

## 1971 Haldimand Scholarship Awards

The members of the Haldimand Scholarship Committee are pleased to announce the winners of the Haldimand County Council Scholarship, the Haldimand Branch, UCO Scholarships, and the Haldimand Federation of Agriculture Scholarships for 1971 are as follows:

Haldimand County Council Scholarship — \$200, Ross Gowan, RR 3, Jarvis (B. Sc. (Agr.) Guelph); UCO, Haldimand Branch Scholarship — \$100, Joe Edl, RR 1, Lowbanks (Horticulture, Niagara College); \$100, Pegi Fuller, Caledonia (B. Applied Sc., Guelph); Haldimand Federation of Agriculture Scholarship \$100, Tim Gibson, RR 2, Caledonia (B. Sc. (Agr.) Guelph); \$100, Judy Robinson, RR 5, Cayuga (Agr. Secretary, Ridgetown); \$100, Carol Scott, 171 Gardiner Ave., Dunnville (B. Applied Sc., Guelph); \$100, Ron

Atkinson, RR 2, Nanticoke (Lab Technology, Ridgetown).

The Scholarship Committee met on Friday evening, Sept. 3, 1971, interviewed the applicants and is confident that the winners will be suitable and deserving students.

Haldimand Scholarship Committee: Warden of Haldimand County (Chairman), Clayton O.

## Sandusk News

Mrs. Klass Mueller arrived home from Germany last week.

Mr. and Mrs. Craig Werner took a few days holidays last week returning home on Saturday evening.

Mr. Dale Werner went to London on Sunday afternoon to enter Western University for this term.

Mrs. Wm. Booth attended the UCW meeting at Mrs. Eli McDonalds home on Thursday afternoon.

Smith; Chairman, Administration Committee, Haldimand County Council, John A. Kincaid; Director, Haldimand Board of Education, J. Fransen; President, Haldimand Federation of Agriculture, Otto Crone; President, Haldimand Branch, UCO, Sidney Mitchell; Agricultural Representative (Secretary), Kenneth E. Best.

On Saturday evening the United Church at Cheapside challenged the Anglican Church to a ball game at Selkirk ball park. The Anglicans won but all came back to the United Church to a wiener roast which was enjoyed by everyone. Mr. Craig Werner, Dale, and Alan, Mr. and Mrs. Wm. Booth and Mr. and Mrs. Wm. Bray attended from the Sandusk community.

## Cheapside United Church Women

The UCW of Cheapside United Church met at the home of Mrs. Eli McDonald on Thursday afternoon Sept. 9 with an attendance of 14 people. The roll call was answered by a donation of needletwork and jams, jellies and pickles for the auction sale to be held this month.

Mrs. Harold Nie, president, opened the meeting with a suitable reading on the theme Unselfish Service followed by prayer. The minutes were read and reports of the different committees were named for the auction sale and ploughing match booth.

The worship service was conducted by Mrs. Reg Armstrong. She opened the service by repeating in unison the first and last verse of the hymn Dismiss Me Not Thy Service Lord. She also gave an article about Rundall mountain how it was named for a pioneer missionary after which a prayer followed. The offering was received and dedicated. Mrs. Wm. Bray gave the study book chapter on Bolivia which

had been prepared by Mrs. Gerald Willis. The meeting closed with prayer. Mrs. Wilfrid Place and Mrs. Geo Abbott provided a very tasty lunch. Harold Marshall extended the courtesy to the lunch committee and those taking part.

## THE WEEKLIES SAY...

**STILL OVER-SPENDING**  
The United States has been over-spending and now hurting. All of us will hurt some. We in Canada have been over-spending and still are. Some of the things President Nixon is doing now we may have to do, in our fashion, and should have done long ere this. A Canadian manufacturer cried recently that this could hurt hard on us, but we, not the Americans, have built our costs to these levels and against the warnings of Canadian observers ranging in expertise all the way from Louis Rasminsky down to the editors of the newspapers. — Campbellton (N.B.) Tribune

**TOUCHY QUESTION**  
How bad is Stanstead's sewage disposal system? It is only a septic tank type system, but what is the coliform count and the nutrient content by the time the overflow reaches the Tomifobia River? Would it be practical to plunge into the cost of a secondary system with the present one year ahead of what many villages have at the present time? — Stanstead (Que.) Journal

