HOMEWORK?

A pharmacist always has "homework". Keeping up with today's pharmacy journals, information on the newest drug discoveries, even keeping the mind polished by reading outside his field, is the mark of a man who is "on his toes". You can always depend on your Rexall pharmacist, a professional man as up-to-date as your doctor.

## Merchants Close In On Dundas

The Jarvis Merchants and an error on Ken Nie went five innings for the sixth inning when Lyn closed to within half a game of league-leading Dundas on Saturday night as they downed Fisherville Lions 7-5 in Jarvis.

This was the sixth straight victory for the Merchants and leaves them with a 7-2 record. Dundas is 8-2 in the won-lost column.

On Saturday night Fisherville jumped on John Nie for three runs in the first inning and two more in the fourth for a 5-2 lead.

The Merchants got one in the second on a home run by Gord Fearman and another in the third on a walk to Nie, a single by Dennis Craddock

**BIRTHS**

BARKER - Charlie and Linda of Fisherville R.R. 1 are pleased to announce the

birth of their son Bradley William on June 29 at West Haldimand Hospital, a brother for Tommie, Danny and Jeffrey.

They added an insurance run in the eighth on a double by Smith and a base hit by More.

Jarvis pulled ahead in the fifth inning when they scored three runs. Bill Prince led off the inning with a home run and after Hub Fehrman singled, Gord Fearman doubled. However, the ball eluded the centre fielder and both runners scored.

Fulsom started for Clark and Hub Fehrman Fisherville and lasted until added one each.

Chevrolet  
Pacesetter Values

This year's cars at less than last year's prices.

You already know where most prices are going. Up. So you'd naturally expect the brand-new '69 cars shown here to cost a lot more than last year. Fact is, many cars in this year's line-up from Chevrolet cost less, much less, than last year's models. For instance, the 2-door Impala, equipped with power disc brakes, Turbo Hydra-matic transmission, whitewalls, wheel covers and head restraints, plus a bigger motor than last year, is yours for \$120.50\* less than last year's figure. And comparable savings are waiting for you on many Nova, Chevelle and Camaro models. In other words, you can buy many of this year's cars at less than last year's prices. Which is what putting you first is all about. From the top, Chevy Nova, Chevelle Malibu, Camaro and Impala.

Every Chevrolet has to make it before we mark it.

\*Based on manufacturer's suggested maximum retail prices, including federal sales and excise tax and suggested dealer delivery and handling charges.
