

THE EDITOR'S COLUMN

The Fifteenth Annual Jarvis Lions Club Minstrel Show is history now and for the records it was one of the best productions to date.

The announcement by Robert Winters to enter the Liberal Leadership race has made us wonder where it is all going to end.

The Ottawa crisis has not helped the aspirations of several of the candidates. The adverse publicity that they have received has hampered their chances of winning the leadership race.

The local community Chest organization will be soliciting funds in the very near future to support those who are less fortunate than ourselves.

We were discouraged to hear that Duffern Construction has laid off some of their men during the past week.

We trust that the construction firm will settle the problem of the erection of new poles and lines.

We are glad to hear that the Jarvis Lions Club is planning to have a fund-raising dinner at the Jarvis Community Hall.

How much the show is appreciated. We trust that the Lions will not be discouraged with the problems that they must encounter each year in thinking of new jokes and songs that continue on indefinitely in presenting a fine show that is enjoyed by not only the local community but by persons who travel quite a distance to see it year after year.