**WHAT WILL HAPPEN**  
United States labor leaders appear determined to force a showdown with President Nixon on the 90-day wage freeze issue. What will happen in the U.S. labor and government meet head-on will be significant for Canada. It could well set the pattern for the Canadian government should it be forced to impose similar wage and price restrictions to control inflation. Swift Current (Sask.) Sun

**HEALTHY MISTRUST**  
Canadians basically remain unconvinced that their governments are comprised of only the wisest and most virtuous. In the final analysis, Canadians likely doubt mistrust the honesty of their governments, just their judgements. That's a healthy mistrust. — Swift Current (Sask.) Sun

**NO SYMPATHY**  
We have no sympathy for people injured in riots. People with average intelligence, when they see the symptoms of a riot, should suddenly remember that they have a message to deliver in another part of the city. The most unfair part of riots is that the police are unfairly blamed for taking action, the same action that the rioters are using. — Inisfail (Alta.) Province

**QUESTIONS DRESS**  
We who live in smaller communities are surprised and amazed, when we travel to places like Calgary, Banff, Winnipeg, Vancouver or Toronto, to see the personal and physical dress of those who frequent the street corners and the public parks. What interests us is where the inclination for this sort of life came from. Does it develop as a result of the breakdown of responsibility in our school system and the discontinuance of the practice of regulating dress and manners there? — Rimby (Alta.) Record.

## On The Farm Front

The recent increase in premium assistance on Crop Insurance from the Ontario Government has made it possible in the plan rates to make the program more attractive. This would be available in the local Crop Insurance agent. Final date for winter wheat applications is Oct. 1.

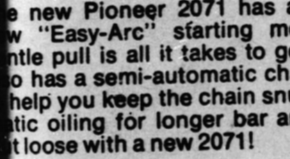

Counties to be visited by Junior Farmer Soil and Use Tour will be Northwold, Brant, Norfolk, and Niagara.

Drier field conditions than occurred last fall have made it possible to apply to a larger tonnage of agriculture limestone already than was possible last year.

The largest single installation of tile that we've heard about in Haldimand recently was 39,000 feet. In this case the tile laid was plastic. About 60 acres were drained on a random pattern, in other words where it was needed most.

no matter how you slice it! The new Pioneer 2071 gives you more great features than any other lightweight chain saw ever built.

Haldimand, and Niagara. The delegates, one from each Ontario County visit farms of C. Richardson and Sons, Ruigrok Bros. and Fred Topp.

The usual number of soil samples and fertilizer recommendations for winter wheat have been processed recently. A larger number of soil samples are expected this fall for 1972 crops than was possible last year. Boxes and information on the free soil testing service are available at the county agriculture office.

The Cheapside herd of dual purpose Shorthorns, owned by J. H. Atkinson, RR 2, Nanticoke, is always among the top contenders for honors at the C.N.E., and truly this is a great herd. Proof of this is shown in the following awards won at the C.N.E. —

Junior Champion bull with the white Cheapside, Snowman; senior and grand champion bull with the massive, correct Cheapside futarama, many times a winner; reserve senior and reserve grand female with Cheapside Lady 11th. Two second placings were won in the three year old and four year old female classes, and two thirds were garnered in the two year old and four year old females.

Premier breeder and premier exhibitor banners were both won by the Atkinsons, to add to their impressive trophy room.

Area breeders, Ross Hewitt of York, and J. A. Creighton & Son of Caledonia, each had forward a good string of dual purpose Shorthorns. Ross Hewitt showed the winning three year old female, Gerner Farms Kitty, and Creighton was well up in the youngest female class.

Of particular interest each year is the junior Heifer class with dual purpose Shorthorn heifer calves exhibited by junior breeders. This class is also judged for showmanship,

\*\*\* Breeding difficulties in the dairy herd can be costly. For every 12 cows in the herd, one month's delay in average calving interval can be equivalent to the loss of one cow's production for the year. If the herd production averages 12,000 pounds this could mean a

loss of \$600 — \$800.

\*\*\* The Farm and Home Improvement Committee for the 1971 International Flowering March is proud of the improvements made by the 150 competitors. Results will be available in the near future.

\*\*\* This year, among a class of some twenty entries, Liz Creighton, also of Caledonia, was given honorable mention for the fine job she did in showing her calf.

During the past week, officers of this detachment investigated 13 motor vehicle collisions which resulted in injuries to two persons.

General occurrences investigated were: four thefts, one break and enter, 11 requests for assistance, six other criminal code offences, and four assaults.

An auto stolen from Hamilton, Sept. 7, 1971, was recovered in Oneida Township.

