

West Haldimand General Hospital Auxiliary Annual Meeting

Mrs. S. Brown, president, welcomed 122 members and 27 visitors and guests to the annual meeting held in the Hagersville United Church Education Wing on Wednesday evening, April 7. Mrs. E. Bacher said grace and the ladies and gentlemen sat down to a bountiful turkey dinner served by the UCW. Following dinner, Mrs. J. Vanloon took her place at the piano and lead us in a lively sing song which proved to be exercise to ease that full feeling and much enjoyed by all. Mrs. W. R. Slack offered for serving a fine dinner and to Hagersville Unit members for hosting the evening.

Mrs. W. Nauman, past president, introduced the ladies and gentlemen of head table. Greetings from head table guests included Dr. R. G. Hyde, chairman of the Hospital Board; Mr. W. Van de Ven, hospital administrator; Dr. R. N. Huschilt, chief of medical staff and Mrs. B. Webb, director of nurses. They all expressed thanks to the ladies for service and equipment. Mrs. K. L. Cust brought greetings as

President of District 4 in the Provincial Association. Mrs. Ruberry, incoming president of District 4 accompanied Mrs. Cust. One minute silence in memory of Mrs. Alex Douglas, Caledonia Unit was followed by the Auxiliary Prayer.

Mrs. Brown then conducted the business which began with the election of officers for 1971-72. Mrs. W. Nauman, chairman of the nominating committee read the new slate of officers. Mrs. Cust then installed the 1971-72 executive and wished each officer congratulations and success in the coming year. The 1971-72 executive is as follows: Past President, Mrs. S. Brown; 1st Vice President, Mrs. H. I. Snowden; 2nd Vice President, Mrs. W. R. Slack; Recording Secretary, Mrs. H. Gowan; Treasurer, Mrs. R. Turner; Corresponding Secretary, Mrs. B. Munro; Coffee Shop Convener and Treasurer, Mrs. L. Martin; Volunteer Convener, Mrs. W. Nauman; Assistant Volunteer Convener, Mrs. C. Thompson; Public Relations, Mrs. E. Bacher;

Sewing and Pegboard Convener, Mrs. K. Schwyer; Library and Records, Mrs. H. Mehlenbacher; Bursary Committee, Mrs. R. Miller and Mrs. F. Steele; Nominating Committee, Mrs. W. Nauman, Mrs. J. Mehlenbacher, Mrs. F. Forbes and Mrs. R. Anderson.

Mrs. Brown hoped that everyone had received their annual reports. The annual report concludes another very successful year and that over \$10,000 in equipment was donated to the hospital in the form of wheelchairs, X-ray equipment, typewriter, voicewriter, installation of film processor, geriatric chairs, traction aids, orthairtome, orthopedic equipment, recorder transcribers, handfree microphone, two secretary stations, dictate station, telephone couple, four air conditioners, a croutet commodes, stepstool, stepstands, books and handicraft supplies. This increases the donated equipment total to \$45,000 since the hospital's opening. So if you wonder where your money goes when you

buy a ticket on a draw, support any auxiliary project or patronize the coffee shop, you can see that you have played a part in putting equipment in our hospital that is not in the hospital's budget. A grateful thank you to residents and friends of West Haldimand who have supported the auxiliary in the past year and hope you will continue to do so as you are supporting your hospital.

An invitation to attend the Spring Conference of District 4 in Niagara Falls, April 21 and 22 was extended to all members. The business section was then adjourned.

The audience was then treated to "Fashions and Functions of Hospital Personnel" with Mrs. B. Munro as commentator. A fashion show revealed the different types, styles and colors of uniforms worn by the personnel of various departments of West Haldimand Hospital. The models were in fact members of these departments. Mrs. Munro commented on the fashions and duties of each department from the time

patient is admitted to release. Approximately 11 departments are concerned with your well being. The last fashion was that of the new style auxiliary smock which delighted the audience. Many thanks to the models of the evening, the co-operations received from the departments in preparing the material and to our commentator. It gave

an insight into the running of our hospital, even though Dr. Huschilt operates and capable staff we have at West Haldimand.

Draws for gifts took place throughout the evening and coffee brought the pleasant evening to a close.

The executive meeting of the hospital board was held May 5 at 1.30 p.m.

Mrs. Ross Dosser was named as delegate to the Officer's Conference April 27, 28, 29, at the University of Guelph. She has later withdrawn and no delegate will go from Jarvis.

A dainty lunch was served.

Hagersville Happenings

by Pat Mackereth

On Saturday evening, the Triple F Club of Hagersville United Church welcomed a group of 40 residents of the town, and the townships of Walpole and Oneida, to a discussion of Regional Government as it might affect the Haldimand/Norfolk area. After a short devotional service, conducted by Mr. John Van Loon, assisted by Mrs. Van Loon at the piano, Mr. Earl McConachie introduced Mr. Graham Hitchins, from the University of Waterloo. Mr. Hitchins and his two assistants divided those present into three groups for more convenient completion of the questionnaires relating to present municipal and county government, and possible changes. Each group then had a lively exchange of differing opinions on the possible advantages and disadvantages of regionalized government, from the points of view of both town and rural dwellers.

The staff of Parkview Public School was pleased to welcome over 300 parents to Open House last Thursday. This was an opportunity to visit the classrooms and to see the work displayed by pupils throughout the school. A highlight of the evening was the exhibition of different art techniques and media by the pupils of grades seven and eight, under the direction of Mrs. Gail Gibson. The principal, Mr. Rodger Mackereth, on behalf of all the staff, wishes to thank those who attended, and helped to make the evening such a success.

On Monday morning, pupils from Grade seven and eight at Parkview had an interesting and educational excursion to the Nanticoke power-generating station on Lake Erie. Mr. Colin Hendry introduced the 26 youngsters to the basic principles of thermal, nuclear, and hydro-electric power generating systems. The boys and girls were

taken on a tour of the plant, where they saw the two generating units already completed, and the six that are being prepared for future use. The tour ended at the Information Centre, with a film depicting the three types of power-generation at Pickington, Lakeview, and Niagara Falls.
