## Before you use your back, use your head.

Throwing your back into something means that maybe you might just throw your back out. That's painful and no way to enjoy the nice things in life. When you've got to

move or lift something, first test the weight. If you can't lift it easily, get some help. That's self-defence. And it works, for you and your family.

**Self-defence. It works.**

## Sports Roundup

by Pete Myke  
**JARVIS 8, FISHERVILLE 3**

Jarvis Chevies romped to their third straight win in the Tri-County Softball League Tuesday night by pounding Fisherville 8-3. Bill Prince paced the Chevie attack with a home run and three singles.

Pitcher John Nie collected a double and two singles to help his own cause. Roy Reicheld and Fred McKeen also hit home runs in a real display of power by Jarvis.

Brian Smith, Barry Miller, Paul Kettal, Gord Fearman, had singles, Smith getting a double along with his single.

Pitcher Nie went the distance for Jarvis giving up three runs on 14 hits while striking out one and walking one.

This was the best game that Jarvis has played defensively this year as only four balls were hit to the outfield all night.

The Chevies did not make an error in the infield and this is the type of defence that coach Harry Reekie said his boys are capable of playing.

Hoskins and Baker got three hits apiece for Fisherville with Roth, Fulson and B. Fulson getting two hits each.

Ottoman and Gee picked up a hit each to account for Fisherville's total. Laird Campbell struck out seven and walked one but hit two batters while going the route.

Nie and Fearman, Campbell and Gee.

**CHEVIES WIN FOURTH STRAIGHT**  
The Jarvis Chevies won their fourth straight game

on Saturday night by downing Mt. Hope by a score of 8-3. The Chevies got eight runs on 13 hits and one Mt. Hope error.

Phillips struck out six Jarvis batters but did not walk a man. Big Gord Richardson had two hits for Mt. Hope as did Marshall and Holstein. Pettigrew and Vedar had singles to round out the attack against Nick Pantzouri.

Nick was in complete control of the game at all times but his lack of control, (eight bases on balls) along with the eight hits he gave up kept him in trouble in the first and fourth innings when Mt. Hope scored their three runs. Five timely strikeouts helped him go the distance.

For the second game in a row Jarvis played errorless ball and if Nick can get a little more control there will be no sweat in the Chevie camp.

Ted Phibbs led the Jarvis attack with two doubles and a single. Dennis Craddock hit a triple and two singles to go along with Bruce Biggars and Nick Pantzouri's two hits. Fred McKeen, Gord Fearman and Hub Fehrman each rapped a single for Jarvis.

Bill Prince sat out the game with a leg injury but his presence was not missed half as much in this game as it was in Hagersville on Sunday.

Phillips and Steibecker, Hoskin (7), Pantzouri and Fearman.

Jarvis play at home on Saturday June 12 against Simcoe Nite-Hawks.

**HAGERSVILLE INT. 6 WALSINGHAM 2**

The Hagersville Intermediates romped to a 6-2 win over Walsingham on Thursday night with Robby Johnson being the big gun picking up two home runs and a single, driving in five runs and scoring two himself.

In the first inning with two out Wilson singled, Bill Prince doubled and both rode home on Johnson's towering home run over the left field fence.

Prince pulled a muscle running out his double and will be lost to the team for a couple of weeks. After Herkimer reached base in

the third Johnson lined a single to center to score Herkimer. When he came to bat in the seventh Johnson unloaded again and boomed another shot over the fence in left.

Paul Kett got into the act in the eighth and hit a solo job over the same fence in left to wrap up the scoring. Larry Simon, Denny Wilson and Winston Sardine had two hits each with Prince and Ted Phibbs getting one. Sardine started for Hagersville and pitched some pretty good ball allowing two unearned runs, four hits, walking four and striking out six in six full innings.

Winnie got out of a jam in the second by a double play from Craddock to Wilson to Simon.

Paul Kett came on to pitch in the seventh for the first time in two years, and looked quite impressive shutting out Walsingham over the last three innings on one hit four walks and striking out five. Terry Gill, Kyle, Ahrens, Hodge and DeWaele collected the hits for Walsingham.

Helmer and Leighfield, Sardine, Kett (7) and Phibbs.

Umpires - Hodgson, O'Donnell and Downey.

**MINOR BALL**

The Hagersville Legion Pee-Wees shut out Caledonia 3-0 on Wednesday night. H. Binek started for Hagersville and gave up one hit, walked four and struck out three in four and one third innings. After two men reached base in the

fifth Billy Winger came to put out the fire and out seven of the eight he faced. This was a fine job of control pitching by a young man and we hope to see more of the same next year. Hagersville got all runs in the first inning. Richard Salvatore stepped double, Phillip Nie and Brown reached on error. Bill Winger walked to in a run and E. Fager his first of two hits in two more. This was the scoring as Mark was the only other hit safely.

