

This scene, from a plowing match event in the mid-thirties in Haldimand County, was revived recently from the files of the Ontario Department of Agriculture and Food, in Cayuga. The modern version of the plowing match and machinery

demonstration had its beginning in 1926, according to Ontario Plowmen's Association records. (ODAF Courtesy Photo)

New U.S. Counterfeit \$10 Bills

TORONTO - The counterfeit and forgery section of the anti-rackets branch, Ontario Provincial Police, have warned the public of a new series of

counterfeit United States currency being passed in Ontario.

Unlike former series circulated in July this year, the current \$10 bills are of

deceptively good quality and bear the following serial numbers:

B 41947669 B; B 61947668 B and B 71947665 B.

The public is advised that should they suspect they have received a counterfeit note, the following steps be taken:

1. Do not return it to the passer, even if he offers to exchange it for a genuine note.

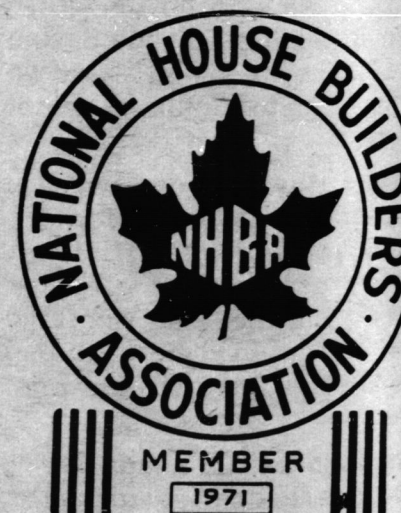

2. Delay the passer on any excuse if at all possible.
3. Call your police department.

4. Mentally obtain a good description of the passer. If he runs out or leaves before the arrival of the police, attempt to obtain his

vehicle licence number and write it down.

5. If you suspect you have a counterfeit note, do not attempt to pass it. The sentence for knowingly passing off a counterfeit note is up to 14 years.

"CONGRATULATIONS TO HALDIMAND COUNTY FOR HOSTING INTERNATIONAL PLOWING MATCH '71"

Fertilize In The Fall

Fall is the time to feed your lawn phosphorus and potassium. They supply the plant food necessary for autumn growth. Avoid fertilizers high in nitrogen. Nitrogen promotes lush green growth which may not mature before the arrival of the killing Ontario winter.

Horticulturists with the Ontario Department of Agriculture and Food recommend using a "winter care" fertilizer formulation sold by most garden supply stores.

This contains enough nitrogen to sustain the lawn through fall, and sufficient phosphorus and potassium for a good start in spring. Apply this fertilizer any time now at the rate of 10 pounds per 1,000 square feet. Pulverize all lumps and distribute the material uniformly.

More detailed information on lawns is contained in Ontario Department of Agriculture

137th Anniversary
at Hartford Baptist Church

Sunday, October 10

11:00 a.m. Rev. F. C. Howard, London.

7:30 p.m., Dr. W. S. Whitcombe, Toronto.

Special Music at each Service.

Norfolk County fair is in full swing this week with an attendance objective of 108,000 to beat last year's mark by 8,000 people. Above a high school exhibit gets the finishing touches by teachers and students. (Staff Photo)

Judith Doughty, daughter of Mr. and Mrs. James Doughty, Jarvis, Ontario, graduated as a registered nurse from Mackenzie School of Nursing, St. Catharines on Sept. 11.
