

On The Green

by Roy Hagan
Lawn Bowling has been enjoyed for many years by people from all walks of life. Records of some of the people who have been prominent in the sport make interesting reading.

For example, few men have become legends in their own time; few, if any, have brought so much joy to those whose hearts are young; few, very few, have bridged the gaps of color, race and country and have become part of the world of countless millions. Walt Disney was such a man. Yet for all his greatness, he was a simple and unassuming person who loved life and the best there was in it. He loved his fellow men, especially the young. He loved sports and most of all the game of Lawn Bowls. Almost any weekend he could be found on the green, enjoying the game, and being with those who played or watched. It is reported to play with him was a series of delights. There was his salty humour — and language to match — his sportsmanship, his appreciation of a good shot.

Winners of last week's "Jitney" were: Ladies High—O. Strome, two 21+3 points; Second High—B. Vanni, two wins 20+5

points. Mens High—R. Hagan, two wins 21+1 points. Second High—F. Kiefer, two wins 20+3 points.

Sports Roundup

by Pete Myke
HAGERSVILLE PEE-WEES 5 PARIS 4

The Hagersville Legion Pee-Wees had to play an extra inning to down Paris by a score of 5-4 in eight innings. Roy Strohm pitched a fine game giving up eight hits, walking only three while striking out 11. Roy was very tough in the clutch picking up many of his strikeouts when Paris had men in scoring position. Richard Salvatore made the outstanding defensive play of the game when he came all the way from his center field position to catch a ball that should have been a routine out for either the short stop or the left fielder. Ed Fargarty hit a single double and triple to pace the Legion attack, with his last hit driving in the winning run. Phil Nie had a double and single for the only other hits off of the Paris hurler who struck out 16 batters in a losing cause. This moved the boys record to seven wins and three losses and a share of first place, so come out and give the boys your support and help to pay the umpires as they like their money before the game even starts.

JARVIS 16 ONEIDA 11

The Jarvis Pee-Wees got back in the win column with their convincing win over Oneida to move their record to five wins one loss and a tie. Dale De la Fosse pitched the full game for Jarvis with Denny Graham calling the signals. Dale gave up home runs to G. Smith, Leonard, and N. Aldridge but was tough when he had to be. G. Smith started for Oneida with Kett in the fourth and W. Fehrman doing the catching. Dale Vaughn unloaded a grand slam home run for Jarvis that won the game for them. Keep up the good work Jerry.

JARVIS 6 MT. HOPE 5

Jarvis Cheviens came from behind a 5-1 deficit with five runs in the top of the ninth to defeat the Mount Hope Mounties 6-5 in a thrilling finish. Mt. Hope had peaked away at Hub Fehrman to build up a 5-0 lead before Craddock's single and McKeens double gave Jarvis one run in the sixth. In the ninth McKeen singled, Ken Graham hit a fly to left that the fielder dropped, Gord Fehrman followed with a hit, then Pantzouri, Hub and Nie cracked hits to wrap up the game.

JARVIS 6 SELKIRK 3

On Saturday night John Nie and Nick Pantzouri combined to pitch Jarvis to a 6-3 win over Selkirk. Hub Fehrman paced the Chevie attack with a home run and a double. Paul Kett picked up a triple and a single, with Brian Smith, Barry Miller, Roy Reicheld and Bruce Biggar all striking singles. Schweyer got two hits for Selkirk, with Uniomini, Meehan and Lofthouse getting one each.

JARVIS WINS TOURNAMENT AT LYNDEN

The Jarvis Cheviens won the invitation tournament at Lynden on Sunday by playing some of their finest ball of the year. Coach Harry Reekie did a fine job as he only had 11 players and was down to 10 at one stage of the tournament as shift work kept a lot of the boys busy. Pantzouri pitched the first win hurling a neat four hitter. Jarvis got only three hits but made them count. Paul Kett, Fred McKeen and Nick Pantzouri got the hits with Graham scoring a run when he reached on an error.

The second game saw Jarvis down Pyetts in seven innings 2-1 in the best game of the day. John Nie pitched the win allowing only four hits and one run. Bailey hit a home run and two singles to pick up three of the four hits. Dennis Craddock had two hits for Jarvis with Brian Smith, Ken Graham, Nick Pantzouri, Paul Kett and Bruce Biggar getting one each. The third game saw Jarvis jump into a quick three run lead as Craddock singled, Brian Smith reached on an error, and Fred McKeen unloaded a home run to chase home three runs. In the third Graham and Pantzouri singled then Paul Kett chased them home with a smash past third. Leading 5-0 Nie ran into trouble in the fifth. Nick Pantzouri came up after four runs had come in and his winning hit saved the game and won the tournament, with a 5-4 win over Waxmans. This was a fine win for the boys. The Cheviens proved they were number one.

