

## Campout

Continued from Page 1

The Brantford YMCA's Camp Ruddy, located near Port Rye, was the site of the three-day competition.

Seventy-five boys, 26 leaders, aided by a six-man kitchen staff went back to the basis of cubbing for the camp's theme.

"The Jungle" theme was taken from Rudyard Kipling's "Jungle Book", which has been "the" book as far as cubbing is concerned, since the Cub Pack is organized in the same manner as the wolf pack was in Kipling's tale.

Based on this theme, each pack built a lair from natural materials, and

judging from their appearance a lot in ingenuity and a wide range of ideas were involved in the construction.

The 2nd, 3rd, 4th, and 5th Dunnville Cub Packs were all in attendance. The 1st Attercliffe, 1st and 2nd Caledonia, 2nd Hagersville, 1st York, and 1st Jarvis were the other groups represented from the county.

The 2nd Dunnville with ten boys under the leadership of Don Swain, Lorne Sorge, and Harry Howald took the shield, beating 1st York by 3½ points.

The 3rd Dunnville Pack had four boys at camp under leader Paul Van Vliet, the 4th Dunnville's seven boys were led by Anne McLellan and Leah Ramsey, the 5th Dunnville with six boys was led by Jack Murphy and Eleanor Murphy, and the 1st Attercliffe had eight boys under the leadership of Jean Clark and Venturer Gary Bayes.

### HONORED FOR SERVICE

Shirley Hart the Assistant District Commissioner in charge of Cubbing for the county was presented with a trophy for her long and

dedicated service to Cubbing in the county.

Keith Battail of the 2nd Caledonia Pack was awarded a trophy as the camper who put out the extra needed effort.

Other packs present were: 2nd Hagersville leaders Jack Hedges, Joy MacDonald, Bob King; 1st Caledonia, George Hollinger, Joan Hollinger, Alan Taylor; 2nd Caledonia, Rev. Doug Muir, Bob Hoover; 1st York, Sheila Berry, Pam Parker; 1st Jarvis, Dorothy Walker, Jean Phillips, Venturer, Jim Featherstone, Cliff Dossier.

## Eskimo Prints Shown

EDMONTON (CP) — The name Mummookshoarluk isn't a name familiar to many Canadians, but one of these days it could be up there with Tom Thomson, Harold Town, Jean-Paul Riopelle or Emily Carr.

Mummookshoarluk is a Canadian artist, an Eskimo from Baker Lake, N.W.T. He is one of several artists from Baker Lake who are having showings of their work in galleries across Canada during the month of June.

The shows in major art galleries and some stores represent the first public showing of prints from the Baker Lake area.

Eskimo prints shown so far have come either from Cape Dorset or Holman Island.

Virgil Hammock, art critic for Edmonton Journal, said after the opening at the art gallery that the Baker Lake prints may prove to be the most exciting of all Eskimo graphics yet presented.

"Dorset graphics are linear in character and in general their use of colors is coincidental to the drawing," said Mr. Hammock. "The Holman prints use colored inks to fill in their block-like forms."

"The Baker Lake prints use many bright colors in a single print, making this the most important element in the work."

Many of the Baker Lake prints illustrate Eskimo myths or dreams. This makes them interesting and a bit mysterious.

## REPORT

Haldimand County recorded its ninth fatal traffic collision of 1970 on June 20, 1970, on County Road No. 14, in Sherbrooke Township. James Thomas Furlong, age 18, 60 Haldimand Trail, R.R.9, Dunnville, Ontario, was fatally injured. This brings a total of nine persons being fatally injured in collisions to this date.

Officers investigated 10 other accidents during the past week with one personal injury collision and one person injured.

On June 18, Prov. Const. R. Adams recovered a car in

Canboro Township, which was reported stolen from Niagara Falls, Ontario, on June 16, 1970.

Five thefts were reported, 16 requests for assistance and two Liquor Control Act charges laid.

Drivers! One place not to stop your vehicle is on the travelled portion of a highway. This is both dangerous and illegal. If for any reason you must stop on a highway, always pull off onto the shoulder. Vehicles stopped on the travelled portion of a highway have caused many serious collisions. Also, when pulling back on the road again after a stop, make sure the road is clear and signal your intentions. These are simple precautions, but they can help prevent serious collisions.

Greetings were received from Mrs. Mary Roth a patient in the West Haldimand Hospital.

Refreshments were served by Mrs. Taylor-Munro. Courtesy remarks were given by Mrs. Jack Biggar.

The next meeting will be held in the church hall with Mrs. Wesley Carpenter as hostess. Mrs. E. Keen will be in charge of the program.
