One student asked about the effect of the industries on the water temperature of Lake Erie. He stated that a rise in temperature of one degree would be very detrimental to plant life at the bottom of the lake.

Mr. Roxburgh replied that the Ontario Water Resources Commission was "very sticky with its do's and don'ts in regard to water pollution and control." He said the O.W.R.C. was working in the right direction and would stop any heating of the lake which would be harmful.

Bales Increases

Labour Minister Dalton Bales introduced amendments to the Workmen's Compensation Act in the Legislature to provide increased minimum pensions for workers disabled in occupational accidents.

Mr. Bales said that more than 7,400 pensioners with total or partial disabilities will receive increases under the new legislation.

The new minimums will be the highest in Canada. The legislation will become effective on July 1.

News Release

On Tuesday, April 22nd, a congregation of approximately 125, comprised of local members and adherents, and interested friends in the surrounding area, gathered at Community Baptist Church, Balmoral, for the Induction Service of Rev. Robert G. Wilkins, B.Th., the new Pastor of the Church.

Mr. and Mrs. Wilkins and their three children, Katharine (7), Faith (6), and Michael (3 1/2), came to Balmoral in February, having held previous pastorates in Bolton, Ontario, and Niagara Falls.

The Chairman of the evening was Rev. J. Buckwald of Hartford Baptist Church, and the Induction Service was delivered by Rev. Norman Pipe, Pastor of Bethel Baptist Church, Simcoe. A book was presented to Mr. Wilkins by Mr. Gerald Hoover on behalf of the Church, and a beautiful pin to Mrs. Wilkins by Mrs. W. Nauman on behalf of the Ladies Auxiliary.

Others taking part in the service were: Mr. Donald Sloat, a deacon, introducing Pastor Wilkins; Rev. D. Loveday of Brantford, bringing the Charge to the Pastor; Rev. G. Lean of Boston, bringing the Charge to the Church; Rev. L. Baptist of Tillsonburg, bringing the Induction Prayer; Rev. Dr. C. Taylor of Brantford, reading the Scripture; and Mr. and Mrs. Howard Sloat of Simcoe, providing the special music.

A time of fellowship and refreshment were enjoyed by all after the service in the Church basement.

Cost to industry, which pays for all workmen's compensation in Ontario, will be \$1,200,000 annually for 10 years. More than 134,000 companies are involved.

The legislation will establish a new minimum pension of \$175 a month for all workers who are permanently and totally disabled. At present the minimum is \$100 monthly.

Minimum pensions for permanent partial disability will be paid on a directly proportionate basis. For example, a pensioner with a 50 per cent disability will receive \$87.50.