SIMCOE JUNIORS 1 HAGERSVILLE JUVENILES 0

In a well played and exciting game Hagersville lost a thriller to Simcoe 1-0. The game took only an hour and ten minutes to play. Ross McKeen pitched a brilliant three hitter but

chose the wrong day to do it as Jim McDonald of Simcoe hurled a two hitter and his team mates played errorless ball. McDonald struck out seven, walked one and gave up singles to Ross McKeen and Greg Garmon. Ross struck out nine, walked three but his team mates made two errors, one of them allowing the winning run to come home. Jim McDonald, Bill Swanton and B. Thompson were the only ones to hit safely for Simcoe. This is as good a ball as you can see anywhere so lets get out to see the boys in action this Sunday when they host St. Thomas at 2 p.m.

HAGERSVILLE LOSES TO WALSINGHAM 6-5

Hagersville Merchants lost a game to Walsingham by a score of 6-5 in Walsingham after holding a 5-0 lead. Ted Phibbs hit a tremendous home run to start us off on the right foot, then Larry Atkinson, Larry Cassidy, Dennis Craddock all hit safely to drive in two more runs. Phibbs, McKeen, Simon and Atkinson banged out hits to give the Merchants two more runs in the third. Larry Cassidy had control problems although he only gave up six hits he was in trouble with his base on balls every inning. Terry Gill, Steve Kyle and Bruce Leighfield had two hits with Leighfield bases loaded double, doing the most damage. Larry Quick started for the Senators but gave way to Steve Kyle in the third who pitched hitless and runless ball the rest of the game. Ted Phibbs and Larry Atkinson had two hits apiece for the Merchants with Jim Herkimer, Dennis Craddock, Fred McKeen, Larry Simon and Cassidy getting one apiece.

CASSIDY STRIKES OUT 23

Larry Cassidy passed Mel Fehrman's team strikeout record and set a league record on Sunday when he struck out 23 Simcoe batters on his way to a 3-2 victory. Larry struck out the side in the first, third, fourth, seventh, and eighth innings and had two strikeouts in each of the other four innings. The outfield did not have a putout with Mel Fehrman, Mark Steele, Larry Simon

and Hoppy being the ones to field a chance. Swanton was the only one to solve the left-handed tower shot over the center field fence against the score board to drive both Simcoe runs. Junior player Steve Petracca hit the big gun as he hit a home run to center field in the last of the ninth and as the throw was high coming to the Steve kept right on home with the winning run. Glen Hewson, Mark Steele and Larry Simon with the hits were the only hits for Hagersville as Ormiston pitched a pretty fair game himself, striking out 13 and walking two but the errors proved costly as the runs score. The Merchants played errorless ball for the first time this year. I would like to thank all the juveniles who filled in for the boys who were at Lynden at the tournament.

Larry Cassidy still left-hander of the Hagersville Merchants who struck out 23 batters.

TYKE BALL

Tyke ball has started and there are still openings for boys from 6-10 years old. Last week Jeff Myke and David McKellar led the tigers to victory. Myke had two home runs and two singles. Rick Pepper was the best man on the field for the losers.

Camporee Weekend

A Camporee Weekend was held June 24-26 for the girl guides and rangers of Haldimand. Some 151 campers slept under canvas for the weekend to enjoy the beauties of nature and outdoor cooking.

Lord Baden-Powell, who started scouting and guiding, hoped to bring the young people together to enjoy the out-of-doors and to learn to live together. This is exactly what happened at the Haldimand Camporee.

The girls, under the supervision of their leaders, put up their own tents, and at the end of camp took them down. The girls also cooked over open fires, some for the first time, with good results.

The weather permitted swimming on both the Saturday afternoon and Sunday morning with

qualified life guards in charge.

Saturday evening, a large campfire was held for everyone at camp, including girl scouts from Niagara Falls, New York, who had toured the camp that afternoon. The campfire was led by Miss Pat Petracca, commissioner for Haldimand, with each group of girls taking part, whether it be in performing a skit, or leading the other campers in song.

A Guide's Own service was held Sunday morning, led by Mrs. Keith Johnston of Blackheath, Haldimand Camp Adviser, and Miss Petracca. This is a service which incorporates the basic ideals of guiding and is not based on any religious denomination.

Camps were dismantled before and after lunch, and happy campers headed home Sunday afternoon.
