## And live a little!

All you need is an automatic washer and electric dryer. With one setting of a simple control, the washer fills itself, washes, drains, rinses, and damp-dries. Then the dryer takes over. Keeps your clean wash free from impurities in the air. Fluffs clothes into a natural shape for easier ironing. And takes special care of your permanent-press garments. There's no hard work. No watching. No waiting. Your time's your own.

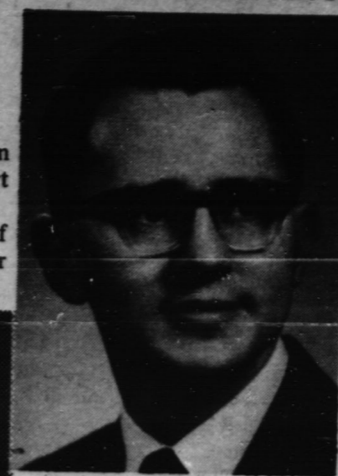

**You've banished your washday blues!**

With an automatic washer and electric dryer, you don't have to do the whole family wash the same day. Do a little at a time. Whenever you feel like it. Even when it's pouring rain.

Get yourself a new automatic washer and electric dryer from your local major appliance dealer, and live a little.

## Hospital Auxiliary Meets After Summer Recess

**Bible Society**

The Rev. H. G. Zurbrigg D. D. has been appointed secretary of the Canadian Bible Society for the Hamilton District and to succeed Rev. W. H. Moore.

On Sept. 3rd, the Executive of the West Haldimand General Hospital Auxiliary met at the Hospital Board Room with a small number in attendance.

Catherine Maddaford, Senior Regional Director in Ontario for the V. O. N., will be the speaker.

In her report as Volunteer Convenor, Mrs. W. Held said that the Coffee Shop will be closed on Monday, Oct. 13th. She has also requested the names of four members from each unit, and their telephone numbers, be sent to her - to be on emergency call, as some of the Volunteers are not turning up for their shifts.

Coffee Shop Convenor, Mrs. R. Phillips, had two adding machines on display and it was decided to purchase the \$137.00 model for her use. Christmas cards and the catalogue are now available in the storeroom. As the Cash Register is still giving trouble, all volunteers must lift the cover of the adding machine before taking a total. It was decided to have the Coffee Shop housecleaned on a regular basis.

In the absence of the Ball Convenor, Mrs. S. Brown, the President reminded Unit Chairmen to send two members from each unit to act on the Decorating Committee.

The Equipment Committee reported that Hospital Auxiliary Name Plates have been purchased to be used on all equipment purchased by the Auxiliary. The Automatic Processor has been purchased at an approximate cost of \$5,300.00, with installation charges to be between \$600.00 and \$700.00.

Reports from Unit Chairmen were given as follows: C.A.L.E. DONIA - Name tag requested. CAYUGA - Meeting to be Sept. 11th. Going to sell tickets on a quilt (this may be displayed at Coffee Shop).

FISHERVILLE - Next meeting to be at Rainham Centre Hall. There will be a film on Cancer.

HAGERSVILLE - Next meeting speaker will tell about "Onsp." June Peg Board Shower was very successful. JARVIS - Meeting Sept. 10th, with Mrs. Russell Hare showing.

**Garnet U.C.W.**

The opening fall meeting of Garnet U. C. W. was held at the home of Mrs. Bruce Meehan on Sept. 4. Twelve members were present and answered the roll call with memories of their first Sun. School.

Mrs. North, the president, reminded members about the bakeless bake sale. The anniversary service of Garnet United Church is to be held soon. The ladies plan to gather at the church for fall cleaning in the near future.

Mrs. Bruce Meehan, program convenor, conducted the final study in the China project entitled "China and Canada," pointing out the need for Canada to have a policy of her own in the matter of recognizing China and also the importance of understanding the underlying motives and needs of the present-day Chinese.

The program was opened with a hymn. Mrs. H. Parkinson, Miss Dorothy Roulston, Mrs. L. Bilton and Mrs. R. Smith all took part in the study.

Mrs. B. Meehan read a devotional paper on Christ's missionary command, "Go ye into all the world," and closed with prayer.

An expression of thanks to Mrs. Meehan for her hospitality and program, was given by Mrs. R. Smith and all enjoyed the social half-hour.
