

THE EDITOR'S COLUMN

Perhaps the most significant development of change as we start out in 1968 is the change in management of our elementary school system. We are not sure how many boards directed Elementary school affairs in 1967, but we do know that this year one Board of 29 elected representatives will form the Halldimand County Public School Board and they are presently hard at work trying to become an effective Board of management. Jarvis is represented on this Board by James Doughty, the former chairman of the Jarvis Public School Board. Walpole is represented by Donald W. Duxbury, a former chairman and member of the Jarvis Board.

Halldimand County is a forerunner in the change of supervision in Elementary school management. Most counties will not achieve this until one year hence. Indeed, one year hence, indeed, one year will most likely direct the elementary and secondary education, and to mand County, by attacking the elementary field this year will gain considerable wisdom for the larger task when it comes about the present element-

FROM OUR FILES

NEWS OF 25 YEARS AGO R. M. Dennis, Reeve of Watpole Township, was named Warden of the County of Halldimand on Tuesday, Jan. 18, 1943. Canadian Chaplain Service overseas has been transferred to the 48th Highlanders. Continuous snowfall accompanied by high winds completely tied up travel on many roads with drifts on some of the side roads six and seven feet deep. An aid to Russia Fund is underway in Jarvis under the chairmanship of J. E. Maxwell. Letters from overseas were received at the office this morning from S. B. East, Tom Harris, Gordon Blight and Malcolm Peacock. Born at Dunnville on January 17th to Mr. and Mrs. Stanley Mitchell, of Dunnville a son.

NEWS OF 45 YEARS AGO Remember the ice Carnival to be held on Wednesday night in the Arena. Band attendance. Messrs. Thompson and Ison have opened up a painting and wood-working shop in Portersville on Main Street. If you require anything in the line of wagon boxes, hog racks or flat hay racks it will pay you to give them a call. A meeting of much importance to Jarvis and surrounding district will be held next Monday at 7:30 p.m. at the new building on Main Street. It is proposed to build an up-to-date creamery and cold storage plant as soon as possible in our Village. It is understood that P. W. Arneson, the promoter of the project, is already leasing a suitable building. BIRTH-In the Township of Jarvis, on Thursday, Jan. 18, 1923, to Mr. and Mrs. Leo Mullins a daughter, Annie Marie.

ROBERT ANDERSON, Chairman ROSS GEE, Sec. Treas. CAYUGA DETACHMENT O.P.P. WEEKLY REPORT Fifteen property damage accidents were investigated by the Cayuga Detachment during the week of January 7-13, 1968. A patrol of 3,055 officers issued 10 warnings, 19 minor complaints and 3 breaches of the Highway Traffic Act charges and 1 Liquor Control Act charges. Officers investigated 3 thefts, 3 break-ins, 3 minor complaints and rendered 3 requests for assistance. In Magistrate's Court, Cayuga, on Thursday, January 11, 1968, 23 convictions were registered for this detachment. An auto stolen from Dunnville, Ontario on January 8, 1968 was recovered by Const. R. O. Hofrichter on January 9, 1968 in Walpole Township. In the interest of public safety, Const. C. W. Noble, Traffic Safety Officer, visited 33 of Halldimand County's Elementary Schools and gave 10 lectures to 326 pupils. This concludes the 400-year old of the Federation of Ontario Naturalists reports. In 1966 a bristle cone pine tree growing at 10,000 feet elevation in the White mountains range along the California Nevada border was discovered to be 4000 years old. The Federation of Ontario Naturalists reports.

HALDIMAND HOLSTEIN BREEDER'S BANQUET The Annual Banquet of the Halldimand Holstein Breeders was held at the White Day, guests were catered by the Mr. Oliver Ladies Institute. Dinner menu consisted of a roast beef, potatoes, carrots, peas, cranberry sauce, and a delicious dessert. The evening was presided over by Harold Bradford, M.P. A memorial flower piece, from Mrs. Janet Moore, in memory of her late husband, Gordon, was much admired. Head table guests introduced: Hon. J. N. Allan and Mrs. Al Warden and Mrs. Ted Montague, Dairy Princess Sharon McMoran, Mr. and Mrs. J. Snyder, Mr. and Mrs. Russell Smith and Mr. Arthur Cowie and Mrs. Robert Anderson were awarded the 1968 President's Certificate. The evening was presided over by Harold Bradford, M.P. and later called off at the piano of a piece orchestra. Robert Hall of the Halldimand Advocate, Cayuga, was the photographer for the evening.

