Juveniles Split Games

by Pete Myke
Hagersville Juveniles lost their first game of the season to Caledonia 3-2. A bench minor penalty and a mental lapse by the defence set up the winning goal for

Caledonia. Steve Petracca and Kirk Brown again turned in fine performances in goal for Hagersville, while Randy Brown and John Kincaid scored Hagersville's goals.

On Sunday afternoon Hub Fehrman and Kenny Graham continued to do a fine job of coaching. They inserted several new players in the line up and made sure every boy is getting a fair chance to prove his worth. John Kincaid, Dave Speller and Ray Miller scored for Hagersville. Johnson picked up two assists and played a fine two way game. Jim Walker played about 50 minutes of the game and is the real main cog back on defence.
This game was a little scarily compared to the previous weeks game but again Kirk Brown and Steve Petracca played well with Kirk making two fine saves on breakaways. Final score 3-2. This Sunday 4:30 Waterford is the opposition. Lets come out and see some fine hockey by our Junior farm team.

Message To Junior Hockey Fans

by Ken McBride
Team Manager
In spite of all the rumors and rumblings you may have heard over the past weekend regarding the Hagersville Junior Hockey Club, I want you to rest assured that the club is intact and playing the exciting brand of hockey that you have been enjoying.
Just to put the record straight, there has been some player dissatisfaction but this has been ironed out. No one has left the

hockey club and furthermore I don't think anyone will be leaving. We have acquired two new defence men and still hope to pick up one more forward.
Naturally a couple of wins at this time would do wonders as far as morale is concerned and we feel that there is no better time to start than this Thursday night at the local arena when we entertain the highly touted Caledonia Corvairs. Also we understand the heat will be ready for this game.

Midgets Win 1-0 Over Caledonia

Bill Prince again wacking in place of Larry Simon picked up the only win on Minor Hockey night defeating Caledonia 1-0 in a very exciting game.

goal of the game. Young Dean Weeb played well as did Kirk Brown in Goal

Minor Hockey

by Pete Myke
On Saturday morning the Canadiens coached by Ric Webber played their fourth game without a defeat.
Final score being 10-0. The Webber Twins, Scott and Bryan along with Roger Webb make this the team to beat.
One game the twins scored seven goals between them, but on Saturday Roger, Bryan and Scott Webber and Jeff Myke two apiece and Ricky Anderson finished up the scoring.

This was Caledonia's first loss of the season and showed what a power house Hagersville Midgets have when they have their full team out.
Glen Hewson, Jim Vanni, Ross McKeen and Terry Fryett were all down from the Juniors for this game with Terry scoring the only
