Blood Needed

Is there someone in your club or organization who hasn't taken time lately to donate a pint of blood? Blood cannot be manufactured - it must come from people!

If we are to continue to operate the free blood bank at all hospitals and supply whole blood and blood products free of charge to any patient requiring it, we must have over 300 donors at each blood donor clinic. If you are between the ages of 18 to 65 in average health, would you make an effort to come to the next clinic, which is to be held on Fri. May 12, between the hours of 3 to 5 p.m. and 6 to 8.30 p.m. at the Canadian Legion Hall, Hagersville. Please remember that your donation at the next clinic could be a "Gift of Life" to someone you love!

Happy Doubles Club

The Happy Doubles Club learned how to turn a glass hobby into a business at its May meeting.

The outgoing personality of Mrs. Emery and her hospitality made the evening most rewarding for all club members.

The Wesley United Church Happy Doubles Club visited the home of Mrs. Marion Emery, RR 3, Caledonia in the meeting.

She described the development of her hobby of handcrafted glass, to a thriving business.

Mrs. Emery's description and demonstration of her work revealed her artistic ability. The finished product was well displayed in her home and several members purchased a number of pieces to display in their own homes.

BECOMES HAMLET
FROBISHER BAY, N.W.T. (CP) - This native settlement 1,200 air miles north of Quebec City has become a hamlet, the first settlement in the eastern Arctic to take the step which gives it control over its own budget. Frobisher Bay is a predominantly Eskimo community with a population of 2,100.

Jarvis Board Of Trade

Well this is the big week for the local girls that entered the Miss Jarvis Board of Trade Contest. Finals will commence at the dance this Saturday night. Judging will start about 9.15 p.m. and the Queen should be crowned around 10.30. So come early.

Last Thursday night, May 6, at the IOOF Hall, preliminary judging was done and there were five finalists chosen. They are Cheryl Jaques, Linda Cassidy, Linda Mitchell, Marilyn Slater, and Kathleen Brintnell. There were 100 entries and we thank all these girls for the interest they showed. They were judged on appearance and personality and were asked why they wanted to represent the Board of Trade.

The judges were Mrs. Hinks, of Hamilton Childrens Aid Society, Myrna Rutherford of Simcoe, Secretary-treasurer of Long Point Conservation Authority; and Betty Bedford, of Simcoe, receptionist and dance instructor.

Come out Saturday night and show these girls your support. Mr. Bill Snowden (Jarvis's answer to Ben Parks) will be master of ceremonies. The Board of Trade hopes to raise a little money to increase the Christmas lighting that started last year. Dance music to satisfy all ages will be provided by 'The Pacers' from Brantford. Tickets available from any Board of Trade member and there will be a door prize.

Jarvis Lions Club News

by Ted Oldham
May 10 meeting another perfect attendance, and also guests from Waterford and Berwick.

Past Deputy District Governor Clarke Drennan of Waterford was promoting a trip to Los Vegas for the International Convention. The Jarvis Lions were invited for our support in their upcoming walkathon.

Lion Information No. 22 was read by Lion Klass, Pyff, entitled "Fund Raising." Our next meeting will be on Tuesday May 25, 7.30 p.m. in work clothes as we will be cleaning up the park, after the weekend celebrations.

Mrs. Bill Snowden gave a report on the Zone Rally at Victoria and told us that the Deputy Dist. Governor Ed Matschke. Lion Bud Ott reported on the District Community Chest and that he attended on behalf of the club.

Lion Bryce Linklater produced the guest speaker Mr. Sam Gray of Millan Bloedel. Mr. Gray showed us a film which pointed out the waste caused by forest fires. He told us of the 100 percent use of the forest in lumbering industry. For every tree they cut they plant four. Mr. Gray was thanked by Lion Ted Oldham and presented with a token gift and an appreciation certificate.

