Cayuga Speedway

by Merrill Stearns
CAYUGA, Ont. — Earl Ross of Ailsa Craig, Ont., the driver who scored nine championship victories last season to become the top money winner of the late model division, gathered his fourth consecutive feature win of this year last Friday evening on the hi-banks of Cayuga Speedway's 5/8 mile paved oval. Art Clark of West Seneca, N.Y., top point man in the latest model division, chalked up the runnerup position in his 1971 Dodge "Challenger." Third spot went to Don Biederman of Port Credit, Ont., in a '65 Chevelle, with early leader Howie Scannell in a '69 Dodge "Super-Bee" fourth, and Terry Kitchens '70 Ford Mach 1 Mustang in fifth.

Scannell snatched the lead from Brantford's Harold Brown on the

second circuit and looked like a sure winner until Ross broke from the pack and began to close the gap on the leader. Ken Reimer, last weeks Feature winner looped his mount on the fourth lap and was forced to restart in the rear. Ross blasted by Scannell on the 13 lap and it was all over but the shouting. Bernie Campbell of Guelph hit a light pole as he spun his car into the infield at the halfway mark. He was not injured.

Ross apparently had his '69 Chevelle working in perfect order all evening. In the first qualifying heat of the late models, he set a new 10 lap record of 101.80 m.p.h. Just to be sure, he came right back in the 25 lap feature and set another record at the exact same time, 101.80 m.p.h. He broke Ken Cassels record of 99.11 m.p.h. set on Aug. 21, 1970.

THE WEEKLIES SAY...

DISMAL FAILURE
With the Canadian airlines switching to larger airplanes and fewer scheduled flights, are they going to put themselves in the same position as the passenger trains? Are flights going to be scheduled for the convenience of the airlines and not the passenger? This is what happened when Trans-Air provided air service between Winnipeg and International Falls and it was a dismal failure. — Fort Frances (Ont.) Times

FEW DISAPPOINTED
In any event few people will be saddened by the passing of the "youth cult," least of all those who belonged to it a few years ago and have matured to the point where they now see life in a slightly different perspective. — Swift Current (Sask.) Sun

PROMOTE TOURISM
At a time when the provincial economy is not tourist dollars assume greater importance. If behooves communities therefore to make an extra effort this year to encourage visitors to "come home" for Saskatchewan's Homecoming '71. — Swift Current (Sask.) Sun

WILLING TO SERVE
There is satisfaction in fulfilling a useful service to society — a satisfaction that those who exploit society aggressively never know. The greatest men in history have been those who were the most humble and willing to serve mankind. — Hudson Bay (Sask.) Post-review

ITS ESSENTIAL
The local government groups in this area, we feel, are more public relations conscious than any similar ones in Western Canada. Therefore it should follow that announcement of hiring, firing and promoting of staff members is in order, is essential and is just good common sense. — Innisfail (Alta.) Province

REPRESENTATION NEEDED
If liquor laws are to make sense to the Territorial Council the public, of the industry, it is necessary to have on the Liquor Control Board at least one member of Territorial Council and at least one representative of the industry. — Yellowknife (N.W.T.) News of the North

Hosts this year for the annual Decoration Day at Hagersville Cemetery, were Ladies Auxilliary and Legion Branch 164.

The parade, and services were held Sunday, June 13 with the co-operation of the Hagersville Ministerial Association, and local service clubs and organizations.

A short service of remembrance was held at the Legion Hall, prior to the parade. At this service, Comrade Brock Mattice, who is a life member of the Legion, placed a wreath at the Memorial Room. Rev. A. Thomson then read appropriate scripture and prayer.

The Hagersville Secondary School Band, under the leadership of Mr. George Shippey, provided music for marching, as well as playing O Canada at the Cemetery service. Lieutenant Sandra Garland, conducted the Oshweken Salvation Army Band, which also participated in the services.