WONDERFUL WORLD OF GOLF CBC TV SUNDAY AFTERNOONS COLOR The need for better co-ordination is obvious in the federal government tries to use its budget for regulating the steady level of growth and keeping prices under control. But the growth of provincial provinces together now do more spending, borrowing and responsibility than do the federal government. That means that the provinces can and sometimes do frustrate the federal efforts. The provinces that Ottawa complain that Ottawa can't do anything about it. The Joint Budget Commission is a joint program as a measure. Next time you're talking "from the shoulder" try a bit higher up.

SUCCESSFUL MUSIC PUPILS Following is a list of successful candidates in the music examinations recently held by the Halldimand County Conservatory of Music of Toronto, in Simcoe: Pupils of Mrs. Margaret Milling Jarvis: Grade II Theory-First class honours, Linda Church and Becky Snowden; Honours-Musical Service and Deborah Williams; Pass, Edward Gowan. John Linklater, pupil of Mrs. Mary Pond Simcoe, was also successful in passing his Grade II Theory.

On the Farm Front At the recent Crop Improvement Meeting, Dr. Jack Tanner of the Crop Science Department, O.A.C., in a quiet, factual, persuasive but almost apologetic manner showed how corn and soybeans would be the best crops remaining in the near future. Starting off with now commonplaces changes like satellite mow landings, heart train, etc. Dr. Tanner reasoned that such dramatic changes could be just as acceptable in agriculture. All farmers of the county should have been on hand to hear that the dairy cow would become a scavenger, using waste that cannot be transformed into human food, how the presently grown crops including alfalfa, but especially those like alfalfa, will give way to corn and soybeans. Just like the corn crop, soybeans will be grown according to a recipe, the ingredients of which are already known.

SCHOOL BELL MISSING It is with a great deal of concern that Halldimand County Museum Board reports the loss of the bell from the Wilson School. The custodian, Mr. and Mrs. Harold Nite and the Rev. Earl Sider, reported it missing sometime during the last two weeks. Tracks through the snow revealed that a person of 200 lbs. had removed it only recently. Provincial Constable Q. J. Boone of the Cayuga Detachment is conducting the investigation and it is known that this is an offence to remove any of a nature from a public building. The Museum Board are asking for any information of a person who might have seen or in any way assist the police in their investigation. The Bell is a historical relic of the Board. It can also be used as a historical relic. It is a historical relic of the Board. It is a historical relic of the Board.

RAISING CHINCHILLAS! Because Chinchilla fur is the softest in the world the demand for good quality pelts is far greater than the supply added income - second income families produce most of the pelts sold on today's market in their spare hours. You too can share in the millions of dollars being earned by these people throughout North America. Investment - Most Chinchilla breeders began in the basement of their homes or in their garage. Chinchillas are among the cleanest of animals, odor free, quiet and gentle. Investment - In our opinion, the Chinchilla business is one of the easiest, and least costly in which to get started. If you are seeking security, happiness, success and are fond of animals and are interested in making up to \$2,000.00 per year in your spare time; then as little as \$1,000.00 invested will completely equip you to start raising money-making Chinchillas. Care and feeding - Chinchillas are vegetarians, inexpensive to feed and require very little attention. Chinchillas generally average two litters per year, two animals per litter. Profit returns - with first quality pelts valued from \$20.00 to \$60.00 and dealing with one of Canada's largest Chinchilla ranchers (who began in his own basement) will help guarantee your success. quality Chinchillas are assured - P and R Chinchilla Ranches are associated with five progressive ranches across Ontario who raise some 3,000 Chinchillas. A total of 50 years experience raising Chinchillas assures you quality Chinchillas backed by experienced and knowledgeable ranchers. All our stock is fully guaranteed - against loss for 1 year and guaranteed to reproduce within the first year. Ranches in Sarnia, London, Kitchener, Hamilton, Toronto and Echo Bay.
