

Visit to his emporium by the former editor of this newspaper We've grown up trying hard to understand the relationship between the Editors of the Maple Leaf and the Jarvis Record We've never been able to come tye as think there is a measure of column of the post three or four years. These days are past as we had to go through this phase of development if we ever hoped to establish a base of future progress. We think the result of the achievement far offsets the many disadvantages we had to endure during the past three or four year period.

We'ce grown up trying hard to understand the relationship between the Editors of the Maple Leaf. We'd nuch prefer, however, to have that competition begin with the next editorial generation on the maple Leaf. We'd nuch prefer, however, to have that competition begin with the next editorial generation on the maple Leaf. We'd nuch prefer, however, to have that we had to go through this phase of development if we ever hoped to establish a base of future progress. We think the result of the achievement far offsets the many disadvantages we had to endure during the past many years. There is nothing we'd like better than to compete with the astute and shrewd editorial generation on the late of the caliums of the we'd much prefer, however, to have that competition begin with the next editorial generation on the mapper tried.

We could not help but note the lead editorial of the July with the former dealurns of the mapper tried.

We could not help but note the lead editorial of the July with the former dealurns of the caliums of the we'd editorial and shrewd editorial moveledge frequently spewing to the action of the mapper tried.

We've never been able to compete with the astute and shrewd editorial and whele dealurns of the action of the forth from the caliums of the action of the form the caliums of the we've nove the past many years. There is nothing we'd like between the to compete with the sature and shrewd editorial and whele the form the caliums of the w
