

Deep Concern Over Capital Cost Allowances

MONTREAL. — Deep concern has been expressed over the federal government's decision in last night's budget to defer capital cost allowances on commercial buildings in British Columbia, Alberta and Ontario.

Lionel P. Kent, chairman of the executive council of The Canadian Chamber of Commerce, has termed this measure wrong in concept, bad in precedent and a probable future cause of administrative problems.

"It is bad policy to penalize the successful in the mistaken belief that this will assist the less successful," said Mr. Kent.

"What is required is bold and imaginative policies to make these latter industries more successful and to permit the successful enterprises to go on to even greater job-creating activities."

The chamber spokesman said his organization year within the original questioned the concept of this deferral proposal.

"The fact that in this day

of escalation, government expenditures have now remained stable for a period of almost a year is also gratifying," he said.

Mr. Kent said his organization noted with interest the acceleration of the Kennedy Tariff Round designed to stem inflation and render the lot of the consumer a more happy one.

"The chamber points out, however, that this can produce severe problems for the industries affected and recommends that these industries be consulted with respect to the implementation," he said.

Mr. Kent welcomed the government's statement that the assumption of the increase in prices of four percent is still not acceptable, adding that nor was it so to the Canadian public.

"We are pleased with Mr. Benson's remark that the government really means

business in the fight against inflation and that there seems to be an acceptance of recent date by the government of the constructive proposals put forward by the business community as exemplified by The Canadian Chamber," he said.

"The resources of our organization stand ready to assist the minister in this

BAC Meeting in Selkirk

The Haldimand Deanery of the Brotherhood of Anglican Churches held their Semi-Annual Dinner Meeting on Tuesday, June 3.

Kenneth Bartlett, President of the Haldimand Deanery, acted as Chairman for the meeting held in the Selkirk Town Hall.

St. John's Anglican Church, Cheapside, Ladies catered to the banquet which was thoroughly enjoyed by the 90 persons present.

Following the dinner Archdeacon Hill brought greetings from Bishop Bagnall of the Niagara Diocese.

Mr. Henry, the Chief Guide of the Nanticoke Generating Station, was the guest speaker for the evening.

He gave a very interesting and enlightening address on the construction of the station and augmented his talk by showing slides taken at the site.

An invitation to hold the fall meeting was extended to Caledonia by Mrs. Wm. Baledon.

Rev. Kenneth Brunton of Jarvis gave the Benediction.

"Recreation Tips"

It would be hard to find a marina anywhere in Ontario at this time of year where there was not at least one man working on his boat. And what better time to work on your boat than after a winter out of the water with the hull well dried out and conditions ideal for repairing and painting.

The Ontario Safety League claims this could be the most important effort you could make for safety over the whole boating season. A hull that is in good, sea-worthy condition provides safe, carefree boating for the whole family, while a leaking boat is not only a nuisance over the summer but a hazard as well. So this is the sensible time of year to check your hull and make sure it is right before launching.

The Ontario Safety League also advises a thorough check of safety equipment before launching your boat for the season. This includes mooring and anchor lines, fenders, fire extinguishers and lifejackets. If any one of these items lets you down when they are needed, it could mean anything from damage to your boat to human tragedy. So make sure of all safety equipment at the beginning of the season and keep the pleasure in boating and the hazards out.

yet in support of progress are automatically against it. With One Farm Organization across Canada that will benefit all farmers, who can stand back and wait.

Johnny Edwards fired a beautiful one-hitter and his mates pounded out 11 hits as the Jarvis Merchants defeated Waxman of the Big Four 7-0 on Sunday night.

The only hit the Scrappers got was a scratch single down the third base line by Young with two out in the eighth inning.

The game was scoreless until the fifth inning when Ted Phibbs blasted one for a home run to left field. The Merchants added two more in the sixth on back-to-back triples by Edwards and Gord Fearman and a sacrifice fly by Dennis Craddock.

It is with regret that we in the Farmers' Union of Ontario, must campaign against GFO. The conditions of GFO setup and its government control, make this campaign necessary. I feel that many farmers support us in their hearts, "if not in their pocketbooks," and I have faith that these farmers will vote for the Farmers' Union at the polls, voting NO to GFO. The vote is designed to weaken the Farmers' Union up until now, it has only strengthened it. If the confusion of GFO ballot should result in farmers supporting GFO, our work in the Union will be a little harder and take a little longer, but we will still be there.

Edwards Fires One - Hitter

Balmoral L. A.

The monthly meeting of the Community Baptist Ladies Auxiliary was held at the home of Mrs. Gerald Hoover with 14 members present. Plaques were painted for C.S.C. work.

The president, Mrs. G. Hoover welcomed all. After the hymn and roll call, a letter was read from the White Oaks Village. Plans were made to visit the school in the near future.

Mrs. Wheeler and Mrs. Ed. Gibbons led in prayer and Mrs. Topping of Waterford led the devotional period. Mrs. Topping also displayed samples and patterns of prizes to be given by christian service centre vacation school

work. These will be made by the ladies auxiliary at their next meeting.

Lunch was served by Mrs. L. Peterson and Mrs. E. Pitt.

Wedding

SMELSER — PORTER
A quiet wedding of local interest was solemnized in the Wesley United Church altar, June 7 at 3:30 p.m.

The Rev. Harold G. Wells officiated and the contracting parties were Florence Porter and Allen Smelser.

The bride who was a native of Yorkshire has resided in Jarvis for approximately fifty years. The groom, has spent most of his adult years in Selkirk, India. Sandra Mitchell will where he was an employee of the Dominion Natural Gas Co. until his retirement.

The bride wore a street length costume of blue organza, with pink carnation corsage, blue hat and white accessories. She was attended by her niece Mrs. Wm. Reynolds who chose a pink linen ensemble with deep rose corsage. The groom was attended by Mr. William Reynolds of Puslinch.

Following the ceremony a reception dinner was held at the Cove Room, Erie Beach Hotel, Port Dover for 11 guests.

The happy couple will reside in Jarvis.
