THE EDITOR'S lieve that we have finally arrived at a base for the next new development -- and it is

ith the prospect of a com-ity celebration ahead of us friday evening of this week so in prospect of a Nation-ie Postal strike a day or before—it is hard to knew at to say from this corner der these circumstances.

should no longer be considered a proposition, but, rather a development, that is bound to change the whole face of the Jarvis area.

Let's first celebrate the Water, Sewage and Street and Hydro development with gratitying hearts and then lend our minds to the problems that will relate to the further development of our community. Our community is not just the established borderlines of Jarvisided it goes much further development and increase of accident tigated included 5 theft during the week of July 7.18
