

On The Farm Front

Haldimand 4-H members recently nominated from their club membership those members to be considered for various trips and exchanges. From this group the several selections were made.

Janice Fox, Cayuga, will represent Haldimand on the United Nations Bus Tour in August. Jim Weatherston, Hagersville, and Evelyn Stephens, Dunnville, are delegates to the Provincial 4-H Leadership Conference

at Guelph, June 20 to 25. Representatives on an exchange trip to Manitoba in July will be Diane Vanderburg, RR 4, Cayuga; Alice Harvey, RR 1, Hagersville; Elizabeth Creighton, RR 1, Caledonia; and Don Smith, RR 3, Caledonia.

Details have yet to be completed for the Inter-County 4-H Exchange. Local delegates will be Nancy Farrell, RR 3,

Caledonia; Arlene Fox, RR 5, Cayuga; Ralph Hedley, RR 2, Canfield; and Jeff Turnbull, RR 1, Canfield.

Many of the 15 years old 4-H members of the county will be attending a regional conference at McMaster University, July 20 to 22.

The most commonly asked questions about the Capital Grant for Dead Elm Tree Removal can be summed up as follows:

The owner of a farm whose gross income was at least \$3,000, would enquire at the agricultural office (phone 772-3381) for the pre-cutting report form. This form certifies to the number of trees to be cut and would show in an outline diagram where on the farm the trees are located.

When returned this would be sufficient for work to proceed, although an inspector would in time make the necessary check.

When the trees are disposed of an application for \$5 per tree up to a maximum of \$500 may be applied for.

Damage to a number of maple trees in the county that looked like a disease problem has been checked with the University of Guelph. Professor C. B. Kelly reports that the damage was caused by high winds when the leaves were tender and growing fast.

During the past week, officers of this detachment investigated 13 motor vehicle collisions which resulted in injuries to six persons.

General occurrences investigated were: Seven thefts, six break and enters, 25 requests for assistance, four other criminal code offences, three wilful damage, five liquor control act investigations resulting in five charges being laid, one driver charged with impaired driving, one no insurance charge.

On June 12, 1971, the body of Austin E. Hoover, drowning victim, was recovered from Lake Erie. He and three other persons were missing while boating in Lake Erie on May 8, 1971 and to date two bodies have been recovered.

Some of the travelling public using area King's Highways are ignorant of the fact that when parking their vehicle off the travelled portion of the roadway on the shoulder, they must park on the right side having reference to the direction in which the vehicle has been travelling. This dangerous practice must cease as it is an offence covered under 229(2)(a) of the Regulations of the Highway Traffic Act.

Jarvis Lions Club News

by Ted Oldham
The June 14 meeting was well attended with an excellent dinner as usual. It was announced that our Lions Float will be entered in the Port Dover Parade on July 1.

Lions Information No. 23 was read by Lion Jack Brohman. It concerned inter-club visitations and stressed how important it is to be involved with other clubs in our area. Lion Roy Field reported on the Easter Seal Fund and we raised \$200 more than our objective. Lion Bruce Miller reported that we would be in charge of gates at the Ploughing Match on the Saturday if the club was willing.

All the delegates that were at the recent convention in Kingston gave their reports and thanked the club for sending them. Lion Bruce Meehan introduced guest speaker, Reeve Gordon Miller of Walpole Township. Gordon showed us slides of various conservation tours he had attended and of Texas's refinery in Nova Scotia. He was thanked by Lion Murray Walker and presented with a gift and appreciation certificate.

Everyone was reminded of June 19 when the various events from Victoria Day will take place. These include ball games, teen dance, draw, fireworks, horse show and dancing to Don Leatherdale at 9:30 p.m. on Saturday night. Gate tickets purchased May 24 will be honored.

Mrs. J. A. Duncan Hostess Of Jarvis WI

The June meeting of the Jarvis WI was held at the home of Mrs. Duncan with members in attendance. A thank you card from R. Telford was read for not received.

Notice from Miss Helen Kercher was read announcing the appointment of Miss Betty Covell, BH Sc. of Hardy, Ont., as Home Economist for Haldimand and Norfolk Co. to replace Susan Brice. Mrs. Ross reported for the sick and gift committee. Mrs. Ward Church, Director,

gave a detailed report on the district annual meeting held in Selkirk. She reported that the 75th anniversary fund is closed and the present project is the Lee Homestead Fund.

Discussion followed on the necessary preparation for the International Plowing Match. Six aprons are to be made for the waitresses for one table at the banquet on the final day and a \$5 gift to be donated.

The next meeting will be the Grandmothers Picnic, August 12 to be held in Haldimand County Park.

Cayuga Personals

by Helen Hobbs
Mrs. Margaret Riley and Mrs. L. G. Talbot Road, on Cayuga.

Mrs. Ruth French of Cayuga visited on Sunday with Mr. and Mrs. Wm. Arthur, Brant St.

Mr. and Mrs. Bruce MacIsland, Cayuga St., and the past weekend in Cayuga.