In most car collisions, the passenger compartment remains in good shape after the crash except where it is damaged by flying bodies. The Ontario Safety League urges everyone who rides in a car to have their seat belts buckled up, whenever the car is in motion.

The devotional theme was on education, closing with a prayer led by Miss Dorothy Roultson.

The business part of the meeting followed. Mrs. Meehan reported on the cistern recently installed and the 60 pounds of used clothing which had been taken to 4-C's in connection

with the Harbour Mission by Mrs. Harold Anderson.

The anniversary services are going to be held on Sun., Sept. 26, both morning and evening, followed by a social hour. The choir was also the recipient of choir gowns given by the Cayuga United Church.

We are acting as hosts to the Springvale, Jarvis, and Hagersville afternoon Units of the UCW on the evening of Oct. 7, at 8.15 p.m.

The courtesy was extended by Mrs. Gordon Roultson and the meeting closed with the Mizpah Benediction followed by a social hour.

REPORT

During the past week, officers of this detachment investigated 13 motor vehicle collisions which resulted in injuries to two persons.

General occurrences investigated were: four thefts, one break and enter, 11 requests for assistance, six other criminal code offences, and four assaults.

An auto stolen from Hamilton, Sept. 7, 1971, was recovered in Oneida Township.

In most car collisions, the passenger compartment remains in good shape after the crash except where it is damaged by flying bodies. The Ontario Safety League urges everyone who rides in a car to have their seat belts buckled up, whenever the car is in motion.

The devotional theme was on education, closing with a prayer led by Miss Dorothy Roultson.

The business part of the meeting followed. Mrs. Meehan reported on the cistern recently installed and the 60 pounds of used clothing which had been taken to 4-C's in connection

with the Harbour Mission by Mrs. Harold Anderson.

The anniversary services are going to be held on Sun., Sept. 26, both morning and evening, followed by a social hour. The choir was also the recipient of choir gowns given by the Cayuga United Church.

We are acting as hosts to the Springvale, Jarvis, and Hagersville afternoon Units of the UCW on the evening of Oct. 7, at 8.15 p.m.

## Higher Coverage, Lower Cost For Some Growers Under New Winter Wheat Insurance Plan

A new winter wheat insurance plan featuring coverage based on the grower's own individual experience and yields has been developed by the Crop Insurance Commission of Ontario. The net result is an insurance plan that is much more attractive to high producing growers following top management practices. Under this system a good grower benefits in two ways. As well as starting at a higher level, his coverage automatically increases at the same time as his insurable yield increases. This increase in protection from year to year takes place at no additional charge to the grower. The cost per acre for this new insurance is \$2.00 for the low range coverage and \$4.50 for high range coverage. However, with the additional assistance to Crop Insurance recently announced by the Hon. Wm. A. Stewart, Minister of

Agriculture and Food, the Ontario and Federal Governments will pay half the premium costs, leaving the insured grower with a price of only \$1.00 per acre for low range coverage and \$2.25 per acre for high range coverage.

The new plan offered this year also contains bonus benefits at no extra cost to the farmer, such as a reseeded payment on acreage damaged by winter-kill and increased protection against loss where wheat is reduced in grade due to a weather hazard.

Applications for winter wheat insurance must be made with the local Crop Insurance agent on or before October 1. County Agricultural offices can supply interested growers with additional information and refer them to their nearest agent.

## Garnet UCW

The September meeting of the Garnet UCW was held in the Sunday School Room on Sept. 2, 1971. The president opened the meeting with a reading, "It's just where you are," a hymn followed by the Lord's Prayer.

The program convenor was Mrs. John Beischlag who introduced the guest speaker, Mrs. Arthur Roth Jr., who gave an interesting and informative talk on the education system of Jamaica, also showing slides. She and her husband had spent two years there. She was thanked by Mrs. Harold Wilson and was presented with a small token of appreciation.

The devotional theme was on education, closing with a prayer led by Miss Dorothy Roultson.

The business part of the meeting followed. Mrs. Meehan reported on the cistern recently installed and the 60 pounds of used clothing which had been taken to 4-C's in connection

with the Harbour Mission by Mrs. Harold Anderson.

The anniversary services are going to be held on Sun., Sept. 26, both morning and evening, followed by a social hour. The choir was also the recipient of choir gowns given by the Cayuga United Church.

We are acting as hosts to the Springvale, Jarvis, and Hagersville afternoon Units of the UCW on the evening of Oct. 7, at 8.15 p.m.
