### THE EDITOR'S COLUMN

The Christmas Season is fast approaching. A sure sign of the season is the extensive decorations that are prevalent about town. From the store windows, to the lights decorating the front yards of many homes to the old woman who lives in a shoe, brings us to the realization that there are not many shopping days left until Christmas.

A quick tour of the local stores indicates that each of the shopkeepers is well stocked with plenty of choice for your Christmas shopping needs. With the streets completed we are sure that the Christmas stocks will be sold quickly, so do your shopping early to avoid last minute disappointments.

Another sure sign of the season is the completion of the Municipal elections. We offer our congratulations to the winners in the recent elections and we wish them the foresight and understanding that will be required to guide them in their decisions during their term of office. The period upcoming in our local history is of utmost importance to the development of our community. The decisions made over the next two to three years will have a dramatic effect on the lives of those who currently live in the community and for those who will be moving to this area with the developments that are now occurring. The decisions made and the analysis before they are inaugurated. The responsibilities are great.

To those men who were defeated in the current election may we say that your ideas and opinions are still necessary in the governing of the municipality. We encourage you to take an active interest in the decisions that are made and to voice your opinions on the matters that will affect the community. Government in the community is by the people and demands an active participation by everyone who makes their residence in the village.

A third thing which makes the arrival of the Christmas season official is the Annual Town New Year's Banquet. This event takes place on Saturday the 14th of December. Not only does it provide everyone with an equal chance to win a plump turkey for Christmas dinner but it provides funds for the continuation of the work that the Lions Club supplies in the community. This work is necessary and requires everyone's support.
