Workmen are making progress on the construction of a new Explorer Inns Ltd. motel on the northeast side of Jarvis. (Staff Photo)

Walpole May Have Election

possibility looms for an election in Walpole with a face on the scene.

However, present Reeve Greenfield told The Record that he will not run himself on whether or not he is running until nomination day for Walpole Nov. 23.

James Cole, 29, office manager, conveyancer of a

Hamilton Law firm and a resident of Walpole, has announced that he will seek the nomination to run for the Walpole reeve.

His platform calls for a check on spiralling property taxes, active representation on county council, priority spending on township projects and a careful study of proposed regional

government for Haldimand-Norfolk.

In Jarvis no election opposition to the present regime has been announced.

Reeve W. E. Austin said, "I will probably let my name stand for re-election. I hope that the members of the present council, will all seek their seats for another term."

Present members on council are John Brintnell, Jim Davidson, Klass Druyff and Ted Oldham. Nomination date for Jarvis is Nov. 30.

Reeve Lyle Furry of Hagersville said he hasn't decided whether he will seek office for another term.

He said that he hasn't heard what members of his present council intend to do.

Reeve Roy Hedley, of North Cayuga Township said, he isn't decided whether he will run for another term on council.

He said he hasn't heard about the remainder of council members on whether they will be running for the new term or not.

Cayuga is the only municipality in the area that won't be holding an election for its council members this year.

Reeve Ted Powell said the Cayuga term was made for three years in 1969 to co-ordinate with school trustee elections. Cayuga council will be up for election in 1972, he said.

OMB Approves Jarvis Reservoir

JARVIS - The Village has received approval from the Ontario Municipal Board to construct a reservoir for a supplement to its water supply.

This was disclosed today by Reeve W. E. Austin.

He told The Record that this will probably mean final approval for a

subdivision on the northeast side of Jarvis.

The subdivision has been approved with the exception of 12 conditions. The reservoir for a water supply was the final condition, he said.

Reeve Austin said he expects construction of a lagoon will be started soon. Norbrant Contractors Ltd. of Turkey Point has been awarded the contract.

Reeve Austin said a construction start has been made on a new Explorer Inns Ltd. Motor Hotel, which will be located on the Highway side of the subdivision.

The new hotel is expected to cost some \$325,000. It will include 32 units, dining facilities, a coffee shop and possibly a liquor lounge if an upcoming liquor vote for Jarvis is approved.

100 Air Views

At Study Meeting

JARVIS - Some 100 attended a public meeting here last Thursday to hear recommendations and raise objections to the Haldimand-Norfolk Study Committee report.

The study hinges around location of Ontario Hydro, Texaco and the Steel Company of Canada on the north shore of Lake Erie near Nanticoke with heavy industry.

The committee has recommended the area designated for heavy industry be enclosed by a "green belt."

The line as it goes from Jarvis runs a half mile to the east of Nanticoke Sideroad and to the south on the Walpole Township Road between Cons. 6 and 7.

The committee also recommended that no residential area should be located within two miles to the west, five miles to the north and nine to 10 miles to the east and northeast, until further study is made of the effects and results of industry.

All the questions and ideas brought forth from the public meetings will be considered by the committee before a final report is submitted to both Haldimand and Norfolk county councils for approval.

Haldimand Wrestlers In Tournament

Wrestlers from Wentworth, Welland, Lincoln and Haldimand Counties will be trying for a berth in the Province of Ontario Games when they meet in a regional tournament at Hamilton's McMaster University Nov. 21.

The fighters, aged 16 to 21, will compete in the 10 junior Olympic weight classes ranging from 105 pounds to the unlimited category. The majority of the competitors will come from area secondary schools, colleges, universities and the YMCA.

The winner of each class will advance to the Province of Ontario Games scheduled to be held in Etobicoke, Dec. 27, 28, 29, 30.

Weekly Weather

Mixed weather is the regional outlook for the next few days of the Simcoe Weather Bureau.

