

Does this sound like You?
 "I haven't the Time or the inclination to follow the stock market.
 Is there a way I can invest wisely?"

LET
Yes. T. A. Richardson
 put you onto one of 19
 profitable mutual funds

Mutual Funds do all the work for you. Professionals in the investment business look after the details. All you have to do is choose a Mutual Fund based on the goals you want to reach. For example, here are three types of Mutual Funds:

- 1. BOND FUNDS** — These offer primarily income.
- 2. BALANCED FUNDS** — These offer primarily capital growth with limited income.
- 3. GROWTH FUNDS** — These primarily invest in above average equity return.

Mutual Funds are for all types of investors. As little as \$20 a month can be invested in a Capital Accumulation Plan for such things as your children's education and your own retirement. Lump sums in any amount over \$500 can also be invested in Mutual Funds. No capital gains tax is levied against Mutual Funds in Canada and they are given a 20% dividend tax credit. Of course, the Fund is under constant professional supervision so that you have no concern over when to buy and sell. Those are only a few of the benefits of Mutual Funds. For more complete information, get in touch with the T. A. Richardson Mutual Fund Department. Phone or just mail the coupon below.

will be affected by these changes in the **Ontario Highway Traffic Act**

Turn Signals: Four-way flashers may be used to indicate a disabled vehicle or emergency situation. Turn signals must not be used for this purpose and should be used only when the motorist intends to turn, change lanes or move from a parked position. Effective September 1, 1968.

Flashing Green Signal Lights permit exclusive left turns as well as permitting traffic to turn right or proceed straight through while conflicting traffic at the intersection is stopped. Effective September 1, 1968.

Pedestrians must not cross the street on a flashing green traffic light except where pedestrian "Walk" signals are displayed. Then they should obey signals. Effective September 1, 1968.

Riding in House or Boat Trailers is prohibited. Effective September 1, 1968.

Walking on Highways with speed limits of 50 mph or higher may be prohibited by municipal by-laws. Effective immediately.

Attaching Oneself to a Moving Vehicle is prohibited. Effective September 1, 1968.

Licence Suspension up to 30 days for speeding 30 mph or more over the limit is now at the discretion of the convicting magistrate. Effective immediately.

A Resident of Another Province of Canada who drives in Ontario must have a valid driver's licence issued by his province. Such driver must obtain an Ontario licence upon becoming an Ontario resident and surrender his current driver's licence issued by such other province. Effective immediately.

Used Motor Vehicles: Private Sales: Unless the new owner of a used motor vehicle can produce a certificate of mechanical fitness to the Ontario Department of Transport (notice of a sale or transfer must be given within six days) he must surrender the plates and an Unfit Vehicle Permit will be issued. After the vehicle has been made fit, plates can be obtained by producing a certificate of mechanical fitness. Effective November 1, 1968.

A dealer must now surrender the licence plates of a used motor vehicle to the Department at the time of the sale unless he is able to give the buyer a certificate of mechanical fitness or unless he is selling to another dealer.

Farm Tractors, self-propelled farm implements and any vehicle being pulled by either of them must carry a "Slow moving vehicle" sign of a specified design when operating on the highway. Effective September 1, 1968.

Wider Vehicles and Loads: The permissible width limit of 96" has been increased to 102". Effective immediately.

Motorcycle Helmets that meet specified standards must be worn by operators and passengers. Effective September 1, 1968.

Certain Municipalities may Exempt Themselves by Law from School Bus Regulation requiring operators to flash red signal lights when stopped to pick up or discharge passengers where the speed limit is over 35 mph (Metropolitan Toronto and satellites, Metropolitan Ottawa and satellites, London, Windsor and Hamilton).

In municipalities that pass such a by-law, school buses will not flash red signal lights and other traffic will not be required to stop. Effective immediately.

Motorized Snow Vehicles will be regulated by special legislation.
