The WIDE-WIDE 70 SERIES
**POLYESTER
GLASS-BELTED**

*Manufacturer's List Price — **52.80** EACH
E70/14 (775/14) YOUR COST **26.40** EACH
STUDS — \$5.09 EXTRA

It's the 70 Series with huge wide road-bite. No other quic like it. Rides high over, not through big snowdrifts. Or again, on cold, clear, open highways cruises at 70 quieter than ever before—more like summer tires. The tread outlasts up to 3 of the old "butter" type. Buy now at half list price!

Same Hiway-Byway Design in 4-Ply Nylon

Our Hiway-Byway Nylons are a terrific buy at these prices! Made from stronger-than-steel Die Front Nylon Cord, they have the same "extra traction" as the Glass-Belted Hiway-Byways though with somewhat narrower tread. A winter-worthy tire you can rely on!

If your local Canadian Tire dealer is out of your size in Nylon, he will supply the famous Hiway-Byway 4-ply Polyester at the same low price as the Nylon—do the extent of his stock. You can't miss on this offer. Either way, you'll be miles ahead!
