## Jarvis Boy 'Help Night' - HSS

### Scout Ladies Auxiliary

Recently the auxiliary held their fall meeting at the Scout Hall.

A new slate of officers were elected for the coming term. They are as follows: President, Mrs. Mabel McLeod; Vice-President, Mrs. Wm. Buck; Secretary, Mrs. Keith Saunders; Treasurer, Mrs. Jack Dunnett; Sewing Convenor, Mrs. Harold Anderson.

We would extend our thanks and appreciation to the resigning officers for their faithful service.

As there were only 11 mothers in attendance at this meeting we would ask that more mothers endeavour to attend in future and lend their support to the new officers and the organization as a whole.

The annual dinner of the Haldimand District Council for Boy Scouts was well represented from all areas. The guest speaker, Alex Thompson have a very thought provoking talk on boys needs now compared to what they were 30 years ago.

### HSS Wins First SOSSA Championship

Hagersville Secondary School has won the Southern Ontario Secondary School Association Zone championship.

It's the first time ever for a Haldimand team.

The team dumped Saltfleet 13-0 in the deciding game.

Parents and teachers of students who need assistance in improving their school progress will confer Monday evening, Nov. 23. The first set of report cards will be given out this week. Enclosed with some are letters requesting parents to meet with teachers. It is felt that by attacking school problems early, these meetings will be of real value for this school year.

First-year students often have special need for help. For them, high school life and subjects they may be taking for the first time, are very different from what they have been accustomed to. In addition to the job of getting settled in, the pressure of work in the various subjects is ever-present.

Other students who do not work up to their

### It's Report Card Time

First reports for students at Hagersville Secondary School go home on Friday, Nov. 13. The marks assigned will be an assessment of all tests, essays, projects and work habits in the first two and a half months of school. Marks at this time of the year tend to be a bit high, since the body of work covered is so small. The next report, sent home in February, often shows a different picture.

Promotion policy this year will be much the same as last year. Everything done throughout the year will be taken into account, and those students who have 60 percent in a subject, and have satisfied their teacher that all work has been done to the best of their ability, may be recommended in that subject without writing a final examination. The major change in last year's policy will be that the teacher will make the decision, not the pupil.

capacity also need the interest and help of both teachers and parents to find out what is holding up their progress and to assist the student, remove whatever obstacles they may be. To make a start on these tasks will be the purpose of these interviews on the evening of Nov. 23.

# Commercial League Season Opens

by Winston Sardine

The season opener of the 1970-71 Commercial Hockey League took place on Tuesday, Nov. 4, 1970 in the Hagersville Arena between the Springvale Flyers and the Jarvis Merchants.

Living up to their name, Springvale came out flying and forged into a 2-0 lead on a pair of beautiful goals by Larry Winger.

With 19 players on hand for their opener, coach Lou Atkinson of Hub Fehrman, the Jarvis goalie.

A late surge by Jarvis, with goals from Jim Hazlett and Dennis Craddock knotted the score, and Craddock almost won the game with a break-away.

Only a clutch save by the Flyer net-minder Tisdale saved the tie and enabled both teams to go home tired but reasonably satisfied.

The second contest of the evening pitted the Hawks from Hagersville against a new team to Commercial League hockey, the Smoothtown Bruins.

With 19 players on hand for their opener, coach Lou Atkinson spent most of the evening juggling lines and trying combinations for the season ahead.

At times the Hawks showed signs of brilliance; the line of R. Maggio, P. Lorrimer, and centre Jim Herkimer scored three goals and played well throughout.

Herkimer led with two goals and Maggio potted one with young Pat Lorrimer doing a lot of hard work all game long. The Hawks broke into a 4-1 lead, but the persistent Bruins, led by M. Bomberry, G. Bomberry, and White, came back to keep Smoothtown within reach in the latter stages of the game.

Mike Bomberry appeared to be a scorer to reckon with as he netted three very

pretty goals. Larry Simons of the Hawks also scored a picture goal on a break-away late in the game.

With only a few moments left and the Hawks leading 6-4, some sloppy play in front of Hawk goalie Henry Davis pulled the Bruins even, and the fans were treated to some exciting hockey for the second game in a row.

Rick Maggio broke in alone on Bruin goaltender Half-penny with just seconds remaining, but with stars in his eyes Rick shot over the cross-bar and the game ended 6-6.

The final game of the night pitted the defending champions from Garnet against a new, young club from Fisherville.

Although eager and hustling, the boys from Fisherville were no match for Garnet. Led by Russell Douglas and John Beischlag with three goals each, Barry Miller two, and singles from hustling Bob Awde and Boyce White, the Garnet team ran up a 10-6 victory.

Fisherville scorers were Schwyer, Worden, Buchner, Folsom, Otterman and Spies with one each. All in all, opening night gave every indication of exciting hockey once again in the Commercial League.

This reporter sees this season as having great possibilities "it", the players of all teams will stick to playing the hockey they're

capable of, and spend less time using hockey sticks as weapons.

Fans will come out in abundance if this league loses its reputation for blood-shed. No one minds a good fight; but not with hockey sticks! Play hockey men — the best deserve to win.

As one ardent fan of the game, I support the referees who have attempted to keep the rules of the game in mind at all times, maintaining discipline and order. Let's make this the finest year of Commercial League hockey fellows.
