"Easy Terms on Your Monthly Gas Bill"

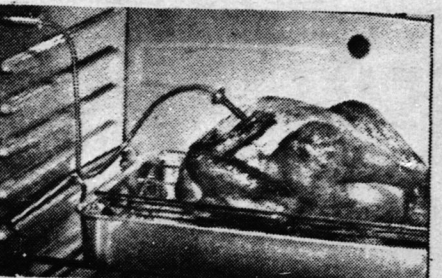

**DELAYED COOKING** PROGRAMMED COOKING is a standard feature on many Enterprise ranges. Oven "On" and Oven "Ready" signal lights are an exclusive Enterprise plus.

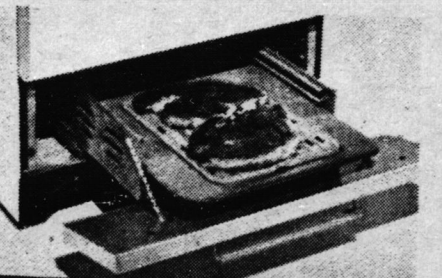

**QUIET OPERATING ROTISSERIE** an optional accessory, is pre-wired for you at the factory. Easily installed by your dealer to let you enjoy delicious roasts on a spit.

**REMOVABLE OVEN DOOR** lifts off for easy cleaning. Chrome plated racks slide out easily, no tip. Oven interiors are easy cleaning Blue Sand porcelain or gleaming Miro-Chrome.

**MEAT-MATIC ROAST METER** allows you to cook with the gourmet touch of a roast precisely rare, medium or well done. Just insert the Meat-Matic probe in roast, and set controls.

**SMOKELESS BROILER** a separate high speed, even heating broiler with radiant gas flame. Seals and seals the succulent juices and flavour of steaks, chops, fish - free from smoke and odour.
