

## Golden Horseshoe Antique Society

**"SHOW WEEK"**  
The week of the show and with this in mind, we are very pleased to bring to our readers the "wind-up and count-down" in the form of our Mayor's own report from Golden Horseshoe City.

Dear Friends and Visitors:  
Golden Horseshoe City incorporated, operating on the Caledonia Fair Grounds, July 31, Aug. 1 and 2, of 1971, by the Golden Horseshoe Antique Society, promoting a Yesteryear Village and Steam Rally as well as many precious items of the early years on display, which follow in the hobby of such shows.

The society and city developed from the centennial program and it now has 200 members from across Ontario and the U.S.A. The city has its mayor and controllers, etc. In the past year a junior executive has been formed, creating interest for the younger people with antique interests. Their first project is the erection of a school house to add to the Village. Come along and meet the teacher, Miss Mary Hutty, of Caledonia. Items of interest for the school will be accepted by Rick Crossman, John Wickett and Miss Hutty. The Juniors will also help Haldimand's Dairy Princess, Valerie Bradford and the Ontario Dairy Princess, Miss Dianne Gunning, host for three days at the Haldimand Milk Board's booth. Thanks to Joe Nelles, who is in charge of the public relations of the Milk Board.

A new activity this year is the promoting of music in the form of a fiddle contest open to all ages, to take place on Sat. evening after the parade and opening of the show by the Dairy Princess and the Hon. James Allen. For Sunday, another new venture in the field of music, will be the country and western ole tyme orchestra contests, applications being accepted by Fred Hewer, of Caledonia.

For many, the annual horse pulls seem to be one of the highlights of our

show. On Saturday there will be professional horse pulling teams from Quebec, while on Monday there will be pony pulls, heavy horse pulls of local and district teams.

The Norwich Historical Society are adding to our show this year as a friendly gesture and one of their items will be a drag saw, and from Fort Erie we will have two boys, 16 years old, coming with 10 engines which they restored themselves.

We will have over 20 stores and shops this year as well as our food booths, hospitality tent, an historical information booth in charge of Robin Kerr, assisted by Mrs. Dorothy Hutton. Bring along your family tree and share some of those historical tales with "friends around."

This year there will be the second edition of the Golden Horseshoe Cook Book on sale. This year it features salads and desserts that don't need "a-cookin", nice for hot summer days ahead.

The affairs of the Golden Horseshoe City will, of course, be administered from the "City Hall", and we urge all visitors to make a special effort to register in the guest book, and if they are so inclined, to 'set a spell' on the gossip bench and enjoy a chat with friends and neighbors.

Hope to see you around.

Mayor,  
Fred Thompson

**NO FRENCH GUIDES**  
TORONTO (CP) — A Quebec exchange student said she likes Toronto's hospitality but is disappointed at the lack of French-speaking tour guides. Dorothee Francoeur, 16, of Hopetown, Que., one of 165 Quebec students now staying with Toronto area students in a program sponsored by the Canadian Council of Christians and Jews, said that when she visited Casa Loma, she couldn't find a guide who spoke French.

## On The Farm Front

The 1971 edition of the prize list for Haldimand's Caledonia Fair is now available from Secretary-manager, Reg Hudspeth, Caledonia. While the closing date for entries is a few weeks away it is none too soon to start making plans for this year's show, Sep. 30, Oct. 1, and 2.

Exhibitors will take special satisfaction this year from knowing that their fair is rated Class A — there is no higher rating.

This is Farm Safety Week. For most of us safety is a dead issue (pun intended). We don't need safety until we have an accident and of course accidents always happen to

the other guy. We've been sticking our fingers and hands into moving machinery for years and haven't been caught. We need to have our kids trapped into farming as unpaid help as young as possible by getting them fascinated with the machinery, even if sometimes they get fastened (instead of fascinated) into or under (instead of with) the machinery. And on the farm, of course, we don't get tired — we're used to the long hours, so we don't need to take special precautions or a coffee break, etc. — OR DO WE?

\*\*\*  
Dry weather this year points up the value of weed

control and adequate fertility. In corn especially, the need for weed control becomes apparent when the weedy corn field shows need for moisture before the neighboring field with good weed control. Fertility too helps to make up for the shortage of moisture.

\*\*\*  
Congratulations are extended to Home Economist, Susan Brice, on her recent marriage to Sandy Bailey and her transfer to the Toronto office where she will be serving Ontario as a specialist in foods and nutrition. Susan's

replacement for Haldimand and Norfolk is Home Economist, Betty Con-

Is rapeseed likely to become a cash crop for area? Canadian Vegetable Oil Processing Ltd., Hamilton, is installing equipment to crush rapeseed. By or during the summer, the Red Liners Car crushing about 500 tons a day. At the present time they would only be interested in a new variety named 'Spartan'. Eventually, it is assumed, varieties of higher yield winter rapeseed suitable for crushing will be developed.

