

# Promotion Policy At Hagersville School

As in the past, Four reports will be sent home this year. The first one will go home on Nov. 14, the second about Feb. 15, the third about April 30, and the final report on June 30. A new report form is being used this year.

It will indicate the mark achieved in each subject, whether your child stands in the top, middle, or bottom third of all students taking each subject at his grade level, and, if necessary, a comment by the teacher.

The report may be retained at home, because the 'non-academic' qualities are second, third, and fourth report will all have the fall marks and comments on them. Each report will cover the whole year's work and be a final indicator as to whether the student has mastered enough of the year's work to go on to the next year in each subject.

The year is broken into two terms, and marks used to evaluate the pupil will be weighed equally from each term. If a student decides to write the voluntary supplemental examination, his year's marks will be weighed 50%-50% with the marks achieved on the examination.

All final marks calculated on the basis of the examination will be subject to a reviewing board and will be final, with no appeal. The staff has agreed that a student would have his term mark fixed (i.e. he can do no worse than he has done all year - he might do better).

We feel that constant attention to daily and weekly assignments will result in successful completion of all courses on June 11. Certainly this is the approach we want to encourage, to be fostered

and carried over into everything the student attempts.

Coasting and inconsistent effort, will be reflected in the grades given by the staff. Students would be most unwise purposely to bank on the supplementary mental examination, which will require them to recall, synthesize, and draw conclusions based on a complete year's work.

The staff hopes that each student reaches his potential, and is successful.

Hagersville Secondary School

## Special Boar Purchase Bonus

The Directors of the Haldimand Hog Producers' Association wish to remind Haldimand producers of their "Special Boar Purchase Bonus." This would amount to half the amount of the premium on the first twenty boars scoring .9 inches or less on backfat and reaching 200 lbs. at 160 days of age or less according to official scores.

Haldimand purchasers of boars that would qualify are eligible for one bonus during 1969. Application should be made to Elgin Lattimer, R.R. 1, York, secretary of the Haldimand Hog Producers' Association, or to the Department of Agriculture and Food, Cayuga.

-oO-

During their recent meeting, county Hog Producers Association directors reviewed the 1969 program and started plans for 1970. The annual meeting date is set for Wednesday, Feb. 4, to be followed on February 18, with a Workshop conducted by Garnet Norrish and Dr. P. Oliver of Guelph.

In addition another directors meeting has been scheduled for consideration of special projects that might be conducted next year.

-oO-

To date this year, Canadian hog gradings are down 10.7 percent compared to a year ago, and federally inspected cattle slaughter is down 3.1 percent.

-oO-

Professor George Jones of the University of Guelph feels that feeding whole soybeans will show a profit to the farmer. He explained that one

ton of whole soybeans supplies protein worth \$86.30 and energy (from the oil) worth \$20.

This gives a total feeding value of \$106.30. If the farmer sells the beans and realizes \$2.50 per bushel, the ton of beans will return him \$83.40.

Subtracting the cash value of the beans from the feeding value of the bean shows a profit of approximately \$23.

"With yields of soybeans at the one-ton per acre level, giving a feeding value of over \$100 an acre, whole soybeans should be considered for livestock feed," Professor Jones said.

Soybeans require "heat modification" before feeding to hogs or poultry but can be fed "as is" to cattle.

-oO-

Local vegetable growers will be holding their annual meeting at the Inman Road Hall near Dunnville on Nov. 7. Niagara Peninsula Fruit and Vegetable Growers' Assoc., holds its annual convention Dec. 9 - 10, at Niagara Falls.

## Knox Afternoon Groups

Miss Helen Miller, entertained the W.M.S. and Ladies Aid of Knox Presbyterian Church, Tuesday afternoon.

The Ladies Aid was opened by the president, Mrs. Alfred Walker, with the singing of a hymn, followed by prayer.

Miss Helen Miller, secretary-treasurer, called the roll and read the minutes. Offering was received and dedicated. The meeting closed by repeating the Lord's prayer.

Mrs. Lillie Miller, in the absence of the president, Mrs. R. A. Miller, conducted the W.M.S. meeting. Mrs. Miller, opened with poems "Pause for a While" and a "Thought for Today." Minutes and correspondence were read and roll called, collection was received and dedicated.

Mrs. Herman Fess, began the program with a hymn. Mrs. Lowes and Mrs. Powell taking the scripture and prayer. Mrs. Herman Fess gave as the topic an interview from a paper by a native from India now working and living in Simcoe.

