

### THE EDITOR'S COLUMN

We've had a hard time this week trying to decide what to write about. Just like so many other people in our area we are wondering if there is anything to the many rumours circulating about a great industrial development in our midst. Surely none of us can be faulted for wondering. After all, a 250 Million Dollar development by Ontario Hydro, at Nanticoke, cannot help but make for some profound changes in the state of affairs.

It's hard to imagine for example, the change that will take place about a mile and a half east of the Village when the Railroad spur line goes through to Lake Erie. This is a fact. It's also a fact that the huge towers that will go through the same area carrying out the electrical output of the generating plant that is also a fact.

### FROM OUR FILES

Where we are left in doubt is the accompanying development. If any, that will come in the area. There is more than a little ground for the belief such development will follow the Hydro project. We couldn't help but be excited by a story in Tuesday's Globe and Mail, Canada's National Newspaper, which said Peace River Mining and Smelting Ltd. of Edmonton plans a \$16 million plant in Southern Ontario. The Treasurer of the Company said that negotiations for a site have been nearly completed, but its location will not be disclosed until it is definite.

Financing arrangements are well advanced, according to the spokesman, and we expect to start construction almost immediately. He said Peace River has letters from two substantial Auto Companies giving an undertaking to buy from the company when the Plant is in production. Peace River has bought Great Lakes Forest Company, Ltd. of Windsor which will build the Plant. There is no immediate intention of producing model parts, according to the spokesman.

Well, now this purported development as well as another rumored development west of No. 6 Highway, is nothing less than a cause of amazement to the natives of the area. We have seen these things advance in a sort of veiled way in other areas, but now that it is approaching home we might tend to disbelieve what we see.

There can be no question, things will drastically change in the next twenty years. We have been happy in the past. Let us hope we are happy in the future.

If we make the best of little opportunities, we find ourselves more able to accept larger ones.

### NEWS OF 25 YEARS AGO

The Jarvis Clarette Funn sends every two weeks to the 22 members of the Armed Services serving overseas. From July 1943 to January 11, 1948 a total of 56,700 cigarettes have been sent.

Local Branch of the Rev. Cross hopes to have every citizen of Jarvis join the organization. A total of \$2,920.57 was raised in 1942.

Dairy employees plan to raise money for War Charities and have a Euchre & Dance in the Jarvis Town Hall next Thursday night. John Faulkner, Earl Fess and George Koefoed will be the committee in charge.

At the Inaugural meeting of the Village Council it was agreed to take steps to collect taxes on a semi-yearly basis and this plan will be put into operation in 1944.

Mr. A. Miller of Caledonia a daughter on January 11th.

MARRIED—Miss Olive Mabel McNeilly, daughter of Mr. and Mrs. W. C. McNeilly R. R. 1, Port Dover to Mr. Samuel Roderick Toll, son of Mr. S. E. Toll Granvillhurst. The marriage was performed by Rev. M. Maxwell of St. Paul's Anglican Church, Jarvis on January 4th.

NEWS OF 45 YEARS AGO

Lasak's 4-piece orchestra of Simcoe will supply music for the 2nd Jarvis Hockey Club Dance to be held in Poasek's Hall on Tuesday evening.

Misses E. and L. McCarty, entertained a number of holiday visitors to a "Five Hundred Party on Thursday evening."

It costs money to run a hockey team so come out to see intermediate teams play at the Arena tonight—Thursday.

Misses E. and L. McCarty, entertained a number of holiday visitors to a "Five Hundred Party on Thursday evening."

### CHURCH NOTES

**KNOX CHURCH AFTERNOON GROUPS**

Mrs. Herman Fess entertained the Presbyterian Ladies Aid and W.M.S. at her home on Tuesday afternoon. Mrs. Alfred Walker, President, and Miss Helen Miller, Secretary, conducted the Ladies' Aid. New programs for both groups were distributed for the next two years.

Mrs. R. A. Miller presided for the W.M.S. with Mrs. Herman Fess as Secretary. Mrs. Lillian Miller read the scripture lesson, with Mrs. Wallace Mitchell leading in prayer and Mrs. Herman Fess reading an article on "Character." Hymns were sung and a dainty lunch served. A sale of donated articles was held and the President closed the meeting with prayer.

Mrs. Lillian Miller will be hostess for the February meeting.

**JEHOVAH'S WITNESSES THREE-DAY ASSEMBLY**

No matter where we are, where we may live on this earth, each one of us is under divine observation. Being observed by God is an uplifting thought that He is keenly interested in us and our affairs," stated Joseph Scaglione, District Supervisor for Jehovah's Witnesses, in delivering the public address to the 1,000 delegates to the annual assembly of the Ontario Secondary School Teachers' Federation heard proposals which would provide better pay for better individual teachers.

Give the Federation even greater influence over secondary school teachers by providing a program of "in-ternship" for teachers with the Provincial Education Board. Establish a program of "in-ternship" for teachers with the Provincial Education Board. Establish a program of "in-ternship" for teachers with the Provincial Education Board.

