### For a big headstart on your next year's crop, plowdown this fall with C-I-L Fertilizers

 For high-yield crops of corn or processing vegetables in 1969,  
 plowdown this fall with the right C-I-L Fertilizers.

**Recommendations**  
 Fall Materials Fertilizer Plan - On all types of soils, use C-I-L Muriate  
 of Potash, 200 to 250 lbs. per acre. If crop refuse is present, add 200 lbs.  
 of ammonium nitrate to aid decomposition.  
 Compound Fertilizer Plan - On medium to heavy soil, 2: on any soil with  
 crop refuse such as corn stalks or straw, use C-I-L 15-15-15, 400 lbs. per  
 acre. When breaking up a legume meadow, use C-I-L 0-20-20, 400 lbs.  
 per acre.

**C-I-L SPREADING SERVICES, TECHNICAL SERVICE**  
 Call your local C-I-L Dealer for complete spreading services - truck  
 spreaders, pull-type spreaders or broadcasters.  
 For assistance with special soil problems, ask your Dealer to contact a  
 C-I-L Technical Service Representative.

### THE EDITOR'S COLUMN

We couldn't resist looking  
 for that second game win to  
 give Jarvis the Southern Ontario  
 Intermediate "A" championship  
 at Peterborough last Satur-  
 day night. Consequently we  
 were on hand to look at the  
 performance of the Jarvis Club  
 and to reveal once again at the  
 strong fan support that the  
 Johnny Edwards and the Jarvis  
 team no matter where they may  
 be playing throughout the Pro-  
 vince.

That fan support wasn't lack-  
 ing last Saturday night at Pe-  
 terborough and we'd have to say  
 it was most vocal. The team,  
 of course, came through with  
 the win to give them the Sou-  
 thern Ontario Championship  
 as was expected.

Speaking of the team we  
 have been saying things about  
 them for many years in this col-  
 umn. They have won almost  
 everything in years past but  
 never more positively than in  
 this year 1968. Johnny Ed-  
 wards must be getting older,  
 although he doesn't appear to  
 be, and yet he is doing the finest  
 job in 1968 that he has ever  
 done in his career. It is grati-  
 fying to see that the team he  
 has behind him is without  
 doubt the strongest he has ever  
 had since he appeared in a  
 Jarvis uniform many years ago.

This is all the more gratify-  
 ing when it is realized that  
 much of that strength comes  
 from local players that have  
 recently been developed through  
 the ball spirit he has gener-  
 ated in our community.

 Above all the team is fortun-  
 ate to have a manager like Jack  
 Martin who over the years has  
 devoted himself wholeheartedly  
 to all those things that have  
 to be done to keep a ball team  
 together and working co-operatively.

 Next week-end we will have  
 the opportunity of watching  
 the finals in the Intermediate  
 "A" Softball Championship  
 Play-off for the Province of On-  
 tario. We should be proud to  
 have one of the challenging  
 teams originate in this small  
 Village of Jarvis, Ontario.
