

## Friends N' Neighbors

Mr. and Mrs. Cliff Reed of Hamilton visited Mr. and Mrs. Carl Jaques over the holiday.

Mr. and Mrs. Ed Miller of Port Dover spent Victoria Day in Jarvis with Miss Frances Law.

Mr. and Mrs. Russell Miller of Hagersville were in Jarvis at the home of Mrs. Lily Miller on Monday.

Mrs. John Hodgson of Grimsby was a visitor in Jarvis on Monday.

Mrs. Charles Hazlett of Hamilton called on Mr. and Mrs. F. W. Reicheld one day last week.

Mrs. Earl Marr visited her granddaughter and husband in Toronto, Mr. and Mrs. Paul LaCour on Sunday.

Mrs. Cora Goble, Mrs. Ethel Baldwin, Waterford and Miss Grace Walter of Toronto visited Mrs. A. A. Miller on Monday.

Mr. and Mrs. Don McIntyre and daughter Marilda of Stayner were weekend guests of Mr. and Mrs. James Cripps. This was the McIntyre's 59th wedding anniversary. They spent their honeymoon in Jarvis and several anniversaries down through the years.

Mr. and Mrs. George Kelso, their daughter Mrs. George Page with daughter and son of Hamilton were Monday guests of Mr. and Mrs. Cripps.

Mr. Eric Brueton of Montreal returned to his home in Montreal after spending the holiday weekend with his brother the Rev. K. N. Brueton in Jarvis.

Mr. and Mrs. Harry Holland and Miss Linda Holland of London spent the holiday weekend with

his parents Mr. and Mrs. George Holland and Miss Jean Holland.

Mrs. B. Tothpal and little daughter Mona, of Chippawa, spent Monday with her grandparents Mr. and Mrs. F. W. Reicheld.

The fastest growing town in Ontario? That's what it said on the float. The Womens' Institute is anxious to have a public library here. How about it Lions Club, Board of Trade, Lodges and Council? Put on your thinking caps and let's get busy.

Mrs. A. L. Belbeck, spent Sunday in St. Catharines in company with her daughter and son-in-law Mr. and Mrs. Harold Porritt of Simcoe at the home of her grandsons Glen and Stan Porritt.

Rusty More, Mr. and Mrs. Russell More Jr. all of Guelph, Mr. and Mrs. Wayne

Lindsay and family of Nanticoke, Laird More of London. Miss Kathy More having completed her second year at McMaster University was driven to Toronto, from there she boarded the plane for Europe where she will enroll for her third year at Dijon University in Europe during the summer spending some time in Brussels, Belgium.

Miss Grace Walter of Toronto spent the weekend at the home of Mrs. Beryl Johnson and Miss Myrtle Johnson, calling on other friends and relatives while in her old home town.

Mrs. Ted Harris has returned home from Chedoke hospital where she has undergone surgery. Her friends wish her a speedy recovery.

Ever tried to squeeze 65 people into a bowling alley with five - excuse me, four lanes? Well, the Haldimand Junior Farmers did, on Friday night, April 30 at Hagersville - someone underestimated the turnout (?). At any rate, the word is that there were many new faces out and in general, it was a bowl - er, ball!

Junior Farmers to go "Orienteering" - On Sun., May 30 the Haldimand Junior Farmers are going "Orienteering" on the "Onieda hills estate" of Rodney Fox. Orienteering will be from 1.45 p.m. to 3.30 p.m., followed by a weiner roast.

What is orienteering? Well, it's like a car-rally - but without cars, and it compares to cross-country running on skis - but without the skis and

## Sports Notes

by Pete Myke  
newly organized Chevies will be scored by Bill Johnson owner of the Olds dealership in Jarvis for sponsoring ball in

Left to right: Bob Smith, Jim Cripps, Harry Reekie.

Martin has decided the manager, and has connected with ball in as long as they have all teams.

Cripps, 63 years old man, who took money at the Jarvis for the Jarvis and Merchants for years, has decided to be Martin's assistant.