Cloudy with some rain Friday and Saturday and sunshine on Sunday.

Little change is expected in temperatures with highs in the mid 40s and the lows in the 30s, said the forecaster.

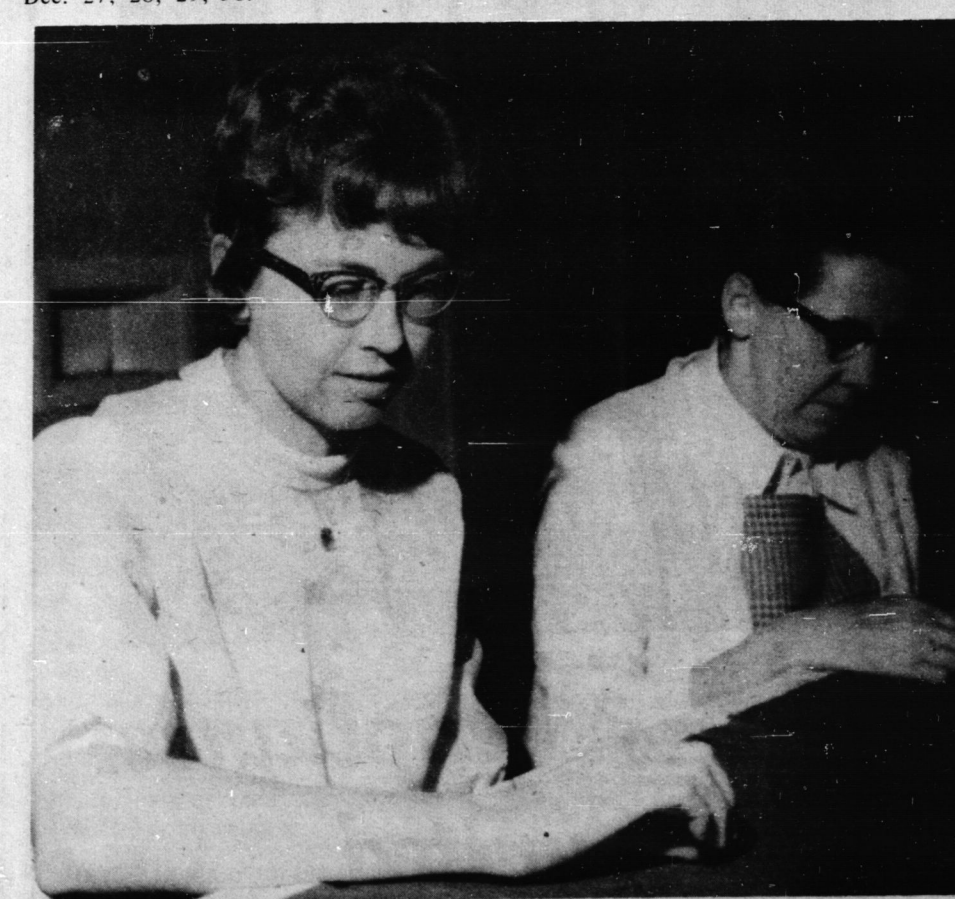

Inquest Scheduled For School Fatality

An inquest into a school yard death of a nine year old boy is scheduled for Dunnville on Dec. 3.

Daniel Michaud, son of Mr. and Mrs. Robert Michaud of Byng, was struck on the head and killed by the 400 pound frame of a school yard swing at Grandview Public School.

Some 40 students including Daniel were helping to put the swing upright, which had been upset on Halloween night, when they dropped it.

Five witnesses are expected to testify at the inquest scheduled for the Dunnville council chambers on Dec. 3 at 7.30 pm.

Old Fashioned quilting bees are still the order of the day by the Balmoral Women's Auxiliary. Shown quilting are Mrs. Walter Irwin (left) and Mrs. Warren Nauman. The quilt will be donated to a missionary. (Staff Photo)
