

Minor Hockey Roundup

Pete Myke
On Wednesday night the Hagersville and District Minor Hockey League Championships were played at the local arena with a good number of fans in attendance. Most parents were present and most of the parents came to see their boys play.

Some of the coaches elected to play a few of the boys 60 minutes while others hardly got on the ice. From a coaches point of view I can see the reasons behind their actions but from a parents point of view they feel every boy should see "some" action on the biggest night of the year for the players involved.

A lot of relatives travel considerable distances just to see these boys perform and they should be given the opportunity to see the whole team.

SIX NATION BRAVES 5 - ONEIDA RED WINGS 3

Coach Rodney Smith and his Braves finished a remarkable season by winning the championship while racking up 18 straight victories over the year, defeating the Oneida Boys 5-3. I believe this is the first time a team ever went undefeated through the entire year.

Greg Henhawke led the Braves attack with three goals. Steve Reid made the score 4-0 before the Oneida boys got going. Bob General fired the fifth goal on a pass from Chuck Statts. Ron Harper scored an unassisted goal to put Jarvis in front late in regulation time. With one minute and seventeen seconds left, Dean Webb and Dave House got the puck to Anthony Yacabino to tie the game at two all. With 54 seconds left in the first overtime period, Paul McCarthy fired home the winner with two Hagersville boys sitting in the penalty box.

FISHERVILLE 7 - ONEIDA CANUCKS 1

The North Stars from Fisherville handed the Peewees from Oneida the only lopsided beating of the entire night, as they turned on the power to win 7-1. Maybe we should call it "Nagel Power" as Jim Nagel scored four goals and picked up two assists. Darryl Nagel fired home two more goals and picked up one assist for nine scoring points for the two brothers. Scott Cronk set up Bobby Thompson for the final Fisherville goal. Gerry Smith got the only goal for Oneida on a pass from Wayne Fehrman. Don Elfrer played a steady game for the North Stars and

picked himself up four assists.

FISHERVILLE 3 - HAGERSVILLE 2

In the Bantam Championship Bill Nagel scored all three goals for the Fisherville crew, two of them unassisted as they hung on to defeat the Hagersville team 3-2. Coach Ray Otterman got a lot of mileage out of Bill Nagel, Chuck Held, Bill Harju and Kirk Otterman as Bill Melenbacher held the fort in goal. This was the first Championship this bunch of boys had ever won as an age group and the boys were all pretty happy.

Kevin General set up Kevin Henhawke for Hagersville's two goals while Paul Fryett and Rodney La Forme played standout games for the losers. John Wardell did a fine job behind the bench for Hagersville and all the boys logged some ice time.

JARVIS MIDGETS 3 - HAGERSVILLE 2

Don Mitchell's midgets from Jarvis took a 3-2 overtime win from Hagersville in the final game of the night. Anthony Yacabino opened the scoring on a pass from Mark Robinson, only to have Marv Higgins tie it up five minutes later on passes from Glen Miller and Dwight Phillips. Bob Fetherston got an unassisted goal to put Jarvis in front late in regulation time. With one minute and seventeen seconds left, Dean Webb and Dave House got the puck to Anthony Yacabino to tie the game at two all. With 54 seconds left in the first overtime period, Paul McCarthy fired home the winner with two Hagersville boys sitting in the penalty box.

This was a very good game of hockey, with Kirk Brown, Jack Esselman, Dave House and Mike Fowler turning in fine performances for the losers, as well as Marv Higgins, Glen Miller, Rick Phibbs and goalie Don Craddock for the winning Jarvis team.

JUVENILES WIN FIRST GAME OF SEMI-FINALS

On Sunday night before approximately 500 screaming and noisy fans the local Juveniles won the first game from Ridgeway by a score of 6-3.

John Kincade shot the home team in front, before this writer got sat down, after taking passes from Mark Steele and Roger Spies. Gord McDermoth put Ridgeway even at the seven minute mark to make it a new hockey game. With five minutes left in the period John Kincade stole the puck at the blue line and raced in to beat Mike Thiesen of Ridgeway. Twenty seconds later Terry Fryett fed the puck to Randy King and Hagersville led 3-1 after the first period.

With just three minutes gone in the second period Mark Steele pushed the puck under the goalie from a big pile up in front of the net to put the local boys ahead 4-1. It looked like Hagersville had the game wrapped up at this point. Mark Steele picked up two penalties in the second period and each time Ridgeway really poured on the steam. Kirk Brown was simply sensational time and time again as the visitors were all over the boys. Kirk kept us in the game with his acrobatics and we skated off leading 4-1 after two periods. The second period was all Kirk Brown.