Reekie will be head of the second year, as played ball in Jarvis 1958, 12 years as a

coach. Harry Smith will act as coach for the year, will assume most of the

responsibility. Bobby will assume full responsibility. Bobby will assume full responsibility. Bobby will assume full responsibility.

feel that fielding will be their strong point this year.

\*\*\*\*\*  
ENILES LOSE 14 TO 1 TO ST. THOMAS

The Hagersville Juveniles into a red-hot Murray on Wednesday night. Thomas and went to their first defeat of season 14-1. Davey, Robby Stewart, and Yacobino were the ones to hit safely, each up a single. Harvey kept a total of 24 outs, and is probably the

best right-hand pitcher in Southern Counties. Ross McKean started for Hagersville, with Yacobino relieving in Southern Counties. Ross McKean started for Hagersville, with Yacobino relieving in Southern Counties.

Stewart in the sixth. Cote looked the most effective, striking out four, having five errors committed behind him. Dave Davey handled the catching for Hagersville, and showed some real hustle, and W. Tobey was a stand-out for St. Thomas.

Their next home game will be Thurs., May 27 at Hagersville against Simcoe Juniors, game time 6.15.

HAGERSVILLE INTERMEDIATES DOWN FARM CLUB 3 TO 1

Hagersville Intermediates downed their farm club, the Hagersville Juveniles Thursday night by the score

of three to one. Larry Cassidy showed mid-season form by striking out 10, walking two, and giving up two infield singles to Robby Stewart in six innings. The hard throwing left-hander made it difficult for the umpires to see his fast ball, so they called the game after an hour and ten minutes.

The Intermediates jumped on starter Cliff Chrysler in the first inning, scoring their three runs. Larry Simon lead off with a base on balls, Dennis Craddock and Fred McKean followed with singles to score two runs. After Bill Prince grounded out, Ted Phibbs came through with a double to score the third run. Ross McKean came on at this point to shut Hagersville out the rest of the way on two hits. Craddock and Phibbs had two hits each for the Intermediates, as the Juveniles pitchers had a

30, at 4.30 against St. Thomas. This should be quite a battle between Harvey and Cassidy.

WATERFORD WINS 9-6

In their first meeting of the season against former hurler Johnny Edwards, Jarvis Chevies, won the battle but lost the war. The Chevies really tied off on Edwards and reached him for six runs and 14 hits before he was lifted in the eighth inning. Fred McKean led the assault with three hits. Paul Kett lined a home run between the fielders for another run. Bruce Bigger, Dennis Craddock, Bill Prince, and Gord Fearman had singles.

Hub Fehrman turned in a fine job in relief of Nick Pantzouri who lasted only until the third inning. Being a little nervous like a couple more rookies cost Jarvis the game. With nine walks and only three hits and two errors Jarvis fell behind nine to two after three innings but with Hub holding the fort the Chevies battled back to narrow the score nine to six.

Coleman, Barber, and Edwards had two hits each for Waterford to make up most of their attack.

This was a fine display of power by the Chevies against one of the top hurlers in the league. The Chevies will play at home on Sat., May 29 against Binbrook.

## Cayuga Speedway Opens

Thrills, spills, chills! What better way is there to describe the action at the opening races for the season.

A capacity crowd witnessed the never-ending excitement at Cayuga Speedway on Friday night. This race track is known as Canada's fastest 5/8 mile, hi-banked paved oval course.

Don Biertman of Port Credit grabbed the lead from pole position, but lost it after 20 laps. However he out-charged the entire field of 30 late model super stocks, and captured the 100 lap feature.

Second place was taken by Howie Scannel of Milton in a 70 Dodge Super Bee.

From Burlington in third position, was Terry Kitchen, followed by Ray Gullivon in a 69 Chevelle, and Ken Reimer, both Torontonians.

