Sandusk News

A lovely afternoon was spent at Backus Mill near Port Rowan on Aug. 6, 1969, when the Sandusk Women's Institute held their Grandmothers' meeting. We opened with the Ode, the Institute Creed and The Lord's Prayer.

A poem, "The Magic of a Friend," was read. The minutes of the July meeting were read and plans were made to invite a neighbouring Institute to our Sept. meeting. The roll call proved interesting when the members answered by telling of their oldest treasure and its history.

Mrs. Merrill Nie gave a good article on "characters, like embroidery, are made stitch by stitch." The topic, "memory is a wonderful treasure chest," was ably given by Mrs. Mulkins. She also gave us the history of the log cabin and museum at Cayuga. Mrs. Bray gave the history of Backus Mills and the museum.

After singing The Queen, we toured the four-story mill and the museum. It was an extremely enjoyable afternoon.
