CHRISTMAS DAY SERVICE

"PEACE ON EARTH"

TRUMPETS: Mr. Bob Lenos and Mr. John Admiral

EVERYONE CORDIALLY INVITED TO ATTEND

THE EDITOR'S COLUMN

The school children this year will enjoy one of the longest Christmas vacations possible. Extra care and caution must be exercised both by the children and automobile drivers during the holiday break. The carefree attitude of children during the festive season places more responsibility on the driver to be on the watch for children darting across streets. A second word of warning is the extra precautions taken by the local police force during the Christmas season who are on the watch for the driver who may have had one too many for the road. May we suggest that if you find yourself in such a condition to call a cab or your wife (if you dare) for the required lift home.

The untimely illness of the Premier of Quebec, Mr. Paré, has caused the cancellation of the Federal-Provincial constitutional conference. The cancellation of the conference prompted Mr. Bennett of British Columbia to release a brief to the press. The most notable item in the brief is the suggestion that Canada be divided into 5 provinces versus the current ten. The proposed provinces would be the Maritimes, Quebec, Ontario, the Prairies and British Columbia. The western provinces would incorporate the Yukon and the North West Territories. At the present time the Yukon and North West Territories are virtually undeveloped and would require a vast amount of government money to develop them properly. It is doubtful that these provinces would have the present tax base to raise the required capital to properly develop the northern part of Canada.

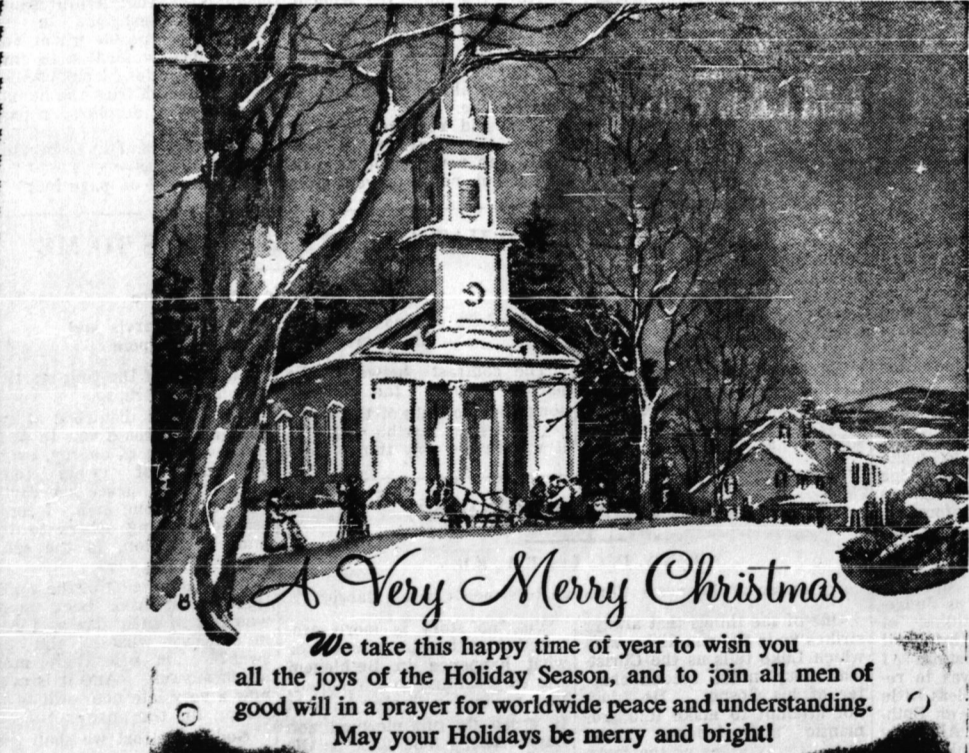

This being the Christmas issue of the Record we do want to wish everyone a very Merry Christmas and a Happy and Prosperous New Year. As we approach the Christmas season and the end of another year we tend to think back of the happenings in the year gone by. Our special thoughts are of those who faithfully subscribe to the Record and to all those who advertise in the paper. During the past year we have read that the weekly newspaper is a dying tradition. We disagree for we feel that the local newspaper serves a very useful purpose in reporting local news and events. It may not report earth shattering headlines but we do hope that it kindles a certain civic pride and enthusiasm for its readers.

Yes! Christmas is Commercialized. Yes! Postage has increased. Let us still rejoice in the Spirit of Christmas and the Birth of our Saviour. Let us feel it in our hearts to send a cheer to Christmas and shut-ins. It costs so little and means so much.

It's time again to wish our good friends all the enchantment, every excitement and wonder that the Christmas Season can bring... and to express our sincere appreciation!

DRAMA PRESENTED AT CAYUGA SCHOOL

Saturday, December 14, 1968 was drama night at Cayuga Technical & Commercial High School, with Arthur Miller's Broadway hit, "The Crucible" being offered to an enthusiastic and appreciative audience. Tom Rush, Sibilla Jacobs, Blain Parsons, Kevin Young, Reg Simser, Bev. Werner and Henriette Los turned in strong performances in the leading roles highlighting an excellent performance by the supporting cast of fourteen additional Cayuga students. The performance of this difficult play, set on Cuyuga's new theatre-in-the-round stage, was well received by the audience and crowned the efforts of the teachers and students who worked long and hard to make it an artistic success. It is hoped that this year's production of The Crucible will mark the beginning of successful annual drama at C.T.C.

A friendly welcome awaits the hungry and destitute at Salvation Army centres across the country, which provide nourishing meals and Christmas festivities to thousands of homeless men.
