Style is the word for it. You may not improve your game in an Arrow Viva Sport shirt but you'll certainly improve your appearance. Viva is a very unordinary sport shirt that

is calculated to catch second, third and fourth

Colours are very mature. Tailored in Tericota Perma-Iron, stays freshly ironed *forever*. The sleeves are tapered, just right. Viva puts an end to ordinary sport shirts . . . It's the shirt for the dominant man. **- \$6.00 -**

for bigger corn yields

For maximum yields, your corn requires Supplemental Nitrogen — that is fertilizer nitrogen applied direct to the soil in addition to that supplied by your mixed fertilizer. CO-OP Aqua Ammonia 20% Nitrogen gets to the "root" of your corn fertilization problem. Injected below the soil surface, it goes to work quickly and safely in all weather conditions. Your crops receive an immediate "shot-in-the-arm" that ensures higher yields and greater profits. You don't have to invest in time or equipment, your Cooperative will handle the complete operation for you!