At present teachers are limited to resignation on certain dates when negotiations are in progress. The retiring general secretary of the Ontario Secondary School Teachers' Federation, Robb-attending his 22nd Annual Assembly—moved the resolution to a standing committee. The Territorial government will find itself on the fringe of the present standards. The long established idea of across-the-board increases of teachers' salaries was suggested by the federation's policy, favoring an earned but not an arbitrary increment. In other words, better pay for good teachers and, as he added later, no toleration of poor teachers.

### ON THE FARM FRONT

**Brief Notes For The Busy Farmer**

Come all dairy farmers and hear my tale. The history of a black cow for sale. She's a good looking cow with her back so straight. I bought her as a calf in '58. Her hide is so shiny and her hair is like silk. And she gives 1 rector, near a full fall of milk.

She's a nice friendly type, milks easily too. Most nine years old and still good as new. Could have sold her last year for a cattle buyer. If she'd been tested and had a good sire. A buyer had much truck with that kind of show. A good farmer a good cow will know.

Said I, to that buyer, "She's quite the best. That cow is a good one and she needs no test. You can take her or leave her. I'll not drop a dollar." For by now she's getting hot under the collar. He just shook his head and got into his car. To go on his way who knows how far.

Martha came out to the barn about the time they are seeking new levels of both professional responsibility and influence in the field of education. The 450 delegates to the Annual Assembly of the Ontario Secondary School Teachers' Federation heard proposals which would provide better pay for better individual teachers.

close many are anticipating the annual program of closing books for the year. We are usually reminded of this item of the account book for the year and in some cases for guidance where unusual problems arise.

Fertilizer dealers have been invited to participate in a program on the afternoon of December 19 at the Rural Youth Centre, Kitchener. This program will be an attempt to assist those dealing directly with farmers in providing the best possible guidance on soil fertility. The program will include discussion of soil test reports and their interpretation and all of the do's and don'ts for nitrogen, phosphorus and potash.

Advance notice has been given that the Annual Convention of the Ontario Soil and Crop Improvement Association will be the January 24th to 27th. Interested persons might make

### NOW AVAILABLE...

**Group Medical Services Insurance with OMSIP.**

From the first of January 1968, the Ontario Medical Services Insurance Plan will accept applications for Group Insurance coverage. You will find several advantages in this new provision:

**SMALL GROUPS: COLLECTOR AND EMPLOYMENT GROUPS: RATES:**

TYPE OF CONTRACT	YOU PAY
The single person	\$ 5.00 every month
The family of two	\$10.00 every month
The family of three or more	\$12.50 every month

New group coverage is available to small groups too. OMSIP will offer group insurance to small groups—minimum size 6 persons. Since other plans have many cases required a minimum of at least 20 persons to obtain group coverage the new OMSIP plan will widen the availability of medical insurance to many small groups, as well as large.

An innovation offered by OMSIP group coverage is its availability to groups with some common bond other than employment. For instance, members of a business or professional association might form a group in order to take advantage of more convenient medical insurance coverage. Employment groups, those made up of people at a common place of employment, are of course also eligible.

**Effective Dates of Coverage:**

A) If the applicant applies within 30 days of the termination of coverage by a group medical insurance plan, OMSIP coverage begins on the day following the termination of the former coverage.

B) OMSIP coverage of other group applicants becomes effective three months following the date when application is received and approved.

OMSIP helps pay your doctor's bills. OMSIP pays 90% of Ontario Medical Association schedule of fees.

**GOVERNMENT OF ONTARIO**

Hon. JOHN P. ROBERTS, Prime Minister

**VIEW**

by Wm. Whiting

The famous Christine Jorgensen, who had an operation in Denmark changing her sex from male to female in 1952, was a guest on last week's CBC's Front Page Challenge. The ex-soldier whose first name was George, became a blonde beauty.

She said she was not wedded to the name, Canadian Radio Commission as a title for the new broadcasting regulatory body proposed in the bill.

She thought the Cabinet might agree if the committee decided to do away with the 48-hour ban on political advertisements on TV and radio prior to election day.

She stood firm on the proposed \$100,000 fine for private broadcasters found guilty of breaches of the new Act. It was an indication of the government's determination to wipe out any such objection.

Miss LaMarsh said federal government views on education television probably will be placed before the committee soon. They would be the start of a long committee study.

The Secretary of State also revealed that she had been instrumental in having the CBC cancel plans to bring Alfreya von Thadden to Canada for a program.

The Bridge on the River Kwai, winner of seven Academy Awards and twenty-seven international awards, has been scheduled for re-showing this Friday night at 8:30 on CKCO-TV Kitchener.

You're right, Judy. "Rotten management" certainly describes the CBC. That's polite.

**Who thinks up new wrinkles for getting rid of old ones, in slacks and sheets and fabrics of all kinds?**

Nothing is perfect. This fact has helped Dominion Textile become a leader in the Canadian textile industry. Because it means there must be ways to improve almost every fabric. Dominion Textile is constantly searching for these ways.

New and better techniques, new and better ways of doing things, new and better fabrics. From Tex-Made, the fabric people.

And finding quite a few of them. Slacks that keep the press in and the creases out. Sheets you never have to iron.