Mr. and Mrs. Niki Wake, son Gavin and daughter, of Hamilton, visited Sunday with Mr. and Mrs. Len Riley, Talbot St.

Mr. and Mrs. Emerson Baldwin and family, Cayuga, visited on Sunday with Mr. and Mrs. George Baldwin and Mr. and Mrs. Roy Kindree.

Mr. and Mrs. George Grinyer of Hagersville visited with Mr. and Mrs. Carlyle Adams on Sunday.

Mrs. Erie Henderson spent Sunday in Simcoe with Mr. and Mrs. Wesley Carson and family.

Mrs. Hugh Grandy and daughter Barbara of Preston visited friends in town on Sunday.

GARNET UCW

The June meeting of the Garnet UCW met at the home of Mrs. Roy Smith who gave a report on the Bible Society. We were told that the next study book we will be studying is on Africa. There is to be no regular meeting in July or August. A committee was named to buy suitable tea and coffee servers for the church kitchen.

by Jean Sharp
(CP) — Now is the time to buy strawberries, to eat them fresh or to freeze them to eat another day.

The best berries are fully ripe, firm and dry. The Canada department of agriculture says you should use them as quickly as possible to preserve their fresh flavor.

If you are going to freeze them plain or in desserts, leave them whole, cut in quarters or slices. Pack them in dry sugar using ½ cup sugar to 4 cups whole berries or 2/3 cup sugar to 4 cups quartered or sliced berries. Remember to label the containers.

To make a frozen strawberry sauce, you need: 4 cups strawberries (about 1 quart), ¼ cup fruit sugar.

Puree the strawberries in blender, then press through a sieve to remove the seeds. Return the fruit to the blender. Add sugar gradually and blend until thick (about 3 minutes). If you are using an electric mixer instead of a blender, crush then sieve the strawberries, add sugar and mix until the sugar is dissolved. Pour into freezer containers leaving ½ inch headspace. Makes about 2 cups.

A jam to be stored in the freezer is made with: 2 cups crushed strawberries (about 1 quart), 2 tablespoons lemon juice, 3½ cups sugar, 6 tablespoons liquid pectin.

Teatime Topics

Combine berries, lemon juice and sugar. Let stand until sugar is dissolved (about 20 minutes). Add pectin and stir constantly 3 minutes. Pour into freezer containers, cover and let stand at room temperature until set (about 24 hours). Makes about 4½ cups. If desired, may be stored 4 weeks in the refrigerator.

If you are going to use powdered pectin, combine one 1½ ounce package of

powered pectin and ¼ cup water, bring to rolling boil and boil 1 minute, stirring constantly. Add to strawberries instead of liquid pectin.

Freezer Butter: Strawberry freezer butter calls for: 1½ ounce package powdered pectin, 3 tablespoons sugar, 1½ cups sieved strawberries (about 1 pint), 1 cup sugar, 3 tablespoons corn syrup, 1 tablespoon lemon juice.

Mix pectin and 3 tablespoons sugar. Add strawberries and blend mixture for 7 minutes at lowest speed on electric mixer. Add 1 cup sugar, corn syrup and lemon juice. Blend for another 3 minutes, then pour mixture into freezer containers. Cover and let stand at room temperature until set (about 24 hours). Makes about 3 cups.

Union Dues Collected At Roadside

The Union organizers at the Canadian Gypsum Company, Hagersville, will

take to the road again to collect their union dues.

Local 2423 of the International Woodworkers Union, signed a contract with the company this week, but failed for the fourth successive year to win the right to automatic dues checkoff.

In order to keep the union alive, organizers will

be back on the roadside collecting their \$6 a month from union members as they leave the plant.

Robert Mayor, president of the local, that was certified in 1967, claims the company is denying the union the right to checkoff on the premises, in order to break the union.

Federal Aid For Indian Students

Employment for 25 Indian High School students on summer jobs, in and around the Six Nations, and the New Credit reservations. It was announced Thursday, June 10, that more than \$10,000 in federal funds will be used to employ the students.

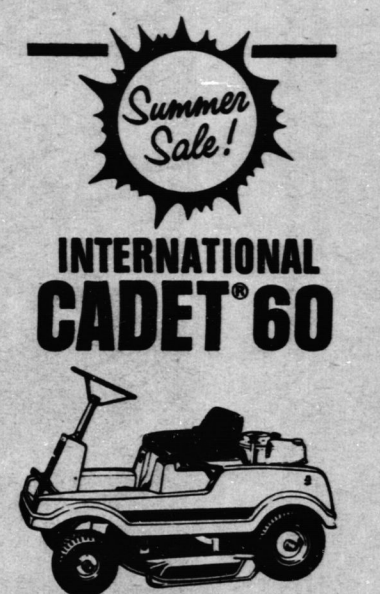

Work will be done on recreation programs, and one group of boys from the New Credit band near Hagersville, will renovate a former Indian agency office.

Funds for the work incentive program are provided by the Indian Affairs Department, which announced Wednesday they were putting up \$500,000 towards the program. Jobs will be created on reserves throughout Canada.

The Department said this program is designed to
