Grimm-Johnson

Mr. and Mrs. Grimm

In a candle light ceremony in Wesley United Church, Jarvis, on Saturday May 2, 1970, Dr. Mary Eleanor Johnson, elder daughter of Mr. and Mrs. Harold W. Johnson and Stephen Frederic Grimm B.A., son of Mrs. Robert Schoby, Cleveland Ohio, and the late Mr. C. Guy Grimm, were united in marriage. Rev. J. A. Logan B.A., B.D., of Aylmer officiated, assisted by Rev. E.A. Ramratten Dip.Th., at the double-ring ceremony.

The bride given in marriage by her father, wore a floor length silhouette traditional gown, in tulle taffeta bordered at the hemline in Gaipeur lace, the lace repeating itself at the high sunburst neckline. A cardinal train flowed gracefully from the shoulders, with seed pearls adorning the lace. Her veil of French silk illusion was finger-tip in length and cascaded from French silk illusion was finger-tip in length and cascaded from carried a cascade bouquet of stephanatis and ivy descending from the shoulders.

Mrs. Peter Fraiss of Stoney Creek was her sister's matron of honour. The bride's maids were Mrs. Thomas Barrett of Cuyahoga Falls, Ohio, sister of the groom, Dr. Barbara Willan of London and Dr. Alison Thomson of Toronto. Little Miss Michelle Barrett, niece of the groom, was flower girl and Master Jimmie Barrett, nephew of the groom, acted as ring-bearer. The attendants were gowned alike in soft pink sleeveless gowns of imported blend saki, fashioned with semi-empire bodices, emphasized by a soft bow at side of waist. The wedding ring collar and lined ruffle at hem, completed the soft feminine traditional look. They wore pink rosebuds in their hair and carried moss green baskets filled with pink and red sweetheart roses, pink snapdragons and purple star flower with bows and streamers of matching azalea velvet ribbon. The same color scheme was carried out in the flowers at the altar, and on the guest pews. The Canadian Flag and the Flag of the U.S.A. with gold spear standards were behind the Altar.

Mr. Thomas Barrett of Cuyahoga Falls, Ohio, brother-in-law of the groom was best man. Messrs Peter Fraiss, of Stoney Creek, James Bradt, Toronto, Thos. Bussell of Cuyahoga Falls, Ohio, and Sam Woods of Burlington were ushers.

Mr. Richard Roberts of Toronto, uncle of the bride was master of ceremonies at the reception. Mr. O. A. Bradt of Vineland Station, uncle of the bride pronounced

the toast to the bride and Mr. Donald Duxbury the toast to the bride's mother. Mr. E. A. Craddock of Jarvis proposed a toast to the two countries represented, Canada and The U.S.A.

Following the dinner Mr. Jimmie Beggs and his orchestra played for the dancing.

For going away the bride donned a woven jacket dress of brown on white, with brown accessories and corsage of orange delight roses.

The groom will extern for the summer at the Akron City Hospital before returning for his final year in Medicine at the University of Mexico. The bride has accepted a Senior position in Pediatrics at the Akron Children's Hospital, Akron, Ohio.

The groom is a graduate in Psychology from Kent State University, Ohio and the bride a graduate in medicine from the University of Western Ontario, London.

Officers patrolled a total of 8,297 miles, issued 31 warnings and 36 charges to motorists. Two drivers were charged with impaired driving and excess of .08 milligrams of alcohol. One person was charged with malicious damage as result of an investigation in Dunn Township.

On visiting our local OPP barracks; open house, May 10 to May 16. It was gratifying to this writer to find we have such good police protection, particularly in light of the fact we have no police constable in the village. Working out of the station here, are 27 police, 23 constables, three corporals, and one sergeant.

It makes one wonder why a criminal would take the risk involved in committing a crime, with the police system so tightly knit as it is via telex, radio and telephone.

They tell us the law's are adequate; then it has to be the administration of them that is to blame.

A policeman, quite often has to put his life on the line to bring a criminal to justice.

I think this quote, by one of our recently retired metropolitan police chiefs, is timely, he said: "I would like to see some of those politicians, judges etc., get out from behind their desks, and get into a policeman's uniform; then he would know what it is all about."

Just as soon as we abolish capital punishment, and corporal punishment, we render the policeman's job impossible.

The local Community fund drive originally planned for May 4 to May 16 has not gone over as quickly as hoped for. Many of the canvassers have not finished their routes and some have not yet started.

We thank the Canvassers, and are grateful to the donors. With an objective of \$2,500.00 the treasurer reported receipts of \$1562.00 as of Tuesday morning. The drive will be extended for another week and it is hoped that next week's paper will be able to announce a completion with the fund well over the top.

Let us all remember that there are people more needy than ourselves, and share with others. Many of the organizations do so much toward research, and money is needed toward this important end.