Driving cautiously in second position for the entire race was Bob Seneckar, but he blew a right tire on lap 73, and spun on the second turn. He stopped in the centre of the track and was missed being hit by several cars.

Dick Flagg in a 71 Camaro was running in fifth, and charged straight, as Flagg leaped unhurt. The car burst into flames, but the fire was extinguished immediately. Flagg was taken to the hospital for a check-up, and Seneckar was also unhurt.

The 3/4 Midgets were taken by Waterloo's Bruce Bolitsky, the 1970 Can-Am Club Champion.

Harry Cooper, with Larry Anthony in pursuit.

Races are scheduled at the track for each Friday evening, with plans being made for special events on August 2, and September 6. Both of these races will be covered by television, to be released at a later date.

## On The Green

by Roy Hagan  
Lawn bowling greatly depends on a well managed green. Under the direction of Thomas Laidlaw and his committee of Malen Wilkins, Lloyd Henerly, Fred Keifer and Charles Parsons make their greens a real pride of the Hagersville Club.

In lawn bowling balls are used, with the objective of them being placed near what is known as the kitty, and the nearest one to the kitty counts. In indoor bowling the object is to knock the pins down with the ball.

For the purpose of lawn bowling clubs the province of Ontario is divided into nearly 20 districts. Each district is made up of a number of lawn bowling clubs. Some may have as many as a dozen or more.

This will give you some indication as to how much interest there is in this sport in Ontario.

Hagersville is in District 5 with some 12 other clubs. This represents a total membership of 518 according to the 1970 annual report.

Everyone is welcome to come and participate in this fast growing outdoor summer sport.

"Lawn Bowl for Health and Fun... Bring a Friend" is the motto.

