Hamilton Pyetts of the two-week holiday, was in two-to-nothing in the third. Big-Four jumped on Johnny trouble right from the Savelli opened the fourth inning with a home run and runs in three and two-thirds innings on Sat. night enroute to a seven to three victory over the Jarvis Merchants. Edwards, back after a by Marvite made it commanding five-run lead.

John Nie then came in to pitch for the Merchants and gave up only two hits and one run the rest of the way.

Jarvis scored two runs in the fifth on singles by Joe Clark and Harry Reekie sandwiched around a triple by Ken Graham. Graham also hit a home run in the ninth for the third Jarvis run.

The Merchants actually out-hit Pyetts as they collected 11 safe ties off winning pitcher Ed Swiss.

Ken Graham added a pair of singles to his triple and home run to lead the Jarvis attack.

Harry Reekie and Gordie Fearman had two each and Joe Clark, Fred McKeen, Ted Phibbs and Laird More added singletons.

Marvite went four-for-four for the winners, including a triple and three singles. Savelli's home run and singles by Heslop, Bailey, Ferroni, Burns and Giavedoni rounded out their offense.

On Sun. afternoon the Merchants went to Port Stanley for an exhibition

game and came away with a two to nothing victory in a well played ball game.

The only scoring of the game came in the top of the seventh.

With one out Hub Fehrman drew a walk and went to third on a single by Fred McKeen. McKeen then stole second and both runners scored on a base hit by Ted Phibbs.

The game was a real battle between John Edwards and Pete Virag.

Edwards gave up only two base hits and faced only 29 batters. He struck out two.

Virag pitched almost as well, giving up only five singles while fanning eight and walking two.

Fred McKeen had two hits for Jarvis with Ken Graham, Gord Fearman and Ted Phibbs getting the others.

Dave and Mike Bell got the two Port Stanley hits.

This weekend the Merchants will be participating in the annual fastball tournament at the Cayuga Longhouse on the Six Nations Indian Reserve.

Whoever you are...

Frances likes to travel. She'll be protected by OHSIP against the cost of health care she may need outside Ontario, at OHSIP rates. If she decides to reside in another province, her OHSIP coverage will be "portable". She'll remain insured for up to 4 months.

Bill is employed by a big company. After October 1st, his employer—and every employer of 15 or more employees—must join OHSIP, and every employee must belong. Bill's employer will collect and remit the premiums. Apart from this Mandatory Group requirement, OHSIP is voluntary.

Sally and John are expecting another baby in February. Sally will be able to choose her own doctor, and he'll be free to accept her as his patient. He will advise John in advance if he intends to charge more than OHSIP coverage provides. OHSIP will pay at the rate of 90 percent of Ontario Medical Association Schedule of Fees (1969)—most doctors accept this as full payment. The cost of Sally's hospital room will be paid for by their Ontario Hospital Insurance.

Mario works for a small firm, but he'll be covered by OHSIP just like Bill. Any employer who employs more than 5 but fewer than 15 people may apply for Group coverage for his employees. Mario's boss plans to form such a Group.

as of Oct. 1st. OHSIP can take care of you

ONTARIO HEALTH SERVICES INSURANCE PLAN

OHSIP is the new, standard, comprehensive plan of health insurance protection and benefits in which every resident of Ontario is entitled to participate—regardless of age, state of health or financial means—through the Government or a designated agent.

After October 1st, many private insurers will become "designated agents". Each will provide the standard OHSIP contract on a non-profit basis, at the premium rates set by the Ontario Government for OHSIP services. If you wish other services from your agent, you can arrange for them through a separate contract.

Meanwhile, if you are now enrolled in OMSIP—the existing Government plan—or in a private plan, your coverage will continue without interruption provided you continue your enrollment.

OHSIP will be the health care you can count on—from the Ontario Department of Health.

If you haven't any health insurance, you may enroll now for October 1st coverage by writing to OHSIP, 2195 Yonge Street, Toronto 7.
