## Commercial League Report

by Winston Sardine  
 As the regular season draws to a close and the playoffs approach, excitement builds, teams try harder, and often, unpredictable things happen.  
 On Tues. Feb. 2, the 14th games of the 15 game schedule, were played before some cold but ardent fans in the Hagersville arena. Having the strong desire to finish in first place, the Garnet Ploughboys came out strong and potent, beating a hard pressed team from Jarvis 5-1. Bobson opened the scoring for Garnet in the first period, only to have Wayne Holl retaliate, finishing off pretty play from D. McDock and J. Hazlett. As the second period progressed, the heavy hitters of the Ploughboys unloading on Jarvis goalkeeper Pete Mosier. Saunders boomed in a point shot, then Bobbie tipped in another ripping drive by Saunders; Beischlag also assisting. McKeen made the 4-1 for Garnet as he in a nice goal-mouth from the league's top scorer, Barry Miller. In the third stanza McKeen once again led the net, and despite the valiant effort by the Nicoll, Jim Hazlett and Dennis Craddock, the chants were dropped last place, with a big against Fisherville on ahead of them, those who saw the Hagersville-Hagersville game missed perhaps the finest performance this season in Commercial league. The youthful wackers wanted this badly, and came out fighting, scrambling and pinned. Blair Otterman led the scoring, beating Davis cleanly off a Schweyer pass, then man set up Glen for the 2-0 score as period ended. The fought back in the period as Ed Swing led a Jim Munn and Wilson passing play. Rick Nagle made it Matt Held assisting. Simons closed the gap on a pretty in-close set up by Pat Lorimer and ended Blair man stole a loose puck broke in alone to beat hawk - netminder for a hushwacker lead. Early in the third period man again broke in and was hauled down behind, but was

awarded a "penalty shot" - Blair missed on that effort, but later broke away again to score his third goal of the night. That seemed to break the backs of the pressing Hawks. As the game ended Bill Prince fired in a goal from Lorimer and Richardson, but the upset had been recorded, sound and solid. My congratulations to the entire Fisherville team and special praise must be given to Blair Otterman's sensational performance. Since Mel Held has taken over the reins, this team has defeated both the Ploughboys and the Hawks and are gearing themselves for a big encounter with Jarvis this week. Coach Lou Atkinson has told this reporter that his Hawks will be ready by the 16th for some real action - Lou plans to "fire" his players "up" in some special way. Wonder what he means?  
 The final contest of the evening saw a stunning upset by the Smoothtown Bruins over an injury-depleted, but still potent Flyer club. Arnold Thomas led the Bruin assault with two goals, and singles went to Allan White, Cy Johnson and Dan Sandy. The 5-0 victory boosted the Bruins into fourth spot just ahead of Fisherville and Jarvis. This game was again a team effort as Eldon Hill picked up three assists, as did George Bombrerry, and the whole Bruin squad finally got it together in front of goalie Dave Halpenny, whose sensational play seemed to spark his team mates on. Great game boys; good luck against the Ploughboys this week.  
 By the time this report is read either Smoothtown, Jarvis or Fisherville will be in the final play-off position - it's that close! Play-off action commences on Tues. Feb. 16 and for some real exciting hockey, bundle up warm and come spend a few hours watching your friends and mine in healthy competition. Good luck to all teams; see you next week.  
 This year, Canada's first commercially competitive nuclear power station - the Pickering plant, 20 miles east of downtown Toronto - will start supplying power to Ontario homes and industries.

by Pete Myke  
 On Saturday Morning our Canadians lost to Bruce Fleming and the Jarvis Bruins 4-3, as Bruce scored all four goals for Jarvis despite a great defensive setup by head coach Pic Webber. Roger Webb scored our first goal on a pass from Bryan Webber. Ricky Anderson played another aggressive game for the Canadians and scored the second goal. Scott Webber flipped the puck at the Jarvis goal tender and Jeffery Myke banged home the rebound, but it was not enough to take the Jarvis crew. After two losses in a row we will have to look into Pics' coaching book to see if he has got the answers.  
 Ken Graham took 11 players and Kirk Brown to Waterford on Friday night and downed Waterford by a score of 4-2. This is the first victory over Waterford this year and comes at a very good time as Hagersville starts their playoffs this Friday in Waterford at 9 o'clock. Bob Melenbacher, Ray Miller, Mark Steele and John Kincaid scored for Hagersville and Kirk Brown played a whole of a game in goal to allow Waterford just two goals. They are going to need this type of effort on Sunday afternoon at Hagersville, game time 4:30 in order to come out on top. Lets all get out and give the boys some support in the play offs.  
 IGA PEE WEES Lose 6-2  
 Play off time has arrived. Our Novice team bowed out of the play off picture dropping straight games to Waterford early last week. On Monday night the IGA boys dropped a 6-2 decision to Waterford in their first game of a best of five series. Bill Nagel scored an unassisted goal, and later in the game Kevin Smith fired home another one but this is all the fire power the boys could muster and this came from defencemen. Ross Smith played a sound game in net for Hagersville but the boys up front just weren't skating, they travel to Waterford on Thursday and back home next Monday.

