HALDIMAND WARDEN

COLLISTER AT THE CAPITAL

THE JARVIS RECORD

He explained that his work included safety inspection of the new Hydro project at Nanticoke and of the street construction in Jarvis. As a deputy for Haldimand—Headquarters being in Lincoin County he explained that almost every dept. of Government was involved in the emergency service for disaster both natural and national.

He emphasized Medical and He emphasized Medical and Health plans, the use of Radio and Telephone—the Training of persons to use all equipment needed if a disaster struck a particular area. particular area. The nuclear disaster had been the disaster feared when the EMO was orfeared when the EMO was originally organized. This would
largely concern the larger centers, but a plane wreck—an ovcrflowing river, an earthquake,
and many other disasters must
have trained personnel and
storage supplies—first aid stations and extra room in local
Hospitals where the injured
might be rushed He stressed
