BRING YOUR BOY

Once again it is that time of year when we are asked to support minor hockey, and to remind our readers of that already well-known slogan "Don't send - Take your boy to the arena." We are willing to do this because we agree there should be special recognition of the man (and women) who make minor hockey available here. - Campbellton (N.B.) Tribune

### BECOMING REPUBLIC

The apparent push by Prime Minister Trudeau and his government toward the elimination of all that is British in Canadian tradition is becoming just a bit too much. Just slow enough to not become alarming, the Liberals are severing Canadian ties with Britain and working toward the establishment of a republic for our nation to replace the monarch. - Picton (Ont.) Gazette.

### SILENT MAJORITY

Much is being said and written these days about the "Silent Majority" for whom in the United States President Nixon is presumed to be both the spokesman and the impersonation. It is conceivable that the "seventies" may be known as the decade of the Silent Majority - The Anglican.
