to give her report from the Senior Citizens' Workshop held at Holiday Inn, Brantford Nov. 3-4-5. The guest speaker was the Hon. Ross MacDonald Lieut. Gov. of Ont. The theme of his address was retirement, finding suitable interests for your senior years. He introduced a senior citizen, Mr. John Noble, whom he referred to as the voice of

experience. Mr. Noble founded the John Noble home for the aged in Brantford.

Mr. Eckleton of the Red Cross Society invited the group to attend the annual Red Cross meeting at Hamilton in April.

Mrs. Hammond also visited the Cockshutt House in Brantford and enlightened us as to the

many crafts carried on by the Senior Citizens there. We were also told there were Red Cross funds available for material regarding crafts for our group. They also visited the Graham Bell Homestead, Pauline Johnson Home, and Mohawk Chapel. We were reminded of the outstanding service of the Red Cross in the blood donor clinic. Juniors Lose To Delhi 5-4

Sunday afternoon the dropped a heart game on Delhi ice of 5-4.

Delhi team had their bigger and faster with the fired up, but finished the leading 3-2. Bomberri scored on Jim Vanni and Steele scored

unassisted for two Hagersville goals.

At one stretch Delhi was bottled up in their own end for almost four minutes and Hagersville could easily have had two or three more goals if it had not been for the great goal tending of Ron DeRoo in the Delhi net.

Delhi increased their advantage to 4-2 as Bruce

Disber stopped almost everything shot his way.

There was no further scoring and only three penalties in the balance of the second period.

The third period was only 20 seconds old when Pantzouri scored for Hagersville.

John Stefan fired what proved to be the winner for Delhi before Nick, number seven for Hagersville scored his second goal of the day on a pretty passing play from Glen Simon and Ross McKeen.

This set the stage for what is fast becoming a Hagersville trade mark of close, exciting hockey in the last period.

Nick Pantzouri fired the puck from directly in front of the net. The goalie was down and off to one side.

The puck seemed to go straight up and lit under the cross bar.

Referee John Slota signaled no goal immediately but the play continued for another 20 seconds.

When play stopped, Hagersville protested long and hard but to no avail and time ran out.

Hagersville was beaten by a disallowed goal that many Delhi and Hagersville fans thought was in.

This was a fast clear game with Hagersville picking up only three penalties, one in each period.

Notes and Quotes: When number seven was asked about the disallowed goal he remarked "It was definitely in. It sure make

you mad when you get a call like that."

Team Trainer Louie Atkinson was even more excited and uptight when he said "All referees are blind" and well they might be if they did not see that one.

The Hagersville trainer went on the ice without being summoned.

This calls for a team penalty. One of these nights in a crucial game boys, you are going to be called for this.
