The first meeting of the season was held on Monday, Sept. 21 in St. Marys Church Hall, with 20 ladies present.

Father Wubbles opened the meeting with the League Prayer. The ladies were reminded that we would cater for the Lions Club supper this fall. Mrs. Raymond Montague will be the convener for the supper Sept. 28.

County Fair, Simcoe

When the gates swing open on the Norfolk County Fair and Horse Show on Tuesday, October 6 they will open not only on Ontario's leading Agricultural Fair but on the most outstanding "outdoor" Horse Show in the Province as well.

Entries in all departments of the Fair have been pouring into the office of the Secretary, Harold I. Pond. Commercial Exhibit Space has been sold out for some time, and given the right kind of weather there is no doubt that the dream which Fair officials have of reaching an attendance figure of 100,000 will be realized this year.

In the United Church at Jarvis, September 12, 1970, Mary Lou Ethel, daughter of Mr. and Mrs. Keith Stallwood became the bride of Mr. Russel James Whitehead only son of Mrs. James Fuller and the late Mr. James Whitehead. The happy couple will reside near Edmonton, Alberta.

CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

Vega is here at last. Now you can buy what we modestly believe is the best little car in the world.

It does everything well.

Everything? Everything.

Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, merges well, travels well, parks well, sits well, wears well, and is priced well under what you'd expect to pay for such a totally talented car.

In highway tests, Vega has been getting around 30 miles to the gallon. Yet unlike your average little car, ours steps right out when you step on the gas.

The standard engine is a specially designed 140 cubic inch overhead cam four with a lightweight aluminum alloy block. You can order the optional engine which has a 2-barrel carburetor and delivers 20 extra horsepower. The brakes are something too. Discs are standard in the front, new-type drums in the rear.

The wheelbase is 97 inches. Width: nearly 5 1/2

nice, stable feet. Weight: 2,190 lbs. for the standard sedan. Engine displacement: 140 cubic inches; horsepower: 90 SAE gross, 80 SAE net. Seating Capacity: four adults. Turning circle: 33 feet, curb to curb.

What it all adds up to is a lot of little car.

Three cars and a truck.

Vega turned out so well that we couldn't turn out just one. So we made four: a sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kamback wagon, on the left; and the little panel express truck, in the rear.

You have a choice of 10 outside and 5 inside colors plus a pretty fair selection of available options.

September 28th is Opening Day.

All Chevrolet dealers across Canada are handling the Vega, so you shouldn't have to go very far to find out more about it.

Chevy's new little car is open for business. Look into it.

Federation News

by Roy Hagan

A sure sign that autumn has arrived in Haldimand County. When once again it is Caledonia Fair time, an opportunity for people in the area to display the result of efforts through the year. Its reported that this fair promises to be bigger and better than ever. With expected numbers of entries in many classes to break all time records.

According to reports this is one of the few fairs in the province that is holding the line on cost of admission, an entertainment value second to none.

Past years experience certainly is a great credit to the many people in the area, who make this fair such a traditional success.

Again this year the Haldimand Federation of Agriculture will have a tent booth on the grounds in co-operation with CIAG, the Caledonia Credit Union and the Haldimand Milk Committee. With an added Federation feature, the

members of the executive will be on hand to answer questions and explain Federation programs of service available to Haldimand farmers.

Lion Chief Neale Hoover reported that we had 100 percent attendance at the last meeting. A motion was made that we participate in the district Effective Speaking Contests. Another motion was made that we contribute to the Muscular Dystrophy Association.

Our next meeting will be held on Tues. Oct. 13 because of the Thanksgiving holiday on Monday.

Lion Jiggs Montague thanked the members for their effort in making the Walkathon a success, everyone is urged to get their money turned in either to the Bank or Lion Jerry Vaughn.

Our guest speaker Mr. George Bartlett, was introduced by Lion Bryce Linklater. Mr. Bartlett told of the pesticides they manufacture, for the fruit growing industry, also of the machinery they handle for the fruit growers and processors. Lion Harold Johnson thanked Mr. Bartlett and presented him with a token gift.

Lion Murray Fleming gave a report for the dance committee and reminded everyone of the next dance on Oct. 10 with the Clubmen again providing the music.