Collection of officers for 1971-72 was conducted by George Walker. They are: Past President, Neal Over; President, Don

Leatherdale; 1st Vice, Bruce Miller; 2nd Vice, Jiggs Montague; 3rd Vice, Bill Snowden; Directors 1 year, Don Mitchell and Howard Elliott; Directors 2 years, Bob Nixon and Bruce Meehan; Lion Tamer, George Miller; Tail Twister, Jack Nixon; Secretary, Dave Wilson; Asst. Secretary, Bert Pyfrom; Treasurer, Stan

Cayuga ACW

The Anglican Church Women held their monthly meeting at the home of Mrs. J. Armstrong Winnett St. on May 5 at 2.30 p.m. The President Mrs. H. Sumner chaired the meeting.

Mrs. C. Kemp was welcomed to the meeting as a prospective new member. We repeated the ACW Prayer and Lord's Prayer in unison. The scripture reading was given by Mrs. J. Armstrong. The secretary's report was given by Mrs. C. Parsons and the treasurer's report by Mrs. E. Dyer.

The roll call showed 14 members and two visitors were present. A social services report by Mrs. H. Reece showed that five little helpers, two get-well cards and one birthday card were sent out.

It was suggested by one of the members that flowers should be omitted some Sunday so the congregation could have a chance to appreciate the altar, - its symbols and carvings.

May 26 was decided as the date to assemble for the purpose of addressing letters

Mitchell.
Lion Drew Williamson reported that there will be a display area available on the 24th May for commercial displays, at a nominal rental. Lion Drew also told us that the project committee has come up with a very ambitious project. Details will be available in the near future.

for the anniversary service, (June 13).

The ACW Annual was discussed at some length. It was held in the Cathedral in Hamilton on April 15. Five members from the Cayuga Auxiliary attended. These were Mrs. L. Ewing, Mrs. E. Wrightson, Mrs. E. Dyer, Mrs. H. Sumner and Mrs. C. Parsons.

Copies of the president's address were circulated. We read such things as "Vestry meetings can be where the action starts."

At one parish vestry meeting concerned members were successful in presenting a motion that the Church Mission Target be paid in full.

The Diocese Project Book, was also adopted by resolution.

Renewed interest was projected in study groups of faith, family life, pollution, and poverty.

Mrs. E. Parsons gave the Altar Guild report. The next meeting will be held at the home of Mrs. D. Armstrong on Wednesday June 2. Lunch conveners are Mrs. H. Parsons and Mrs. H. Hobbs. The meeting closed with prayer by the president. Lunch was served and a social time followed. Mrs. D. Armstrong thanked the gracious hostess and lunch committee on behalf of us all.

Farm School Stays Open

TORONTO - Two farm business management courses, operated by Fanshawe College at Woodstock and Simcoe will be continued indefinitely.

An announcement from the provincial government, released by Haldimand-Norfolk MPP James N. Allan confirmed the government's turnabout on the issue. According to the prepared statement, the Fanshawe-sponsored courses are to remain pending a report from the Commission on Post-Secondary Education.

"I am pleased to announce that the government has decided that the farm business management courses should continue at Fanshawe," Mr. Allan said.

"During recent weeks the Ontario government has been considering the consolidation of all agricultural programs in the colleges of agricultural technology operated by the Ontario Department of Agriculture and Food."

However, Mr. Allan said, the government realized the value of the Woodstock and Simcoe agricultural courses in permitting full-time attendance in the programs by local students within commuting distance of their homes.

The college had stressed to the government the relatively close proximity of the two divisions to students who wished to enter a diploma course in agriculture while assisting with work on their farms. A meeting held Monday night in Woodstock, showed only a small percentage of the

present students would consider attending another course to complete their studies.

GIVING GRANTS
TORONTO (CP) - Awards totalling \$250,000 will be made this year by the Canadian Arthritis and Rheumatism Society, it was announced. They go to seven research associates - researchers and teachers who work full-time in universities - and 15 fellows, most of whom will eventually staff rheumatic disease units.
