

West Haldimand General Hospital Auxiliary Meeting

Mrs. S. Brown, president opened the March executive meeting of the WHGH Auxiliary with the auxiliary prayer. Following the roll call and minutes of the February meeting by Secretary, Mrs. W. Snowden, Mrs. R. Turner gave the treasurer's report and among bills presented for payment were window and cubicle draperies for the second floor. Mrs. L. Martin, coffee shop treasurer and convener noted article sales were down, thus indicating a need to replenish the peg board as also stressed by Mrs. K. Schwyer, sewing

and peg board convener, last month. Volunteer Convener, Mrs. W. Held announced closing of the coffee shop for the annual meeting Wednesday evening, April 7, Good Friday and Easter Sunday. Mrs. Held's meeting with unit chairmen and volunteer conveners resulted in a few shift changes which may see some problems decrease.

Mrs. W. Nauman passed around a sample of the new smock material for inspection and received favorable comments. New smocks are on order.

All unit reports revealed that they were having March

meetings with installation of new officers, excepting Caledonia who are holding a membership tea on April 13 at the home of Mrs. Audrey Lampkin. Springvale commented on a successful Cardrama and have a hand made quilt which they will be selling tickets on. All units are looking for new members and this is an excellent time to join as the 1971-72 memberships are now available. Prospective members are welcome at any unit meeting.

New business included an invitation to the district four spring conference to be held at the Park Motor Motel in Niagara Falls on

April 21 and 22, and will feature an institute on volunteer services. These workshops prove most informative and you learn the problems and sometimes the solutions plus a host of new ideas of other auxiliaries in our Niagara area. If any auxiliary can fit it in her schedule to go for the two days, Mrs. S. Brown can make reservations for your overnight stay if notified by April 1. If the two day institute cannot be attended, the spring luncheon concludes the conference on April 22 at 12:50 p.m. at the Whitehouse and this function has been enjoyed

by members attending in the past. A good attendance is hoped for from our auxiliary.

The annual Crystal Ball, planned for the first Saturday in December was again under discussion and the Convener, Mr. H. Snowden is working diligently to see that your evening is enjoyed.

The ladies then formed an assembly line and our annual reports were compiled and stapled which the members should now have in their possession.

The meeting was adjourned to the annual dinner meeting, April 7 at 7 p.m.

On The Farm Front

Joe Snyder, Holstein fieldman, advises that Holstein breeders of Niagara will be visiting March 22. The month stops that he has lined up are at the farms of VanWouderberg Bros., Langerak, and Hagerman. He is also at the farm of Hynde and Mott. Afternoon visits will be to the farms of Moerschfelder, Wayne Bryce Moerschfelder, Fisherville, and to the farm of Fred Topp, Canfield.

Haldimand Holstein breeders will hold an annual bus trip on March 26. Plans are to visit Meadlake, Glenora, Lodestar and Bond Farms in Simcoe County. Those intending to take part have been asked to reserve seat by March 20.

The committee established by the Township of Cayuga for the management of what has been known as the Rural Youth Agricultural Centre, Kohler, represents all parts of the county with representatives from many of the organizations. It is appropriate that the committee should be renamed to what it actually is, the Haldimand Agricultural Centre.

A schedule of 1971 charges for the various facilities at Kohler has been established. Organizations and catering groups will receive a copy in the future. The intention of the committee in establishing rates is to make it possible for all those who have a meeting at Kohler to continue, while making enough in return to cover the regular operating expenses.

Roy Hedley, who with his North Cayuga council, has worked hard changes at the Haldimand Agricultural Centre. Secretary-treasurer is Grace Hedley, Cayuga.

Organization night 4-H for 1971 is to be held at the Haldimand Agricultural Centre, Kohler, on March 24. All young people interested in 4-H are asked to reserve the date.

Roll call showed 12 members present. We are working for an enrollment of 40 members.

A letter was received from senior citizens in Brantford, requesting our club to send a report of happenings every second month to the Zone Three paper "The Informer." This will help to link the different clubs. Doug Murray was chosen unanimously for that chore.

The social services report was given by Mrs. Helen Belzner. Two sympathy and three get well cards were sent.

Mrs. Jean Hammond brought in two large cartons of Red Cross material which included knitting wool, layettes, absorbent cotton, bandages etc. This is to be distributed among the

The Jarvis Record, Thursday, March 18, 1971 — 11 Federation News

by Roy Hagan

Farmers are going to have to make a decision about marketing boards. They must realize that whether there are marketing boards or not, there is a market for just so much farm production.

This cannot be changed unless there is a complete change in world economy. After talking to Haldimand farmers it becomes evident they had better know that in this world we have to deal with things as they are. Facts can not be altered as some think they should be.

Rather than just complain, it would be much better to spend a little time in getting to know the true situation. By reading and listening to determine the true facts.

At this point an improvement might be made if farmers can suggest some course of action that

they feel would improve marketing boards. Marketing boards are open for ideas so these should be provided with the information gathered that might bring about change.

Every person who complains without knowing the facts and agitates against these marketing boards every place but to the board is really marking a ballet in opposition to the democratic system. Their complaints prove they have never given much thought to what has happened to farmers in countries with dictatorships. In many cases the farm suddenly belonged to the state with no payment to the farmer. The farmer was then told what to produce and how much. This was done without complaint or else he had a period of years to think it over confined to a labor camp.

Mrs. Jean Hammond brought in two large cartons of Red Cross material which included knitting wool, layettes, absorbent cotton, bandages etc. This is to be distributed among the

women members for knitting, sewing, etc.

We learned the Red Cross president and two senior citizen executives will attend the Red Cross annual meeting April 15 to 16 in Hamilton at Holiday Inn. The collection was taken by Mrs. Belzner. The business session then closed.

A social time of cards and games and lunch followed. Albert Kee said grace. Lunch was provided by Mrs. Mae Miller and Mrs. Wm. McArthur.

Mrs. Winnie Kemp extended thanks to the ladies. The next meeting will be March 23 at the same time and place. Mrs. Winifred Oxley and Mrs. Ethel Oxley will be on the lunch committee.

SURPRISING OFFER

Until further notice any advertisement seeking employment or offering a job will be given three consecutive runs in our classified section, absolutely free of charge. This is a genuine and surprising offer, since common gossip in this area is that publisher Hap Clarke thinks more of a dollar than he does of his right arm. — Innisfail (Alta.) Province