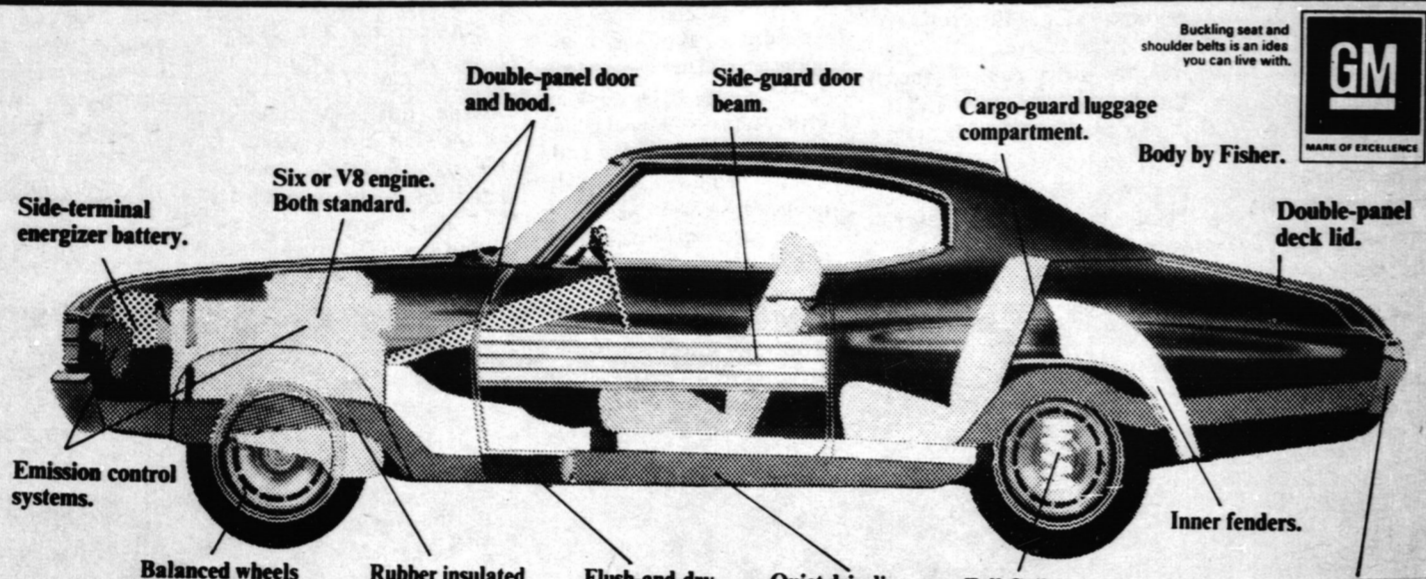

## Sports Night

Mr. Earl Williamson, a representative of Canadian Breweries presented suitable prizes to the winners. The occasion was a sports' night at the Hagersville Legion Hall on Wednesday, May 19.

Mr. Alton Esselment was chairman of the event, and Mrs. Orval Elsie arranged the buffet lunch.

Prizes were won by: Ladies Darts, Mrs. H. Lampman; Men's Darts, Mr. J. H. Hoss; Ladies Billiards, Mrs. Margaret Loughheed; Men's Billiards, Mr. Edgar Waldbrook.

Here.  
**Chevelle is more for your money.**

Wondering when to test-drive mid-size Chevelle? There are lots of reasons to do it right away.

Chevelle lets you feel good when you're driving. The mid-size wheelbase (116-in. for sedans, 112-in. for coupes) handles nicely whether you're downtown or on the highway. Chevelle is styled with the fresh, young design that has made it so popular in the past. The new rear bumper has built-in taillights. And there's a restyled front grille and bumper, too.

Some of the holdovers from last year bear repeating, too. Rubber bushings on the engine mounts cut down on vibration and noise. The Full Coil suspension system features computer selected springs that are matched to the weight and equipment of the car. Flush-and-dry rocker panels let water flow through to clean dirt and corrosion-causing salt out, then air comes through to dry the water

up and prevent rust. All in all, your Chevelle will last longer. And drive better.

But none of this is possible without your Chevrolet dealer. He's the one with the cars. There's the Sporty Malibu series, including a convertible for summer fun. The economical Chevelle series. And there are four mid-size wagons to choose from. Chevelle gives you more for your money. And your Chevy dealer is going to go a long way towards giving you the deal you want. Go see him about it. And take Chevelle out for a drive. You'll see what we mean.

**Chevrolet. Putting you first keeps us first.**

**Chevelle**

Some of the equipment illustrated is optional at extra cost.

**You cut down on air pollution, too.**

About a decade ago, we made a promise to remove our cars from the air pollution problem. Today we're making good. We're almost there. 1971 Chevrolets emit 80% less hydrocarbons than typical cars of roughly ten years ago. And about 1/2 less carbon monoxide. Best of all, we're testing devices that can reach

control levels as high as 95%. But it hasn't been easy. We've had to develop devices that muffle and return exhaust fumes. Devices that check forward gases around the crankcase vent. Devices that prevent the escape of raw gasoline vapors. We've had to invent instruments sophisticated enough to measure the effectiveness of these

devices. The goal and reward have been the same: cleaner air. Estimates are that if all North American industry could make similar strides, and all cars on the road today were emission controlled like '71 Chevrolets, we'd be breathing 1940 air. You might call that a great step backward. A step we've been proud to take.

## Field

The first 4-H Club meeting for the Field Club was held on Monday, May 17.

The meeting started the identity of seeds. Mr. Tom Webber, assistant agricultural representative, showed on Hay, Forages, and Holland machinery.

## Sandusk Womens' Institute

The Sandusk Womens' Institute held their meeting at the home of Maud Barnes. Mrs. Nie, our new president, was in charge.

We were reminded of a food forum, a countdown to be held in Kohler in May at the district Annual Centennial Celebration.

Mrs. Craig Werner, appointed delegate to the meeting and was reminded of the Pennies for Friendship. Werner reported on an interview with the principal of South Elementary School presenting cups to the pupils.

The roll call was answered by all toward a plan presented to Mrs. Werner for Mother's Day appropriate card and newspaper on display. Trid and we compared with daily papers.
