Cheapside United Church Women

The U.C.W. of Cheapside United Church met in the Sunday School Room on Thursday afternoon for their regular monthly meeting, with an attendance of 19.

The president opened the meeting with a poem entitled "Blessed are the Mothers" which was in keeping with the theme "Mother."

"Happy the home when God is there" was sung with prayer by Mrs. Nie.

The roll call "Has anyone in your family a biblical name" was answered by all.

The friendship and visiting committee, and treasurers report was given. Several visits had been made to sick and shut-ins.

A report was given on the meeting when Marty Karl was to the Church, this was very favourable. The tickets for the Anniversary Supper was discussed and only 200

are being sold, so anyone wanting tickets should get in touch with some of the members.

It was announced that Mrs. Lambert, president of Erie Presbyterian U.C.W. would visit the Nanticoke U.C.W. on Thursday evening, May 21 and that the Cheapside ladies were invited to the meeting.

Mrs. Geo. Abbot had charge of the worship service, entitled "Sense of Worth" which brought out the thoughts most of us have a problem with our own sense of worth.

The hymn "The Morning Light is Breaking" was sung, the offering was received and dedicated. Mrs. Keith Schwyer and Mrs. Arvil Nie presented a skit on "Stewardship." Mrs. Wm. Bray had the topic, and she read a poem "Modern Grandma," also a story entitled "Watching the girls go by" from a roadside window" by Ethel Chapman which was on the place which women fill in the world today, and yesterday. She closed with another poem.

The hostesses, Mrs. Wm. Crawley and Mrs. Eli McDonald assisted the lunch committee, Mrs. Keith Schwyer and Mrs. Ivan Whitford in serving a delicious lunch. Mrs. Arvil Nie gave the courtesy remarks.

Jarvis Girls Softball

On Monday, May 18 the Jarvis Girls Team ventured out to play against Blackheath. Try as they might disaster struck in the first inning, with Blackheath scoring ten runs before Jarvis came to bat. It would look like it was a real slaughter as the score ended 15 to 6, but the girls settled down and played a fine game after the first inning.

I was proud to be coaching them as the girls made some fine plays. I believe they will have a fine year if they play as well as they did in the last few innings of Monday's game.

I would like to thank Mr. Don Mitchell of the Jarvis Lions and all other Lion members for letting us have the game, also Mr. James Cumber of Hagersville for his help in connection with the team and all others who helped make Monday a success.

The Weeklies Say

FEW REASONS
 Perhaps the Ontario agriculture minister should be reminded that there aren't too many reasons why westerners should feel particularly beholden to Ontarians. Certainly he should not need to be reminded that if he intends to put up a "Don't buy Saskatchewan potash" sign in Ontario, others can play the same game - Swift Current (Sask.)

NATIVE UNITY
 Native unity is of major importance and the majority of native people are unified. The native people are unified in their desire for a better future for native people. Differences may exist at times but wouldn't be human if they didn't... but the differences should be kept in their proper perspective and not spread all over the newspapers. - The Native People (Edmonton.)

PAN FOR PRIZE?
 When it's time for the Yukon to pick the formal medals to be presented at the second Arctic Winter Games in Whitehorse in 1972, how about a prospective gold pan? - Whitehorse (Y.T.) Star

COMMUNICATION NEEDED
 Council (Yukon Territorial Council) members are painfully aware of the number of times they have been by and watched the federal authorities hatch up a plan which concerns the use of the Yukon's resources without so much as a tip of the hat in the direction of our elected representatives.

ENCOURAGE EXCELLENCE
 Penalizing poor drivers, it seems to us, is only one of the highway safety story; encouraging the ordinary driver to do better might ultimately accomplish more. - Chilliwack (B.C.) Progress

ORCHIDS TO OTTAWA
 With the world concern about pollution, and with the great interest shown in Canada about the possibility of irreparable damage to the north, it is gratifying to see that Parliament is aware of this feeling and has acted upon it. - West Vancouver (B.C.) Lions Gate Times