Ridgeway came out flying to start the third period and our boys seemed to be resting on their 4-1 lead when Rob McMillan fired home two goals to cut the lead to 4-3. With eight minutes left Spies fed the puck to John Kincade who scored his third goal of the

night and this could well be the most important goal of the series. We saw John retrieve the puck after his hat trick and we don't know if this was his first three goal game of the year or just the play-offs. Glen Hewson went off for interference and Terry Fryett ragged the puck for a full 50 seconds before forcing a waste. Mark Steele took over for Terry and finished doing a fine job of killing the penalty. With 1:37 left in the game Hewson and Fryett fed a pass to Randy King who fired it home for his second goal of the night and our final goal of the game. As the clock ticked off the

final 10 seconds there were shouts of "We Win", "We Win."

ICE CHIPS - HAGERSVILLE OUTSHOT RIDGETOWN 22-19

Ridgeway's coach said they would win two straight on their home ice. Some visiting players thought the ice was soft, while others liked it. Their captain told me to print their motto which goes like so, "When the going gets tough, the tough get going." Take heed boys this team is not dead yet.

By the time we got through the crowd to the

Hagersville dressing room everyone had vacated the place except for Ted Montague, who said there will be a bus leaving the Market Friday March 26 at 4:30. It will be first come first serve. If you wish to reserve a seat phone Ted Kenny Graham or Ted Fehrman.

With this type of performance from John Kincade, Ross McKeen, Jim Walker, Ray Miller, Steve Otterman and Terry Fryett we should wrap it up in two games. The boys played a far better game in Durham so we know they can do it. Lets go boys to the Finals, after Friday.

Jim Easton got a Commerce Bankplan loan and separated the boys from the boys.

Jim had four rambunctious boys and only one room for them to sleep in. Now, he needed to turn the TV room into another bedroom.

His first move was to the Commerce. Where he asked for a Bankplan loan.

We sat down with Jim and found out how much furniture, rugs, and re-decorating the room would cost. Then we set up a monthly repayment plan that his budget could afford.

This kind of planned personal service is why we call it a Bankplan loan.

Whether you need money to make room for an expanding family or to plan for the education of a teenage daughter or son, we'd like to help with a carefully worked out Bankplan loan.

It's one more way more of us do more for you at the Commerce.

World's Day Of Prayer

by Helen Hobbs
On Fri., March 5 at 2 p.m. the women held their prayer service at St. John's Roman Catholic Church.

In the opening remarks given by Mrs. B. J. Hammond. She welcomed and stressed the importance of togetherness, Christian fellowship, and unity in the Village who were: Mrs. Eugene Ford, Mrs. Eugene Beto, Mrs. Harry Kiefer, Mrs. Robert Kiefer,

Mary Edith Group

by Mrs. E. Keen
The March meet of the Edith Group of the church was held at the home of Mrs. Arliff Almas.

The roll call containing the word "Love" was read by 11 ladies present.

The next meeting will be in the church hall when the quilt will be quilted. Will Lint will provide the program and Mrs. Biggar will be lunch.

During the program Mrs. W. Lint read 100 and Mrs. M. Lint led in devotional. Mrs. Jack Biggar the topic entitled "This Happen to Me." A song brought the meeting to a close.

A very appropriate song was conducted after Mrs. Almas and her sister-in-law, Mrs. Arliff Almas, served refreshments. She was thanked by Mrs. Maggie Mey.

Mrs. James Armstrong and Mrs. B. J. Hammond.

Mrs. Walter Smith introduced the guest speaker Mrs. Nick Vander Kwaak of Caledonia Christian Reformed Church. Her theme centered around the one word - love - love in the home and love for

our fellowmen. Mrs. Vander Kwaak said "love is a very strong power and if we had it in our hearts we could help others. She also stressed the fact "it was a great privilege to be people of God." She said many people today are in

"spiritual bankruptcy."

The offering was taken by Mrs. Harold Reece and Mrs. Clare Winger. Dedication was by Mrs. Hammond.

The meeting closed with prayer, and an organ postlude by Mrs. Wilfred Last.

Wisdom Teeth Make Good 'Bookends'

Wisdom teeth, like tonsils, were once thought to be of little use and were taken out without concern. However, doctors have rethought the tonsils situation and dentists have taken a closer look at the value of wisdom teeth since the old "yank-em-out" days. These third molars act as bookends to keep the rows of teeth in their proper biting position.

Neanderthal man had the same number of teeth we do, but he had larger jaws to accommodate them. Sometimes, the wisdom teeth don't have enough room to grow in properly and break through at a 45-degree angle, pointing directly at the second molars. Unless countered, the eruptive force of the wisdom teeth can damage or twist their neighbors out of position.

Your dentist may refer you to an oral surgeon if the condition is bad. Extraction can cost from \$25 to \$100 depending on how far the tooth is impacted into supporting bone.

Rarely, complications mean hospitalization. With today's equipment a dentist can usually remove a wisdom tooth in less than 30 minutes - barring complications. You may go through a day of pain after extraction and a week or two of mild discomfort. - Canadian Dental Association.