## Lamb's Corners W.I.

Mrs. William Lamb was hostess for the July meeting of W.I. at her new home.

The president, Mrs. Russell Hare welcomed all present and presided for the meeting with Citizenship as its theme.

The roll call was answered by each member suggesting "What we can do for our Senior Citizens."

The minutes were read and approved. Financial statement received.

Mrs. Albert Sheppard will be the leader for the forthcoming 4-H Club project. Miss Diana Verboon will assist.

Mrs. E. M. Sider will be hostess for the August meeting held at the Wilson McDonald Museum. The grandmothers will be honored at this event.

Mrs. Hubert Field convened the program, opening with an appropriate article on Citizenship written by Mrs. Cornelia R. Wood of Stoney Plain, Alberta.

Mrs. Jack Hamilton prepared the motto "Friendship is the only cement that will ever hold the world together."

Mrs. Jack Wood read the topic prepared by Mrs. George Hedges who is holidaying in British Columbia. Mrs. Hedges topic "A man of the hour and what he is doing for his country" outlined the life of the Hon. Roland Mitchener. Governor General of Canada. Everyone enjoys the complete life history of this

## 4-H Field Crops

The July meeting of the 4-H Field Crops was in the form of a trip on Thurs. July 15.

In the morning we travelled to Brampton and toured the Ontario Seed Cleaners and Dealers plant where we saw the methods of cleaning forage seed and the cleaning problems produced by various weed seeds.

We enjoyed our lunch in the park at Brampton and went on to the Master Feeds Research station at Georgetown. We toured the different buildings, the farm land and the green houses and observed the grain breeding program and the various feeding plans for the farm animals.

## Hagersville Highlights

### JBS' CAR WASH AND A SUCCESS

Yes, we feel it was a successful event, much more than the car rally we organized previously." This statement given by club member, Jim Sloat, the Red Liners Car Wash and Wax at Hagersville Market on Sunday, from 10 to 5.30 p.m. on July

vehicles going through busy line numbered 31, only one truck being left in for a wash and wax. The remainder of the day were automobiles, much elbow grease was used previous to their entering the finishing line.

Reeve John A. Kincaid, at the opportunity to his car "sparkling," as having the two Hagersville Police Cruisers and waxed.

Even though the event scheduled for both Monday and Sunday, it was called due to the severe storm for Saturdays of 1 to 5 p.m. energetic club members numbered 21 who took

their turn on the line in the severe heat and humidity. Two girls also helped brighten the morale of the working members during the day, by joining the polishing crew.

Officers of the club who were present and doing their share, were Treasurer, Dave Mitchell, and Secretary Russ Gill.

Due to his working commitments, President, Jim Strohm, was unable to give his assistance for the day.

### VOLUNTEER FIREMEN RESPOND

A fire which had made some headway and resulted in a grass fire, was responded to most quickly by the Hagersville Volunteer Firemen, on Tuesday, July 20.

Located near the large barns of Frank Peart, First Line of Oneida Township, the fire was brought under control, after the call was received at 4.45 p.m.

Once again the firemen were required at an early morning house fire on Sun. July 25 at 1.20 a.m.

The home of Mr. and Mrs. Stanley Slack, RR 4, Hagersville, received much smoke and heat damage to the main part of the house, while the back kitchen and wood shed were completely gutted by the fire.

This is still under investigation to find the cause of the mishap, which occurred in dense foggy driving conditions.

Mr. Slack has insurance coverage for his house.

An emergency flooding situation on Saturday afternoon July 24, was also taken well in hand, and remedied most quickly and efficiently by the Hagersville Volunteer Fire Department.

The flooding occurred at the Hagersville United Church, Main Street South, where the kitchen, wash rooms, Junior Sunday School Rooms, and hallways were completely flooded.

Fire Chief William McClarty, assisted by volunteer firemen Cloyce Slitter and Doug Thomas responded to the call for aid.

This situation arose at a most inappropriate time, as the women of the church were catering to a wedding reception for over 100 guests, the same afternoon.

### MISSIONARY HOME ON FURLOUGH

Miss Leota B. Werner, missionary home on furlough from Trinidad, accompanied by her sister, Mrs. William Deal of Vittoria, visited friends and relatives in Hagersville recently.

They had just returned to this area, after a trip to the Western Coast of Canada to renew acquaintances.

