Garnet W. I.

Bothright was wearing the longest beads and the youngest child present was a pleasant afternoon.
An enjoyable picnic was held on Aug. 14 when Garnet W. I. held their Aug. meeting in Hagersville park. There were 17 members present, with five visitors and a number of children. Among those present were 13 grandmothers who were each honoured with a pretty corsage.
After a bountiful lunch, a short business meeting was conducted when plans were initiated to help at the plowing match on Oct. 23 with box lunches and a booth. A request was made for 4-H leaders for the fall course on embroidery and it was decided that Garnet would sponsor its own overseas child.
A program arranged by Mrs. Jim Nichol, followed with singing old favourite songs, and Mrs. Nichol giving a reading on "Knitting." The motto "Characters, like embroidery, are made stitch by stitch" was illustrated and presented by Mrs. Roy Jepson. A number of old hats were modelled by some of the ladies and Mrs. B. Mehan read the topic prepared by Mrs. I. Parkinson on "Memory is a wonderful treasure."
Contests were held in which Mrs. C. Graham and Mrs. Swing were winners. The prize for the grandmother who came the greatest distance went to Mrs. Schindel, Saskatchewan. Mrs. C. Swing had the birthday closest to the day, Mrs.

This view shows part of the dock which will allow ships to bring 25,000 tons of coal into the plant at one time. The dock will be a 350' x 1,000' slip type with offshore dredging to seaway standards. The self-unloading ships will discharge coal with a 250-foot boom onto two conveyors, each with a capacity of 3,000 tons/hour that will transport the coal to the transfer house or to the coal storage area which will accommodate 2,500,000 tons 80' high.
