

Merchants Take League Lead

The Jarvis Merchants took over first place in the Tri-County Senior Fastball League this week with victories over Binbrook and McCoy's.

The pair of victories, coupled with Dundas' 4-3 loss to Fisherville Lions, left the Merchants with a half-game lead over the Dundas Merchants.

On Thursday night in Binbrook, Jarvis spotted the Star Cleaners a 3-0 first inning lead but was in a score five times in the fifth inning on a walk and five consecutive hits. All these came with two men out.

They added single runs in

the third, seventh and eighth innings to win 7-3.

Johnny Edwards went all set McCoy's down on six the way for the Merchants singles. He struck out 14 and gave up only three hits, batters and walked only one.

they host the second place Dundas Merchants at 8:30 p.m.

This game will have a big bearing on who finishes in first place this year and Dundas will be going all out to regain a share of the top spot this weekend.

It promises to be the best game of the year with Johnny Edwards probably going against Roy Laufman. Don't Miss it.

Raise Milk Price
The Ontario Milk Marketing Board has increased the producer price of industrial milk to \$3.60 per hundred-weight.

The Board had attempted to bring such an increase into effect on May 1 but an appeal to the Milk Commission of Ontario by the Ontario Dairy Processors' Council resulted in the Board receiving instructions not to increase the price on that particular date because of a number of uncertainties in the market.

The Board believes that these uncertainties now have been either eliminated or resolved. It now, has filed a regulation which will increase the price of industrial milk shipped from July 1 by 6 cents a hundred weight.

The Board has received notice that the Ontario Dairy Processors' Council intends to again appeal the Board's decision to the Milk Commission of Ontario.

Two Porsches will be in the line-up for the Six Hours of Endurance for the Manufacturers World Championship at Watkins Glen, N.Y. on July 12.

From Ontario, driving a Porsche 906 is Rainer Brezinka of Toronto with co-driver Horst Petermann of Weston. A pair from Verdun, Quebec, Jacques Duval and George Nicholas will be at the wheel of a Porsche 911 T.

They join a star-studded field which includes factory Porsches, one to be driven by Joe Siffert of Switzerland and Brian Redman of England. Matta of France have two cars entered with first drivers named, Johnny Servoz-Gavin and Jean Guichet both of France. J.W. Automotive, whose Ford recently won Le Mans, have Mirage Fords for Jackie Oliver of England while the second Mirage will be in the hands of Britain's David Hobbs and Mike

Enters Festival
Terry Feeney of Jarvis has entered the 16th annual Canadian Music Festival being held at the Royal York Hotel, Toronto, July 16th to 19th.

Fifteen hundred musicians, armed with guitars and accordians, will compete for more than \$10,000 in prizes and trophies.

Besides competitions, the music students have a full schedule of fun ahead of them during the four-day music festival.

Competitions are scheduled between 8:30 a.m. and 9:30 p.m., with breaks in between for tours of the Toronto area.

Ross K. Leaver, founder and president of the Canadian Music Festival said, "the whole aim of the four-day festival was to let students who study music have fun." This is why the CML Music Festival is so successful.

The students ranging in age from 8 years and up will be well looked after by a staff of 80, including a staff nurse. "We haven't lost any students yet," Mr. Leaver said. "Many of our staff have been with the Music Festival for the past 16 years."

The Board recommends that this study should be conducted by an informed person who is independent of, but who would consult with onion producers and the Union Board, members of the trade, retailers and consumers. In addition, he should have access to the research facilities and the assistance of the staff of the Farm Economics and Statistics Branch, Ontario Department of Agriculture and Food.

In making the above recommendations, the Board believes that the best interests of the onion industry will be served in the light of the marketing experience of the board and the opinion of producers as expressed in the recent poll; an expression which indicates insufficient support of the marketing regulation, but which nevertheless manifests by a 58.5% majority, the belief of many producers in the need for an organization to represent them in the promotion of this commodity.

THURSDAY, July 10, 1969
Hailwood. Another interesting entry is a Porsche 906 for Dick Smothers and Fred Baker.

The Six Hours starts at noon on Saturday July 12 and is followed on Sunday, July 13 by the third round of the Canadian-American Challenge series for the J-Wax Trophy.

Only Canadian named for the Can-Am to date is John Cordts of Port Credit in a McLaren Mk 6 B. Cordts, in an older than average car has already placed very well in the first two rounds, finishing fourth at Mosport and fifth at St. Jovite. His overall standing is 4th, with 18 points. Ahead of him are Bruce McLaren and Denis Hulme each with 35 points, the New Zealanders sharing the wins to date. Chuck Parsons of the USA is in third overall with 20 points. These three, plus John Surtees of England in a Chaparral-tuned McLaren, Dan Gurney of Santa Ana, Calif. in a McLaren-Ford and John Cannon ex-Toronto and Montreal is in a similar car. Parsons and Ronnie Bucknum will drive Lolas.

New excitement is added to the Can-Am series with the entry of New Zealander Chris Amon in an all-new 6.2 litre Ferrari 612. This will be the first serious challenge to the McLarens from the Italian factory.

Three Porsches in the group 6 prototype category have also entered for the Can-Am. The drivers for the 903 Spyders are not yet named, but this is the first time Porsches have put any serious thought to the almost one million dollars riding on this series.

Plan Vetoed
(Continued from page 1)

(b) - Alternative marketing, distribution and pricing systems which might be developed to maintain Ontario producers in an economically competitive position.

(c) - The long range potential for the expansion of the industry through positive merchandising and selling techniques - especially with reference to encouraging increased consumer demand in Ontario and the total domestic market.