## Mary Edith Group Of Erie

The annual joint thank-offering meeting of the Mary Edith Group and the evening auxiliary was held in the church on Sunday evening with a good attendance.

Rev. Eric Ramrattan of Jarvis gave an address on Thanksgiving.

Others taking part in the meeting were, Mrs. Murray Biggar, Mrs. Roy Jepson, Mrs. Wilfred Roth, Mrs. Hubert Lint, Miss Gail Fugler and Miss Marsha Lane of Hamilton gave several musical selections, which added much to the meeting.

Following the meeting those present enjoyed a social hour in the church hall.

If you have problems and who hasn't - try not to take them with you when you drive, advises the Ontario Safety League. If you think about your troubles at the wheel - you are more likely to drive straight into some new ones. Accidents often happen when people try to do two thinking jobs at once. Safe driving requires your complete concentration.

**At Erin Fair**  
Holstein breeders from eleven counties of West-Central Ontario held their annual Championship Show at Erin Fair on Oct. 10 with 183 animals paraded by 66 exhibitors before Judge Roy Ormiston of Brooklyn, Ontario. This was a strong show with extremely close decisions.

R. J. Stewart, Bolton, won both the Premier Breeder and Premier Exhibitor banners. The keenness of the competition was evident by a score of 45 points for the runner-up position for Premier Breeder made by Douglas Gregson, Hillsburgh, as compared to 43 points for Spring Farms, Streetsville, and 42 for W. J. Knapp, Galt. Runner-up for Premier Exhibitor was Claude Pickett, Georgetown.

Claude Pickett scored a signal victory in the female classes as his cows carried off both the Grand and Reserve Grand Championships. The Grand Champion was the winning mature cow in milk, Oak Ridges Texal Peg and the Reserve Grand Champion female was the first senior yearling heifer, Greenwood Rag Apple Karen for W. J. Knapp, Galt, while the Reserve Junior Champion was Plumbroke Nellie Supreme, second prize senior yearling heifer shown by H. C. Reid, Georgetown.

The joint entry of Bert Stewart, Hornby, and R. R. McCain, Florenceville, N.B., was named Grand Champion male after heading the class Ontario, with his for bulls two-years-old or over. He is Brooknoll Rockman Citation, a bull with size, substance, strength of top, levelness of quarter, and walking well.

The Reserve Grand Championship went to the Junior Champion, Agro Acres Marquis Lad, who headed the yearling bulls for Douglas Gregson, Hillsburgh. He is a stretchy, clean-cut, open-ribbed bull.

Judge Ormiston admired the great strength, balance and excellent udder of the winning dry cow, Barivue Pabst Lana, who was last year's All-Canadian and All-American Aged Cow, but preferred to take a cow in milk for his Grand Champion, pushing Lana down to the Reserve Grand Championship.

## Blisters For The Building

Members of the Hartford Church of God Youth Fellowship, some Sunday School members and their pastor Mr. S. Desjardine, all accompanied by one dog, took a stroll Saturday afternoon from the church to Oakland and back.

This is a distance of 20 miles. The purpose of the walk was to raise funds for the building fund of the church.

The church is presently undergoing interior alterations. It is being changed to provide two new classrooms, a study, and washrooms.

Upon arriving back at the church, all the walkers collapsed on the church lawn evidently suffering from sore feet and legs. However, all were pleased to hear that the total donations from sponsors was over \$500.

### Menu Of The Week

Rutabaga and Potato Soup  
Cheese Souffle  
Carrot and Celery Sticks  
Apricot Whip

The once lowly yellow table turnip and the aristocratic rutabaga are one and the same vegetable, according to the Ontario Food Council, Ontario Department of Agriculture and Food.

Try turnips teamed with potatoes, carrots, peas and celery, onions, or apples. Vary the cooking method by baking, boiling or pan-frying. Any way you serve them, turnips provide low-cost nutritious eating: half a cup supplies more than the daily requirement of Vitamin C.

Rutabaga and Potato Soup  
1 small turnip (1 lb)  
1 1/2 cups water  
1 tsp. salt  
3 medium potatoes, thinly sliced  
2 cups milk  
1/4 tsp. sugar  
2 tsp. butter  
seasonings  
parsley

1. Peel and cut turnip in small chips.
2. Add water and salt; cook 15 to 20 min.
3. Add sliced potatoes and continue cooking about 10 min.
4. Do not drain.
5. Mash thoroughly; add milk, sugar, butter, and additional salt, if needed, and a dash of pepper.
6. Reheat and serve piping hot, garnished with chopped parsley, if desired.
7. Serves four.