Beveridge and Binek, Winger (5) and

Continued From Page 14

to two wins and one as a sponsor and he will be assisted by Heaslip Motors Ltd. and Maxwell Fuels and Gulf Service Station. I am very pleased to have these men helping out and hope we can provide as fine a quality of ball as the products they handle.

Our first game under our new sponsors turned into a tough loss to St. Thomas who came to town and went home with a 5-1 win and left two of our pitchers with sore arms and one with a sore leg. Mel Ferhman started on the mound for Hagersville and injured his ankle in the first inning.

He refused to give up and pitched no hit ball for four

innings before he fell the second time and had to leave the game.

Mel gave up four ungs on three hits, four walks, eight strikeouts and one hit batter that forced in a run. Winston Sardine came on and showed a lot of heart for three innings even with a sore arm to give up one run two hits, five walks while striking out three.

Southpaw Jim Herkimer worked the last inning and one-third striking out two and walking two. Larry Simon led off the first inning with a single but was promptly picked off by Harvey.

Dennis Craddock then unloaded a towering drive that hit half way up the fence in center field. He then raced all the way home from second on Wilson's infield out that could easily have been a hit.

Jim Herkimer stepped into a Harvey fastball and drilled a double to left but was grappled off second in what was probably the biggest play in the ball game

**MERCHANTS LOSE TO ST. THOMAS**

The past week saw three local merchants agree to help the Intermediate club out financially so we will call ourselves The Hagersville Merchants rather than the IGA's as we have the past three years. Mr. Eldon Johnson will stay on as a sponsor and he will be assisted by Heaslip Motors Ltd. and Maxwell Fuels and Gulf Service Station. I am very pleased to have these men helping out and hope we can provide as fine a quality of ball as the products they handle.

The Jarvis Record, Thursday, June 10, 1971

as Larry Simon reached third in this inning as well. If not for Larry Giving away a run in the first and Jims in the third it might have been a different story. Teams do not get many runs off of Murray Harvey. The merchants missed Bill Prince's big bat and also Ted Phibbs who played half the game with a jammed finger.

Paul Kett also missed this game but it saw the return of Whip Wilson behind the plate to do some catching when Ted had to leave the game in the fifth.

Harvey and W. Tobey Fehrman, Sardine (5), Herkimer (8) and Phibbs, Wilson (5).

**HUCK RETURNS**

We are happy to hear from Hon. Lorne McGuigan, provincial minister of education, that he had reconsidered the withdrawal of Mark Twain's famed novel, Huckleberry Finn, and was leaving it on the curriculum for the province's high school students. Even though Mr. McGuigan's reversal came in a statement so bound in verbiage and explanations that no one knows for sure who originated the proposed book withdrawal, we are sure the latest announcement will come as satisfaction to everyone.

---Campbellton (N.B.) Tribune

## Legion Meeting

A report of his recent trip to Holland and Belgium, where he decorated various War Graves, was given by Comrade Dave Cains of Selkirk.

The Legion meeting was held in the Hall on Tuesday evening, June 1, with a good attendance.

In the absence of the President, Comrade Edward Brooks who is attending Ontario Legion Convention, the meeting was conducted by First Vice Comrade Edward Stephens.

Membership Chairman, Comrade Clarence Jackson reported only nine unpaid members, with 187 Ordinary, and 24 Honorary to date.

Public Relations Chairman, Comrade A. Esselment, reported progress on plans for Decoration Day and thanked comrades who assisted at the funeral of late Comrade Bertie Dawson.

## Springvale UCW Are Hosts

Colorful slides, showing a busy, active work week in the life of a missionary were shown to a large audience in Springvale United Church, Thursday evening, June 3.

Guest speaker was Miss Leota B. Werner, missionary from Trinidad, home on furlough for several months. She also had various tape recordings of music pupils, and students learning to read, all of interest to the listeners.

Miss Werner was capably introduced by Mrs. Harold Hopper, Hagersville, and all were welcomed by the UCW President, Mrs. Robert Riley.

A member of the Executive of Erie Presbytery, was present, as well as visitors from other United Churches at Salem, Garnet, New Credit, and Hagersville.

Mrs. William Deal of Vittoria, a sister of Miss Werner also attended, and renewed acquaintances.

**Every CGE Room Air Conditioner has this unique air-wash filtering system.**

You'll enjoy fresh summer comfort with air that is not only cooled, but treated and then put through General Electric's unique "Air-Wash". First the air is drawn through a highly effective, reusable foam filter that can be easily removed for cleaning—either vacuumed or washed. Air passes through this filter, to reduce the larger airborne particles. The air then passes through General Electric's unique Spine-Fin cooling coil where it receives a final "wash". The many thousands of inter-meshed spines, which are covered with water (because of the cooling and dehumidification process) give a final and effective cleaning action to the air. The fine particles trapped on the coil are "washed" down into the drip pan and disposed of out-of-doors. The air returning to your room is cool and fresh, making it possible for you to enjoy the utmost in comfort.
