## Junior Hockey

by Pete Myke

It was a disappointing holiday season for coach Jim Vanni as his boys lost two games to Caledonia 8-2 and 7-2. This just about finishes any hopes Hagersville has of reaching the fourth and last play off spot.

Leading scorer Nick Panzouri will also miss a lot of the future action as he took exception to some of the calls made by the referee in Caledonia. In all fairness to Nick this writer is also a referee and he could not see eye to eye with this same official last year.

We have no longer got Bill Buckley in this area doing OHA games which should please a great deal of our fans, "what say Russell."

On Sunday night the Hagersville Juniors played their best game of the year but lost to Norwich 4-1. This was a 2-1 hockey

game till the 14 minute mark of the last period when Norwich beat Bruce Disher for two goals. Up to this point they could not seem to find any open holes on Bruce. John Kincade scored Hagersville's only goal and proves that John belongs up in Junior Company. I have seen John play many fine games for the juveniles. Out of the players signed on Sunday only seven will not be back next year.

This is a young hockey club with many of the boys having 2-3 and even four years of junior hockey left. Maybe we have been expecting too much of these boys all year. On Thursday Jan. 7 the Hagersville Juniors will play an exhibition game against all the old time juniors. We did not prepare a complete list but all boys who have played junior hockey for Hagersville are welcome to play. All proceeds of this

so lets pack the local heated arena on Thursday Jan. 7.

There are still tickets available on the new Datsun being sold by the Hagersville Junior club.

On Tuesday night the Juniors play an exhibition from 6.30 to 7.30 against the Hagersville Intermediate team who is getting in shape for the playoffs. This team is being coached by John Maggio and consists of a lot of the over age juniors of last years, plus a sprinkling of old timers.

MORE READING

TORONTO (CP) — The Toronto Public Library Board wants \$90,000 more than the \$458,000 it spent on books in 1970, because more people are reading library books. The annual one-day count of books in use found this year that one-third of the libraries' books were out.