## Minor Hockey

**BANTAMS WIN 5-0**  
 Glen Jonathan got a lot of help from all of his team mates and shut out Waterford 5-0 in the first game of their best of five series. Action resumes on Thursday night in Waterford and back home next Monday at 8 o'clock. Bill Nagel led the assault for Hagersville firing home two goals. Paul Townsend, Craig McKeen and Randy Phillips scored single goals to wrap up the victory for Hagersville. It's awfully nice to win the first game of the series and we hope Mike Salvatore can keep the boys fired up and out of the penalty box for the return game. This was a real fine team effort, the kind you need to win in the play offs.  
**MIDGETS DEFEAT NORWICH IN THRILLER**  
 Larry Simon and Bill Prince put together the right combination on Monday night as the Hagersville

Midgets skated off with a thrilling 2-1 win over a hustling and big bunch of Norwich players. Steve Pettracca played a sensational game between the pipes for Hagersville and while he was beaten by one soft goal he kicked out many other ones that were labelled. Dean Webb took a pass from Hewson and McKeen on a power play situation to score his first goal of the night. Terry Fryett playing a very good game set Dean up for his second goal of the night and this was all the power we needed. Ross McKeen, Bill Nagel, Wayne Johnson played standout hockey on defence while the boys up front did their job of checking both ways. The snow storm forced Larry and Bill to dress three bantam players but they did not look out of place. The boys go to Norwich on Thursday and come back home next Monday, game time 9 o'clock.

## Intermediate Hockey

Donations continue to come in to support the local entry in the ORHA Intermediate "B" play offs. S. S. Transport, Hewitts Decorating and R. A. Bennett Insurance Agency are the latest ones to pitch in and help. Larry Atkinson and John Maggio have put in a lot of time getting this team off the ground and into the play offs. On February 27 this team will be entered into a Tournament being held here in Hagersville all day and Saturday night. Keep this date in mind and watch next week for more information about the tournament and about our opponent in the first round of the play offs.

## Overseas Tour

**HAGERSVILLE** - Some 54 students of Hagersville Secondary School are working hard to raise money for a proposed trip to Europe in July, 1972. The trip is proposed for the students are members of the school's concert band which was formed in 1967 under the direction of music director George Shippey. It has 22 boys and 32 girls who are grade 10 and 13 students.  
 Plans for the 24 day trip include a bus tour of Italy, Switzerland, Germany and Denmark before crossing the English Channel to England where the group will spend a few days before returning home about the end of July.  
 The itinerary for the band while in Europe is still in the planning stages but hopefully plans will include performing at concerts and festivals with one or two performances in England before returning home.  
 To date, Ontario Hydro has spent or committed over \$50 million on air quality control.  
 Computers play a big part in the operation of modern thermal-electric generating stations. Pickering nuclear station, slated to begin operation this year, will have eight computers controlling the operation of its four units.

## Junior Hockey

by Pete Myke

The Hagersville Juniors are coming down to the end of the line for this year when they host Port Dover Sailors this Thursday night. For the people who have thought I have been a little hard on the boys this season, see if you all can get out to the arena and give them your support in this their final game. For some it will be their last game of Junior Hockey and for others there will be quite a few years and many games left.

On Sunday the boys went to Delhi and after only nine seconds Dave Zintel banged in a goal. Delhi wanted this game and they rapped in three goals in one minute and 20 seconds to go ahead 3-1. Before the first period was over they held a 5-1 lead. Spies and Otterman fed Davey a pass for one goal, then McKeen and Almond set up Donalson for Hagersville's third goal before the second period ended. Half way through the third period Glen Hewson fired in an unassisted goal to narrow the margin to one goal at 5-4. Bruce Disher played very steady goal up to this point but Delhi fired two quick goals by him at 17:40 and 18:31 of the final frame to skate off with a 7-4 win. This was a fast moving game and only seven penalties called five of them going to the Hagersville lads. Lets all try and get out for the final game of the season on Thursday.
