

THE EDITOR'S COLUMN

The events of this week are significant in the future of the Township of Walpole. The announcement that The Steel Cansumy of Canada is taking over more than 7,000 acres of land for the building of a heavy industry complex within the confines of the Township is hard to conceive for those residents who have, for many decades, carried on the agricultural complex of this area. No one need despair. If the project proceeds it will mean many new job opportunities in the area. This, in turn, will mean many new housing projects, an urban in retail, sales, and indeed, a complete revolution in our manner of living.

ST. PAUL'S PARISH HALL EXTENSION UNDER WAY

(Continued from page one) to the point where operations could be safely started. When completed the work will be a distinct contribution to the improved state of the Village of Jarvis and will have many practical uses. A greatly enlarged parking lot will be available on the east side of the Church and Hall. The Church Hall is the original St. Paul's Church, running north and south, built before 1860. The new Church was added on to the old in 1897. It was properly oriented to run east and west with the altar in the traditional east end. No structural alterations have taken place since 1897 until now.

It's all right to vote for the best man, but chances are you are not running.

March 13th Birthday Wishes from Schmitz House, TV 11, and Big Al TV 13 included Penny Ann McKenzie who spent Saturday afternoon having her 5th Birthday Party with playmates Brenda and Patty Field, Gail Mitchell, Tony Haaksma and Jeffrey McKenzie.