Mr. Edward Heinrichs, representing the Kinsmen Club acted as chairman and welcomed those in attendance.

A combined choir of local Hagersville church members assisted the audience in singing The Lord's My Shepherd, and O God Our Help in Ages Past. Parade Marshall was Comrade Omar Phillips from Branch 164, while Comrade Maurice Lepoudre of Branch 125, Delhi was head of the Legion Colour Parties.

Sentry guard duties were performed by five members of the Royal Canadian Artillery Cadet Corps of Hagersville, under the

leadership of Comrad Peter Hendriks.

Rev. Father Wubbles of the Roman Catholic Church, spoke briefly, and in his address, he told how the school children in his homeland of Holland, care for the War Graves.

This day he said, brought back memories of some 25 years ago when he was in the underground of Northern Holland. Never did he think then, that now, he would be standing as a

Canadian Citizen, under a great Canadian flag, here in Canada.

In closing, Father Wubbles said thank you Canadians, one and all, for being such shining examples.

Other local clergy taking part in the services were: Rev. Martin Rule, United Church; Rev. Donald Eustace, Anglican Church; Rev. C. L. Warriner, Pentecostal Church; Rev. A. Thomson, Presbyterian Church.

Kinsmen Bring Donkey Baseball To Hagersville

Not since 1962 has Donkey Baseball been seen in Hagersville. On Friday June 25 at 8.30 p.m. the Kinsmen Club of Hagersville is sponsoring a game between the Hagersville "Old Timers" and the Hagersville and Area Teachers. The return of the comedy spectacular is sure to provide grownups and children with an evening of side splitting laughter.

Many well known townspeople have already signed up to play for the "Oldtimers." At present the roster includes Ray Holden, Ross and Carl Liotte, Clay Heaslip, John Almas, John Bain, Lyle Furry, Gary Cruise, Ed McCarthy, Doug Thomas, Dave Banks, Enzo Marfisi, Grant Kett, Bill Hobbs, Bill Brooks, and Don Brown.

The teachers team at present includes Deryk Bishop, Don Hill, Ted Heinrichs, Dave McCrae, Rick Court, Bob Lundy and Dwight McBride. Several other teachers have indicated interest and the teachers roster will be brought up to full strength by game time.

The game will be expertly umpired by Reeve John Kincaid and by Pete Myke, manager of the Hagersville Intermediate ball club.

Another special highlight of the evening will be a tug of war match between the Hagersville Kinsmen and the Hagersville Lions. Apparently the Lions are already practising for this big match but the Kinsmen feel that their superior strength and technique will carry them

on to victory over such inferior competition.

The game is being played under lights at the Kinsmen Ballpark by the arena. The evening promises to be the laugh riot of the year and a capacity crowd is anticipated. See you at the game.

Lutheran Hour Rally To Be At HSS

"I am the way the truth and the life; no man comes to the Father but by me."

These well known words of our Lord provided the theme for this years observance of Lutheran Hour Sunday, which was held nationally in Missouri Synod Lutheran Churches, on Feb. 28. For 38 seasons of broadcasting, the message of Jesus Christ as the only way to salvation has been the central theme of every Lutheran Hour Broadcast. The message is now heard in 41 different languages by people in 125 countries around the world.

The Lutheran Laymen's League, founded the Lutheran Hour in 1930, with the late Dr. Walter Maier as speaker. The broadcast was first heard over 32 CBS stations. By 1936 the broadcast was extended from coast to coast. After the death of Dr. Maier in January of 1950, the Lutheran Hour carried on with several different speakers, until Dr. Hoffmann started as regular speaker in September 1955.

In 1956 the Lutheran Hour added the NBC network and the 1971 season opened with broadcasts from 63 countries.

The Lutheran Laymen's League sponsors Lutheran Hour Rallies in local communities at various times. On October 31 this year a Lutheran Hour Rally will be held at Hagersville Secondary School with the regular radio speaker Dr. Hoffmann.