Miss Werner departs on Aug. 9, to resume her missionary vocation in Trinidad B.W.I., where she is expecting to work for another two years before retiring from the field.

### LINDA JOHNSTON NAMED TO EAANS LIST

Attaining a semester average of 3.200 was the achievement of a Hagersville girl recently.

Miss Linda Johnston, the daughter of Mrs. Edna

Johnson, has been named to the Deans' List at Baptist Bible College, Clarks Summit, Pa., for the spring semester, due to this scholastic standing.

### HOLIDAY PROCLAIMED

Reeve John Kincaid, and the Hagersville Municipal Council, of the Village of Hagersville, has by resolution, declared Mon. Aug. 2, a public civic holiday.

### KAREN ESSELMENT SOLOIST AT UNITED CHURCH

Ten year old Miss Karen Esselment of Main Street North, Hagersville, was soloist at the United Church, Main Street South, on Sunday July 25.

During the morning worship service, she sang "My Lord Knows the Way," accompanied by the church organist and choir leader, Mrs. John Vanloon.

Karen is a former pupil of Miss M. Johnson, Jarvis, a teacher at Northview Public School, Hagersville.

### REGIONAL GOVERNMENT

"Certainly not too many people interested in Regional Government from

## Nanticoke News

Mr. and Mrs. Omar Rowell of Brampton spent a few days with their parents Mr. and Mrs. Lyle Somers and Mary.

Mrs. Betty Barons and her mother Mrs. Cain of London spent Sunday with Miss Stella Pratten.

Mr. and Mrs. Howard Dennis have been holidaying in the Kiwartha Lake Region.

Mr. and Mrs. Bruce Carr of Dundas spent Saturday evening at the home of Mr. and Mrs. Harry Evans.

Mrs. Helen Thompson and Mrs. Dorothy Vernon of Caledonia visited Miss Stella Pratten and they enjoyed lunch at the Marina.

Congratulations to Mr. and Mrs. Gerald McKenzie on the birth of their baby daughter.

Mr. and Mrs. Ken Young, Brantford, and Mr. and Mrs. Cecil Hedges spent Tuesday evening with Mr. and Mrs. William Crawley.

Mr. Stuart Miller, Colchester, had Thursday dinner with Mr. and Mrs. Cecil Hedges.

Mr. and Mrs. Lyle Somers and Miss Stella Pratten spent Thursday evening with Mr. and Mrs. Art Vokes, Port Rowan.

this area," was the way one local resident of Hagersville summed up the meeting.

Some 40 local and area citizens, were all that attended the widely advertised meeting at the Hagersville Municipal Building on Thursday evening, July 22.

This was a public meeting, held in the council chambers, and was a chance to voice an opinion now, regarding this plan.

Guest speaker of the evening was Mr. N. H. Richardson, a graduate of McGill University. Mr. Richardson was the planner and later the deputy director of the Lower Mainland Regional Planning Board of British Columbia, a staff consultant with the city of Toronto Planning Board, and now the director of the Ontario Government's Haldimand-Norfolk Study.

He has the responsibility for preparing a comprehensive plan for the Haldimand-Norfolk area of south-western Ontario, and also for recommending a new system of local government for this area.

Introducing Mr. Richardson, was Reeve John Kincaid, of the Village of Hagersville.

Attending the meeting also were Councillor Norman Crawford, and Ex Reeve, Roy Hewitt, as well as representatives from Norfolk County.

This study is prepared by the Ontario Department of Municipal Affairs.

### YOU DON'T SWIM?

If you are one of the several million Canadians who cannot swim, the Department of National Health and Welfare advises you to take advantage of the readily available instructions at YM — YWCA's community pools and other recreation centres.

Learning to swim is an important safety precaution. Some day your life may depend on it. It also opens the door to a vast new world of pleasure.

Basic swimming should be taught by experts. Don't let the word "experts" scare you, though. Swimming lessons may be obtained very inexpensively.

PLUMBING — HEATING — ELECTRIC Jarvis, Ont.

## "It's the man about the wiring, ma'am."

It's true, living in any older home without up-to-date wiring just doesn't hold a candle to truly modern electrical living.

The changes that electrical modernization brings will brighten your life throughout every room in your home — for years to come. You'll have more outlets and switches where you want them, better performance from your appliances — and you can even add the year-round comfort of electric climate control.

And rewiring an older home needn't be complicated or expensive. The cost will probably be less than you imagine, and the Hydro Finance Plan makes it easy for you to budget.

For greater comfort and convenience — and an extra margin of safety, too — call your qualified Electrical Modernization contractor. Or ask your Hydro.
